IN THE CIRCUIT COURT OF COLE COUNTY
NINETEENTH JUDICIAL CIRCUIT
STATE OF MISSOURI

ARTICLE III INSTITUTE, ET AL. Plaintiffs, v. STATE OF MISSOURI, ET AL. Defendants.	Case No. 24AC-CC08732

PLAINTIFFS' MOTION FOR SUMMARY JUDGMENT

The Plaintiffs move for summary judgment pursuant to Mo. Sup. Ct. R. 74.04. The Defendants (collectively, "the Government") initially contested the Plaintiffs' taxpayer standing to bring this case, but they have since agreed not to dispute the standing issue. Thus, this case presents purely legal issues which can be resolved through this motion. For the reasons set forth below, Plaintiffs are as a matter of law entitled to the judgment they have requested.

1. Article III, section 23 of the Missouri Constitution says that "[n]o bill shall contain more than one subject which shall be clearly expressed in its title." *Jackson Cnty. Sports Complex Auth. v. State*, 226 S.W.3d 156, 161 (Mo. banc 2007).

2. "The clear title requirement is violated 'when the final title of the passed bill is underinclusive or too broad and amorphous to be meaningful.'" *Cedar Cnty. Comm'n v. Parson*, 661 S.W.3d 766, 773 (Mo. banc. 2023) (citation omitted, modifications adopted).

3. The title of SB 754, as enacted and signed by the governor, was:

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

"To repeal sections 211.031, 211.071, 217.345, 217.690, 547.031, 556.021, 558.016, 558.019, 568.045, 571.015, 571.070, 575.010, 575.353, 578.007, 578.022, 579.065, 579.068, 590.192, 590.653, 600.042, and 610.140, RSMo, and to enact in lieu thereof twenty-nine new sections **relating to public safety**, with penalty provisions and a delayed effective date for a certain section." (emphasis added)

4. The Missouri Supreme Court recently stated that it has found "phrases such as 'public safety' are too broad and amorphous to describe the subject of a pending bill with the precision necessary to provide notice of its contents." *City of St. Louis v. State*, 682 S.W.3d 387, 402 (Mo. banc 2024).

5. SB 754's title is unconstitutionally overbroad for this reason.

6. SB 754's title is also unconstitutionally underinclusive because it stated that it would enact twenty-nine new sections "in lieu of" the twenty-one sections that would be repealed, but the title did not specify the new sections—and two of them, §§ 307.018 and 565.258, were not only new, neither fell within the same statutory chapter as any statute the bill would repeal.

7. In other words, the bill's title gave legislators and interested citizens *no advance notice whatsoever* that the bill would create these new sections.

8. Thus, SB 754 violates the Missouri Constitution's Clear Title requirement both because its final title was too broad and amorphous to be meaningful and because it failed to inform legislators and interested citizens proper notice of brand-new statutory provisions the bill would create.

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

9. On May 30, 2025, the Government amended its Answer and filed a cross-motion for summary judgment asking the Court to rule that § 516.500, RSMo., prohibited the Plaintiffs from continuing their challenge to SB 754.

10. In response to the Government's argument, the Plaintiffs sought and were granted leave to amend their pleading to squarely present the questions of (1) whether § 516.500 requires courts to cease consideration of a procedural challenge to a bill passed by the legislature as of "the adjournment of the next full legislative session following the effective date of the law," and (2) if so, whether § 516.500 is unconstitutional.

11. The Government has not disavowed its position that § 516.500 prohibits consideration of this challenge and has declined to stipulate that the statute does *not* apply in the way it has previously argued in this case.

12. Because the argument that gave rise to this question was presented in the context of this case and also because any citizens interested in pursuing procedural challenges to legislation need to know *in advance* whether there is a hard-and-fast deadline beyond which the courts may not consider their claim, there remains a controversy between the parties and the issue is ripe for declaratory judgment as to the proper understanding of § 516.500.

13. Should the Court construe § 516.500 as prohibiting courts from continuing to consider procedural challenges any later than "the adjournment of the next full legislative session following the effective date of the law," the Court must then resolve Count III of the Plaintiffs' First Amended Petition, which challenges the validity of that limitation.

14. The people of Missouri have chosen to impose procedural limitations upon the manner in which the General Assembly may consider and pass legislation.

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

15. The Government's interpretation of § 516.500 so dramatically limits the window within which a taxpayer may challenge the validity of a bill based upon one of the procedural limitations in Article III, it would be virtually impossible for the courts to give full consideration to such a challenge before that statutory window closes.

WHEREFORE, this Court must hold that (1) SB 754 is invalid and must permanently enjoin the enforcement of any part of the bill; (2) § 516.500 establishes a statute of limitations regarding procedural challenges to the validity of legislation, but it does not limit the court's ability to consider or rule upon such challenges that are filed within the statute of limitations; and, (3) in the alternative, if § 516.500 prevents courts from continuing to consider such challenges after "the adjournment of the next full legislative session following the effective date of the law," that restriction is unconstitutional.

Any report of a violation of section 167.031 made by a juvenile officer regarding a child who is

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

being home schooled shall be made to the prosecuting attorney of the county where the child legally resides.

5. The disability or disease of a parent shall not constitute a basis for a determination that a child is a child in need of care or for the removal of custody of a child from the parent without a specific showing that there is a causal relation between the disability or disease and harm to the child.

211.071. 1. If a petition alleges that a child between the ages of **[**twelve**]** **fourteen** and eighteen has committed an offense which would be considered a felony if committed by an adult, the court may, upon its own motion or upon motion by the juvenile officer, the child or the child's custodian, order a hearing and may, in its discretion, dismiss the petition and such child may be transferred to the court of general jurisdiction and prosecuted under the general law; except that if a petition alleges that **[**any**]** **a** child **between the ages of twelve and eighteen** has committed an offense which would be considered first degree murder under section 565.020, second degree murder under section 565.021, first degree assault under section 565.050, forcible rape under section 566.030 as it existed prior to August 28, 2013, rape in the first degree under section 566.030, forcible sodomy under section 566.060 as it existed prior to August 28, 2013, sodomy in the first degree under section 566.060, first degree robbery under section 569.020 as it existed prior to January 1, 2017, or robbery in the first degree under section 570.023, distribution of drugs under section 195.211 as it existed prior to January 1, 2017, or the manufacturing of a controlled substance under section 579.055, **a dangerous felony as defined in section 556.061, any felony involving**

the use, assistance, or aid of a deadly weapon, or has committed two or more prior unrelated offenses which would be felonies if committed by an adult, the court shall order a hearing, and may in its discretion, dismiss the petition and transfer the child to a court of general jurisdiction for prosecution under the general law.

2. Upon apprehension and arrest, jurisdiction over the criminal offense allegedly committed by any person between eighteen and twenty-one years of age over whom the juvenile court has retained continuing jurisdiction shall automatically terminate and that offense shall be dealt with in the court of general jurisdiction as provided in section 211.041.

3. Knowing and willful age misrepresentation by a juvenile subject shall not affect any action or proceeding which occurs based upon the misrepresentation. Any evidence obtained during the period of time in which a child misrepresents his or her age may be used against the child and will be subject only to rules of evidence applicable in adult proceedings.

4. Written notification of a transfer hearing shall be given to the juvenile and his or her custodian in the same manner as provided in sections 211.101 and 211.111. Notice of the hearing may be waived by the custodian. Notice shall contain a statement that the purpose of the hearing is to determine whether the child is a proper subject to be dealt with under the provisions of this chapter, and that if the court finds that the child is not a proper subject to be dealt with under the provisions of this chapter, the petition will be dismissed to allow for prosecution of the child under the general law.

5. The juvenile officer may consult with the office of prosecuting attorney concerning any offense for which the child could be certified as an adult under this section. The prosecuting or circuit attorney shall have access to police reports, reports of the juvenile or deputy juvenile officer, statements of witnesses and all other records or reports relating to the offense alleged to have been committed by the child. The prosecuting or circuit attorney shall have access to the disposition records of the child when the child has been adjudicated pursuant to subdivision (3) of subsection 1 of section 211.031. The prosecuting attorney shall not divulge any information regarding the child and the offense until the juvenile court at a judicial hearing has determined that the child is not a proper subject to be dealt with under the provisions of this chapter.

6. A written report shall be prepared in accordance with this chapter developing fully all available information relevant to the criteria which shall be considered by the court in determining whether the child is a proper subject to be dealt with under the provisions of this chapter and whether there are reasonable prospects of rehabilitation within the juvenile justice system. These criteria shall include but not be limited to:

(1) The seriousness of the offense alleged and whether the protection of the community requires transfer to the court of general jurisdiction;

(2) Whether the offense alleged involved viciousness, force and violence;

(3) Whether the offense alleged was against persons or property with greater weight being given to the offense against persons, especially if personal injury resulted;

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

(4) Whether the offense alleged is a part of a repetitive pattern of offenses which indicates that the child may be beyond rehabilitation under the juvenile code;

(5) The record and history of the child, including experience with the juvenile justice system, other courts, supervision, commitments to juvenile institutions and other placements;

(6) The sophistication and maturity of the child as determined by consideration of his or her home and environmental situation, emotional condition and pattern of living;

(7) The age of the child;

(8) The program and facilities available to the juvenile court in considering disposition;

(9) Whether or not the child can benefit from the treatment or rehabilitative programs available to the juvenile court; and

(10) Racial disparity in certification.

7. If the court dismisses the petition to permit the child to be prosecuted under the general law, the court shall enter a dismissal order containing:

(1) Findings showing that the court had jurisdiction of the cause and of the parties;

(2) Findings showing that the child was represented by counsel;

(3) Findings showing that the hearing was held in the presence of the child and his or her counsel; and

(4) Findings showing the reasons underlying the court's decision to transfer jurisdiction.

8. A copy of the petition and order of the dismissal shall be sent to the prosecuting attorney.

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

9. When a petition has been dismissed thereby permitting a child to be prosecuted under the general law and the prosecution of the child results in a conviction, the jurisdiction of the juvenile court over that child is forever terminated, except as provided in subsection 10 of this section, for an act that would be a violation of a state law or municipal ordinance.

10. If a petition has been dismissed thereby permitting a child to be prosecuted under the general law and the child is found not guilty by a court of general jurisdiction, the juvenile court shall have jurisdiction over any later offense committed by that child which would be considered a misdemeanor or felony if committed by an adult, subject to the certification provisions of this section.

11. If the court does not dismiss the petition to permit the child to be prosecuted under the general law, it shall set a date for the hearing upon the petition as provided in section 211.171.

211.600. 1. The office of state courts administrator shall collect information related to the filing and disposition of petitions to certify juveniles pursuant to section 211.071.

2. The data collected pursuant to this section shall include the following:

(1) The number of certification petitions filed annually;

(2) The disposition of certification petitions filed annually;

(3) The offenses for which certification petitions are filed annually;

(4) The race of the juveniles for whom the certification petitions are filed annually; and

(5) The number of juveniles who have waived their right to counsel.

3. The data collected pursuant to this section shall be made publicly available annually.

217.345. 1. Correctional treatment programs for first offenders **and offenders eighteen years of age or younger** in the department shall be established, subject to the control and supervision of the director, and shall include such programs deemed necessary and sufficient for the successful rehabilitation of offenders.

2. **[**Correctional treatment programs for offenders who are younger than eighteen years of age shall be established, subject to the control and supervision of the director. By January 1, 1998, such**]** Programs **established pursuant to this section** shall include physical separation of offenders who are younger than eighteen years of age from offenders who are eighteen years of age or older **and shall include educational programs that award a high school diploma or its equivalent.**

3. The department shall have the authority to promulgate rules pursuant to subsection 2 of section 217.378 to establish correctional treatment programs for offenders under age eighteen. Such rules may include:

(1) Establishing separate housing units for such offenders; and

(2) Providing housing and program space in existing housing units for such offenders that is not accessible to adult offenders.

4. The department shall have the authority to determine the number of juvenile offenders participating in

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

any treatment program depending on available appropriations. The department may contract with any private or public entity for the provision of services and facilities for offenders under age eighteen. The department shall apply for and accept available federal, state and local public funds including project demonstration funds as well as private moneys to fund such services and facilities.

5. The department shall develop and implement an evaluation process for all juvenile offender programs.

217.690. 1. All releases or paroles shall issue upon order of the parole board, duly adopted.

2. Before ordering the parole of any offender, the parole board shall conduct a validated risk and needs assessment and evaluate the case under the rules governing parole that are promulgated by the parole board. The parole board shall then have the offender appear before a hearing panel and shall conduct a personal interview with him or her, unless waived by the offender, or if the guidelines indicate the offender may be paroled without need for an interview. The guidelines and rules shall not allow for the waiver of a hearing if a victim requests a hearing. The appearance or presence may occur by means of a videoconference at the discretion of the parole board. A parole may be ordered for the best interest of society when there is a reasonable probability, based on the risk assessment and indicators of release readiness, that the person can be supervised under parole supervision and successfully reintegrated into the community, not as an award of clemency; it shall not be considered a reduction of sentence or a pardon. Every offender while on parole shall remain in the legal custody of the department but shall be subject to the orders of the parole board.

3. The division of probation and parole has discretionary authority to require the payment of a fee, not to exceed sixty dollars per month, from every offender placed under division supervision on probation, parole, or conditional release, to waive all or part of any fee, to sanction offenders for willful nonpayment of fees, and to contract with a private entity for fee collections services. All fees collected shall be deposited in the inmate fund established in section 217.430. Fees collected may be used to pay the costs of contracted collections services. The fees collected may otherwise be used to provide community corrections and intervention services for offenders. Such services include substance abuse assessment and treatment, mental health assessment and treatment, electronic monitoring services, residential facilities services, employment placement services, and other offender community corrections or intervention services designated by the division of probation and parole to assist offenders to successfully complete probation, parole, or conditional release. The division of probation and parole shall adopt rules not inconsistent with law, in accordance with section 217.040, with respect to sanctioning offenders and with respect to establishing, waiving, collecting, and using fees.

4. The parole board shall adopt rules not inconsistent with law, in accordance with section 217.040, with respect to the eligibility of offenders for parole, the conduct of parole hearings or conditions to be imposed upon paroled offenders. Whenever an order for parole is issued it shall recite the conditions of such parole.

5. When considering parole for an offender with consecutive sentences, the minimum term for eligibility for parole shall be calculated by adding the minimum terms for

parole eligibility for each of the consecutive sentences, except the minimum term for parole eligibility shall not exceed the minimum term for parole eligibility for an ordinary life sentence.

6. Any offender sentenced to a term of imprisonment amounting to fifteen years or more or multiple terms of imprisonment that, taken together, amount to fifteen or more years who was under eighteen years of age at the time of the commission of the offense or offenses may be eligible for parole after serving fifteen years of incarceration, regardless of whether the case is final for the purposes of appeal, and may be eligible for reconsideration hearings in accordance with regulations promulgated by the parole board.

7. The provisions of subsection 6 of this section shall not apply to an offender found guilty of **[**murder in the first degree or**]** capital murder, **murder in the first degree or murder in the second degree, when murder in the second degree is committed pursuant to subdivision (1) of subsection 1 of section 565.021,** who was under eighteen years of age when the offender committed the offense or offenses who may be found ineligible for parole or whose parole eligibility may be controlled by section 558.047 or 565.033.

8. Any offender under a sentence for first degree murder who has been denied release on parole after a parole hearing shall not be eligible for another parole hearing until at least three years from the month of the parole denial; however, this subsection shall not prevent a release pursuant to subsection 4 of section 558.011.

9. A victim who has requested an opportunity to be heard shall receive notice that the parole board is conducting an assessment of the offender's risk and

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

readiness for release and that the victim's input will be particularly helpful when it pertains to safety concerns and specific protective measures that may be beneficial to the victim should the offender be granted release.

10. Parole hearings shall, at a minimum, contain the following procedures:

(1) The victim or person representing the victim who attends a hearing may be accompanied by one other person;

(2) The victim or person representing the victim who attends a hearing shall have the option of giving testimony in the presence of the inmate or to the hearing panel without the inmate being present;

(3) The victim or person representing the victim may call or write the parole board rather than attend the hearing;

(4) The victim or person representing the victim may have a personal meeting with a parole board member at the parole board's central office;

(5) The judge, prosecuting attorney or circuit attorney and a representative of the local law enforcement agency investigating the crime shall be allowed to attend the hearing or provide information to the hearing panel in regard to the parole consideration; and

(6) The parole board shall evaluate information listed in the juvenile sex offender registry pursuant to section 211.425, provided the offender is between the ages of seventeen and twenty-one, as it impacts the safety of the community.

11. The parole board shall notify any person of the results of a parole eligibility hearing if the person indicates to the parole board a desire to be notified.

12. The parole board may, at its discretion, require any offender seeking parole to meet certain conditions during the term of that parole so long as said conditions are not illegal or impossible for the offender to perform. These conditions may include an amount of restitution to the state for the cost of that offender's incarceration.

13. Special parole conditions shall be responsive to the assessed risk and needs of the offender or the need for extraordinary supervision, such as electronic monitoring. The parole board shall adopt rules to minimize the conditions placed on low-risk cases, to frontload conditions upon release, and to require the modification and reduction of conditions based on the person's continuing stability in the community. Parole board rules shall permit parole conditions to be modified by parole officers with review and approval by supervisors.

14. Nothing contained in this section shall be construed to require the release of an offender on parole nor to reduce the sentence of an offender heretofore committed.

15. Any application filed shall be considered a pleading under the Missouri rules of civil procedure and all attorneys shall comply with supreme court rule 55.03 when signing the application and the application shall be sworn and signed under penalty of perjury by the applicant. Any witness statements attached shall be sworn and signed under penalty of perjury; and

4. The conviction review unit shall consist of two attorneys, hired by the executive director of the Missouri office of prosecution services, who have extensive experience prosecuting and defending criminal matters, an investigator, a paralegal, and such administrative staff as is needed to efficiently and effectively process all applications and claims. (2) The conviction review unit's findings and recommendations submitted to the prosecuting attorney, circuit attorney, the attorney general's office if it prosecuted the case, or the special prosecutor who prosecuted the case, shall become open records after the receiving entity of the submission makes a decision not to pursue a motion under section 547.031 or, if such a motion is filed, after the finality of all proceedings under section 547.031, including appeals authorized therein.

8. Nothing in this section shall be construed to prevent a prosecuting attorney or circuit attorney from filing a motion under section 547.031 before the review under this section is complete.

(2) The commission shall study sentencing practices in the circuit courts throughout the state for the purpose of determining whether and to what extent disparities exist among the various circuit courts with respect to the length of sentences imposed and the use of probation for offenders convicted of the same or similar offenses and with similar criminal histories. The commission shall also study and examine whether and to what extent sentencing disparity among economic and social classes exists in relation to the sentence of death and if so, the reasons therefor, if sentences are comparable to other states, if the length of the sentence is appropriate, and the rate of rehabilitation

Such contribution shall not exceed three hundred dollars for any charged offense. Any restitution moneys deposited into the county law enforcement restitution fund pursuant to this section shall only be expended pursuant to the provisions of section 50.565.

11. A judge may order payment to a restitution fund only if such fund had been created by ordinance or resolution of a county of the state of Missouri prior to sentencing. (2) At the time the petition is filed, the person has not been found guilty of any other misdemeanor or felony, not including violations of the traffic regulations provided under chapters 301, 302, 303, 304, and 307, during the time period specified for the underlying **[**offense, violation, or infraction**] crime** in subdivision (1) of this subsection;

(3) The person has satisfied all obligations relating to any such disposition, including the payment of any fines or restitution;

(4) The person does not have charges pending;

(5) The petitioner's habits and conduct demonstrate that the petitioner is not a threat to the public safety of the state; and

(6) The expungement is consistent with the public welfare and the interests of justice warrant the expungement.

A pleading by the petitioner that such petitioner meets the requirements of subdivisions (5) and (6) of this subsection shall create a rebuttable presumption that the expungement is warranted so long as the criteria contained in subdivisions (1) to (4) of this subsection are otherwise satisfied. The burden shall shift to the prosecuting attorney**[**,**] or** circuit attorney**[**, or municipal prosecuting attorney**]** to rebut the presumption. A victim of **[**an offense, violation, or infraction**] a crime** listed in the

petition shall have an opportunity to be heard at any hearing held under this section[, and the court may make a determination based solely on such victim's testimony]. **A court may find that the continuing impact of the offense upon the victim rebuts the presumption that expungement is warranted.**

[6.**]** **7.** A petition to expunge records related to an arrest for an eligible **[**offense, violation, or infraction**]** **crime** may be made in accordance with the provisions of this section to a court of competent jurisdiction in the county where the petitioner was arrested no earlier than **[**three years**]** **eighteen months** from the date of arrest; provided that, during such time, the petitioner has not been charged and the petitioner has not been found guilty of any misdemeanor or felony offense.

[7.**]** **8.** If the court determines that such person meets all the criteria set forth in subsection **[**5**]** **6** of this section for each of the **[**offenses, violations, or infractions**]** **crimes** listed in the petition for expungement, the court shall enter an order of expungement. In all cases under this section, the court shall issue an order of expungement or dismissal within six months of the filing of the petition. A copy of the order of expungement shall be provided to the petitioner and each entity possessing records subject to the order, and, upon receipt of the order, each entity shall close any record in its possession relating to any **[**offense, violation, or infraction**]** **crime** listed in the petition, in the manner established by section 610.120. The records and files maintained in any administrative or court proceeding in a municipal, associate, or circuit court for any **[**offense, infraction, or violation**]** **crime** ordered expunged under this section shall

be confidential and only available to the parties or by order of the court for good cause shown. The central repository shall request the Federal Bureau of Investigation to expunge the records from its files.

[8.**]** **9.** The order shall not limit any of the petitioner's rights that were restricted as a collateral consequence of such person's criminal record, and such rights shall be restored upon issuance of the order of expungement. **Except as otherwise provided under this section, the effect of such order shall be to fully restore the civil rights of such person to the status he or she occupied prior to such arrests, pleas, trials, or convictions as if such events had never taken place. This includes fully restoring the civil rights of a person to the right to vote, the right to hold public office, and to serve as a juror.** For purposes of 18 U.S.C. Section 921(a)(33)(B)(ii), an order **[**or**]** **of** expungement granted pursuant to this section shall be considered a complete removal of all effects of the expunged conviction. Except as otherwise provided under this section, the effect of such order shall be to restore such person to the status he or she occupied prior to such arrests, pleas, trials, or convictions as if such events had never taken place. No person as to whom such order has been entered shall be held thereafter under any provision of law to be guilty of perjury or otherwise giving a false statement by reason of his or her failure to recite or acknowledge such arrests, pleas, trials, convictions, or expungement in response to an inquiry made of him or her and no such inquiry shall be made for information relating to an expungement, except the petitioner shall disclose the expunged **[**offense, violation, or infraction**]** **crime** to any court when asked or upon being

charged with any subsequent **[**offense, violation, or infraction**]** **crime**. The expunged **[**offense, violation, or infraction**]** **crime** may be considered a prior offense in determining a sentence to be imposed for any subsequent offense that the person is found guilty of committing.

[9.**]** **10.** Notwithstanding the provisions of subsection **[**8**]** **9** of this section to the contrary, a person granted an expungement shall disclose any expunged **[**offense, violation, or infraction**]** **crime** when the disclosure of such information is necessary to complete any application for:

(1) A license, certificate, or permit issued by this state to practice such individual's profession;

(2) Any license issued under chapter 313 or permit issued under chapter 571;

(3) Paid or unpaid employment with an entity licensed under chapter 313, any state-operated lottery, or any emergency services provider, including any law enforcement agency;

(4) Employment with any federally insured bank or savings institution or credit union or an affiliate of such institution or credit union for the purposes of compliance with 12 U.S.C. Section 1829 and 12 U.S.C. Section 1785;

(5) Employment with any entity engaged in the business of insurance or any insurer for the purpose of complying with 18 U.S.C. Section 1033, 18 U.S.C. Section 1034, or other similar law which requires an employer engaged in the business of insurance to exclude applicants with certain criminal convictions from employment; or

An employer shall notify an applicant of the requirements under subdivisions (4) to (6) of this subsection. Notwithstanding any provision of law to the contrary, an expunged **[**offense, violation, or infraction**]** **crime** shall not be grounds for automatic disqualification of an applicant, but may be a factor for denying employment, or a professional license, certificate, or permit; except that, **[**an offense, violation, or infraction**]** **a crime** expunged under the provisions of this section may be grounds for automatic disqualification if the application is for employment under subdivisions (4) to (6) of this subsection.

[10.**]** **11.** A person who has been granted an expungement of records pertaining to a **[**misdemeanor or felony offense, an ordinance violation, or an infraction**]** **crime** may answer "no" to an employer's inquiry into whether the person has ever been **arrested, charged, or** convicted of a crime if, after the granting of the expungement, the person has no public record of a **[**misdemeanor or felony offense, an ordinance violation, or an infraction**]** **crime**. The person, however, shall answer such an inquiry affirmatively and disclose his or her criminal convictions, including any offense **[**or violation**]** expunged under this section or similar law, if the employer is required to exclude applicants with certain criminal convictions from employment due to federal or state law, including corresponding rules and regulations.

[11.**]** **12.** If the court determines that the petitioner has not met the criteria for any of the **[**offenses, violations, or infractions**]** **crimes** listed in the petition for expungement or the petitioner has knowingly provided false information in the petition, the court shall enter an order dismissing the petition. Any person whose petition

(1) Not more than **[**two**]** **three** misdemeanor offenses or ordinance violations that have an authorized term of imprisonment; and

(2) Not more than **[**one**]** **two** felony **[**offense**]** **offenses**.

[13.**]** **14.** The court shall make available a form for pro se petitioners seeking expungement, which shall include the following statement: "I declare under penalty of perjury that the statements made herein are true and correct to the best of my knowledge, information, and belief.".

[14.**]** **15.** Nothing in this section shall be construed to limit or restrict the availability of expungement to any person under any other law.

shall not be required to reside in the jurisdiction to which he or she was appointed to serve, and shall be an attorney.

2. (1) The special prosecutor shall have exclusive jurisdiction to initiate and prosecute the following felony offenses:

(a) First degree murder under section 565.020;

(b) Second degree murder under section 565.021;

(c) Assault in the first degree under section 565.050;

(d) Assault in the second degree under section 565.052;

If an offense leads to criminal charges for which the special prosecutor has exclusive jurisdiction, the special prosecutor shall also have exclusive jurisdiction over all other charges stemming from the same criminal event. After the special prosecutor has filed criminal charges in a case over which he or she has exclusive jurisdiction, the special prosecutor shall continue to have exclusive jurisdiction over the entire criminal case regardless of whether the charges are later reduced. (2) The special prosecutor shall have a budget, which shall be provided by the state from the general revenue fund, to hire up to fifteen assistant special prosecuting attorneys and up to fifteen staff members including, but not limited to, assistants, clerks, reporters, grand jury reporters, legal investigators, and stenographers, as the special prosecutor deems necessary. The salaries of all employees hired by the special prosecutor shall be set and determined by the special prosecutor but shall be within the budget provided by the state.

(3) If, at the end of the first five-year term of the special prosecutor, the governor, after reviewing federal, state, or local crime statistics or finding that the number of occurrences of homicide cases in the twelve months immediately preceding exceeds a rate of thirty-five cases per every one hundred thousand people within the circuit or prosecuting attorney's jurisdiction, determines that a threat to public safety and health still exists, the governor may continue to appoint the special prosecutor for five-year terms as provided under this section.

301.3175. 1. Any vehicle owner may apply for "Back the Blue" license plates for any motor vehicle the person owns, either solely or jointly, other than an apportioned motor vehicle or a commercial motor vehicle licensed in excess of twenty-four thousand pounds gross weight. If the contribution is made directly to the Missouri Law Enforcement Memorial Foundation, the foundation shall issue the individual making the contribution a receipt, verifying the contribution, that may be used to apply for the "Back the Blue" license plate. If the contribution is made directly to the director of revenue pursuant to section 301.3031, the director shall note the contribution and the owner may then apply for the "Back the Blue" plate. The applicant for such plate shall pay a fifteen dollar fee in addition to the regular registration fees and present any other documentation required by law for each set of "Back the Blue" plates issued pursuant to this section. Notwithstanding the

Such license plates shall be made with fully reflective material with a common color scheme and design, shall be clearly visible at night, and shall be aesthetically attractive, as prescribed by section 301.130.

[2.**] 3.** The director of revenue may promulgate rules and regulations for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2019, shall be invalid and void.

544.453. Notwithstanding any provision of the law or court rule to the contrary, a judge or judicial officer, when setting bail or conditions of release in all courts in Missouri for any offense charged, shall consider, in addition to any factor required by law, whether:

(4) A defendant has failed to appear in court as a required condition of probation or parole for a misdemeanor involving a crime of violence or felony or a sexual offense within the last three years.

558.019. 1. This section shall not be construed to affect the powers of the governor under Article IV, Section 7, of the Missouri Constitution. Any such funds in excess of fifty thousand dollars in any calendar year shall be placed to the credit of the general revenue fund of the county. Moneys in the fund shall be used only for the procurement of services and equipment to support the operation of the sheriff's office. The clerk or secretary of the political subdivision shall certify an election concerning the coverage of **[**~~emergency telecommunicators~~**]** **telecommunicator first responders**, jailors, and emergency medical service personnel as public safety personnel members of the system to the board within ten days after such vote. Such election shall not be changed after the effective date. If the election is made, the coverage provisions shall be applicable to all past and future employment with the employer by present and future employees. 84.344. 1. Notwithstanding any provisions of this chapter to the contrary, any city not within a county may establish a municipal police force on or after July 1, 2013, according to the procedures and requirements of this section. The purpose of these procedures and requirements is to provide for an orderly and appropriate transition in the governance of the police force and provide for an equitable employment transition for commissioned and civilian personnel.

2. Upon the establishment of a municipal police force by a city under sections 84.343 to 84.346, the board of police commissioners shall convey, assign, and otherwise transfer to the city title and ownership of all indebtedness and assets, including, but not limited to, all funds and real and personal property held in the name of or controlled by the board of police commissioners created under sections 84.010 to 84.340. The board of police commissioners shall execute all documents reasonably required to accomplish such transfer of ownership and obligations.

3. If the city establishes a municipal police force and completes the transfer described in subsection 2 of this section, the city shall provide the necessary funds for the maintenance of the municipal police force.

4. Before a city not within a county may establish a municipal police force under this section, the city shall adopt an ordinance accepting responsibility, ownership, and liability as successor-in-interest for contractual obligations, indebtedness, and other lawful obligations of the board of police commissioners subject to the provisions of subsection 2 of section 84.345.

5. A city not within a county that establishes a municipal police force shall initially employ, without a reduction in rank, salary, or benefits, all commissioned and civilian personnel of the board of police commissioners created under sections 84.010 to 84.340 that were employed by the board immediately prior to the date the municipal police force was established. Such commissioned personnel who previously were employed by the board may only be involuntarily terminated by the city not within a county for cause. The city shall also recognize all accrued years of service that such commissioned and civilian personnel had with the board of police commissioners. Such personnel shall be entitled to the same holidays, vacation, and sick leave they were entitled to as employees of the board of police commissioners.

6. **[**~~(1)~~**]** Commissioned and civilian personnel of a municipal police force established under this section **[**~~who are hired prior to September 1, 2023,~~**]** shall not be subject to a residency requirement of retaining a primary residence in a city not within a county but may be required to maintain a primary residence located within a one-hour response time.

[~~(2) Commissioned and civilian personnel of a municipal police force established under this section who are hired after August 31, 2023, may be subject to a residency rule no more restrictive than a requirement of retaining a primary residence in a city not within a~~

~~county for a total of seven years and of then allowing the personnel to maintain a primary residence outside the city not within a county so long as the primary residence is located within a one-hour response time.~~]

7. The commissioned and civilian personnel who retire from service with the board of police commissioners before the establishment of a municipal police force under subsection 1 of this section shall continue to be entitled to the same pension benefits provided under chapter 86 and the same benefits set forth in subsection 5 of this section.

8. If the city not within a county elects to establish a municipal police force under this section, the city shall establish a separate division for the operation of its municipal police force. The civil service commission of the city may adopt rules and regulations appropriate for the unique operation of a police department. Such rules and regulations shall reserve exclusive authority over the disciplinary process and procedures affecting commissioned officers to the civil service commission; however, until such time as the city adopts such rules and regulations, the commissioned personnel shall continue to be governed by the board of police commissioner's rules and regulations in effect immediately prior to the establishment of the municipal police force, with the police chief acting in place of the board of police commissioners for purposes of applying the rules and regulations. Unless otherwise provided for, existing civil service commission rules and regulations governing the appeal of disciplinary decisions to the civil service commission shall apply to all commissioned and civilian personnel. The civil service commission's rules and regulations shall provide that records prepared for disciplinary purposes shall be confidential, closed records available solely to the civil service commission and those who possess authority to conduct investigations regarding disciplinary matters pursuant to the civil service commission's rules and regulations. A hearing officer shall be appointed by the civil service commission to hear any such appeals that involve discipline resulting in a suspension of greater than fifteen days, demotion, or termination, but the civil service commission shall make the final findings of fact, conclusions of law, and decision which shall be subject to any right of appeal under chapter 536.

9. A city not within a county that establishes and maintains a municipal police force under this section:

(4) May pay an additional shift differential compensation to commissioned and civilian personnel for evening and night tours of duty in an amount not to exceed ten percent of the officer's base hourly rate.

10. A city not within a county that establishes a municipal police force under sections 84.343 to 84.346 shall establish a transition committee of five members for the purpose of: coordinating and implementing the transition of authority, operations, assets, and obligations from the board of police commissioners to the city; winding down the affairs of the board; making nonbinding recommendations for the transition of the police force from the board to the city; and other related duties, if any, established by executive order of the city's mayor. Once the ordinance referenced in this section is enacted, the city shall provide written notice to the board of police commissioners and the governor of the state of Missouri. (2) "Emergency placement", those limited instances when the children's division is placing for an initial placement a child in the home of private individuals, including neighbors, friends, or relatives, as a result of a sudden unavailability of the child's primary caretaker.

3. A diligent search shall be made to locate, contact, and notify the grandparent or grandparents of the child within three hours from the time the emergency placement is deemed necessary for the child. During such three-hour time period, the child may be placed in an emergency placement. If a grandparent or grandparents of the child cannot be located within the three-hour period, the child may be temporarily placed in emergency placement; except that, after the emergency placement is deemed necessary, the children's division shall continue a diligent search to contact, locate, and place the child with a grandparent or grandparents, or other relatives, with first consideration given to a grandparent for placement, subject to subsection 3 of section 210.565 regarding preference of placement.

4. A diligent search shall be made to locate, contact, and notify the relative or relatives of the child within thirty days from the time the emergency placement is deemed necessary for the child. The children's division shall continue the search for the relative or relatives until the division locates the relative or relatives of the child for placement**, for six months following the child's out-of-home placement,** or the court excuses further search**, whichever occurs first**. **The department shall resume search efforts if ordered by the court, a change in the child's placement occurs, or a party shows that continuing the search is in the best interests of the child.** The children's division, or an entity under contract with the division, shall use all sources of information, including any known parent or relative, to attempt to locate an appropriate relative as placement.

5. **[**~~Search progress under subsection 3 or 4 of this section shall be reported at each court hearing until the grandparents or relatives are either located or the court excuses further search.~~**] The children's division shall file with the court information regarding attempts made under this section within thirty days from the date the child was removed from his or her home, or as otherwise required by the court, and at each periodic review hearing. Such information shall include:**

(1) A detailed narrative explaining the division's efforts to find and consider each potential placement and the specific outcome;

(2) The names of and relevant information about grandparents and relatives of the child;

(3) Steps taken by the division to locate and contact grandparents and relatives of the child;

(4) Responses received from grandparents and relatives of the child;

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

(5) Dates of each attempted or completed contact with a grandparent or relative of the child;

(6) Reasons why a grandparent or relative of the child was not considered for emergency or permanent placement of the child; and

(7) All efforts for placement of the child through an interstate compact agreement under section 210.620, including:

(a) The names of grandparents or relatives of the child who were considered for an interstate placement;

(b) Any pending placement of the child through an interstate compact agreement; and

(c) All potential out-of-state placements outside of an interstate compact agreement and the reasons such placements have not been initiated.

If an out-of-state placement option exists and the division has failed to file a request with the receiving state under the requirements of an interstate compact agreement under section 210.620, the court shall enter a finding that the division has not made a due diligence search and shall order the division to file a request with the receiving state under the terms of the interstate compact.

6. **All grandparents or relatives to the child identified in a diligent search required by this section, subject to exceptions due to family or domestic violence or other safety concerns, shall be provided with notice, via certified mail as appropriate, that includes, but is not limited to:**

(1) A specification that an alleged dependent child has been or is being removed from his or her parental custody;

(2) An explanation of the options a grandparent or relative has to participate in the care and placement of the alleged dependent child and any options that may be lost by failing to respond to the notice;

(3) A description of the process for becoming a licensed foster family home and the additional services and supports available for children placed in approved foster homes;

(4) A description of any financial assistance for which a grandparent or relative may be eligible; and

(5) An explanation that any response received after thirty days or willful failure to respond upon receiving a notice may result in the grandparent or relative of the child not being considered for placement.

7. If a grandparent or relative entitled to notice under this section fails to respond to the division, responds and declines to be considered as placement for the

child, or is otherwise presently prevented from being considered as placement for the child and later petitions the court for a change in placement, such person shall provide evidence that such change is in the child's best interests.

8. Nothing in this section shall be construed or interpreted to interfere with or supersede laws related to parental rights or judicial authority.

210.565. 1. Whenever a child is placed in a foster home and the court has determined pursuant to subsection 4 of this section that foster home placement with relatives is not contrary to the best interest of the child, the children's division shall give foster home placement to relatives of the child. Notwithstanding any rule of the division to the contrary **and under section 210.305**, the children's division shall complete a diligent search to locate and notify the grandparents, adult siblings, parents of siblings of the child, and all other relatives and determine whether they wish to be considered for placement of the child. Grandparents who request consideration shall be given preference and first consideration for foster home placement of the child. If more than one grandparent requests consideration, the family support team shall make recommendations to the juvenile or family court about which grandparent should be considered for placement.

2. As used in this section, the following terms shall mean:

(1) "Adult sibling", any brother or sister of whole or half-blood who is at least eighteen years of age;

(2) "Relative", a grandparent or any other person related to another by blood or affinity or a person who is not so related to the child but has a close relationship with the child or the child's family. **A foster parent or kinship caregiver with whom a child has resided for nine months or more is a person who has a close relationship with the child.** The status of a grandparent shall not be affected by the death or the dissolution of the marriage of a son or daughter;

(3) "Sibling", one of two or more individuals who have one or both parents in common through blood, marriage, or adoption, including siblings as defined by the child's tribal code or custom.

3. The following shall be the order or preference for placement of a child under this section:

(1) Grandparents;

(2) Adult siblings or parents of siblings;

(3) Relatives **[**~~related by blood or affinity within the third degree~~**]**; **and**

(4) **[**~~Other relatives; and~~

~~(5)~~**]** Any foster parent who is currently licensed and capable of accepting placement of the child.

4. The preference for placement and first consideration for grandparents or preference for placement with other relatives created by this section shall only apply where the court finds that placement with such grandparents or other relatives is not contrary to the best interest of the child considering all circumstances. If the court finds that it is contrary to the best interest of a child to be placed with grandparents or other relatives, the court shall make specific findings on the record detailing the reasons why the best interests of the child necessitate placement of the child with persons other than grandparents or other relatives. **Absent evidence to the contrary, the court may presume that continuation of the child's placement with his or her current caregivers is in the child's best interests.**

5. Recognizing the critical nature of sibling bonds for children, the children's division shall make reasonable efforts to place siblings in the same foster care, kinship, guardianship, or adoptive placement, unless doing so would be contrary to the safety or well-being of any of the siblings. If siblings are not placed together, the children's division shall make reasonable efforts to provide frequent visitation or other ongoing interaction between the siblings, unless this interaction would be contrary to a sibling's safety or well-being.

6. The age of the child's grandparent or other relative shall not be the only factor that the children's division takes into consideration when it makes placement decisions and recommendations to the court about placing the child with such grandparent or other relative.

7. For any Native American child placed in protective custody, the children's division shall comply with the placement requirements set forth in 25 U.S.C. Section 1915.

8. A grandparent or other relative may, on a case-by-case basis, have standards for licensure not related to safety waived for specific children in care that would otherwise impede licensing of the grandparent's or relative's home. In addition, any person receiving a preference may be licensed in an expedited manner if a child is placed under such person's care.

9. The guardian ad litem shall ascertain the child's wishes and feelings about his or her placement by conducting an interview or interviews with the child, if appropriate based on the child's age and maturity level, which shall be considered as a factor in placement decisions and recommendations, but shall not supersede the preference for relative placement created by this section or be contrary to the child's best interests.

210.795. 1. (1) A child in the care and custody of the children's division whose physical whereabouts are unknown to the division, the child's physical custodian, or contracted service providers shall be considered missing and the case manager or placement provider shall immediately inform a law enforcement agency having jurisdiction and the National Center for Missing and Exploited Children within two hours of discovery that the child is missing.

(2) The case manager shall document the report number and any relevant information in the child's record.

(3) Within twenty-four hours of a report being made under this subsection, the department shall inform and obtain information about the child's disappearance from the child's parents, known relatives, out-of-home caregivers, attorney, guardian or guardian ad litem, court appointed special advocate, juvenile officer, or Indian tribe, as applicable, or from any other person known to the department who may have relevant information regarding the child's disappearance.

(4) The case manager shall:

(a) Within one week and monthly thereafter, maintain contact with the child's family members, friends, school faculty, and service providers and with any other person or agency involved in the child's case;

(b) Document ongoing efforts to locate the child; and

(c) Continue contacting law enforcement about the missing child and shall make quarterly reports to the court about the status of the child and efforts to locate the child.

The department shall contact law enforcement every seven days and document the information provided and any information received.

(5) The division shall not petition the court for a release of jurisdiction for the child or stop searching for the child while the child is missing until the child reaches the age of twenty-one.

2. The division shall maintain protocols, including appropriate trainings, for conducting ongoing searches for children missing from care. Such protocols shall include preventative measures to identify and mitigate risk to children who are at increased risk for running away or disappearing or of being victims of trafficking as defined under section 566.200.

3. The division shall ensure that each child in the care and custody of the division has an updated photograph in the child's record.

4. When a child is located, the department shall:

(1) Inform all law enforcement agencies and organizations involved in the child's case; and

(2) Have in-person contact with the child within twenty-four hours after the child is located to assess the child's health, experiences while absent, the appropriateness of the child returning to the child's current placement, and the factors that contributed to the child's absence.

5. Any employee or contractor with the children's division, child welfare agencies, other state agencies, or schools shall, upon becoming aware that an

emancipated minor as defined in section 302.178, a homeless youth as defined in section 167.020, or an unaccompanied minor as defined in section 210.121 is missing, inform the appropriate law enforcement agency and the National Center for Missing and Exploited Children within twenty-four hours.

6. Within twenty-four hours of a missing child being found, the division shall assess whether the child was a victim of trafficking and determine any factors that caused the child to go missing.

7. The general assembly may require an annual independent audit of the department's compliance with this section.

211.071. 1. If a petition alleges that a child between the ages of **[**~~twelve~~**] fourteen** and eighteen has committed an offense which would be considered a felony if committed by an adult, the court may, upon its own motion or upon motion by the juvenile officer, the child or the child's custodian, order a hearing and may, in its discretion, dismiss the petition and such child may be transferred to the court of general jurisdiction and prosecuted under the general law; except that if a petition alleges that **[**~~any~~**] a** child **between the ages of fourteen and eighteen** has committed an offense which would be considered first degree murder under section 565.020, second degree murder under section 565.021, first degree assault under section 565.050, forcible rape under section 566.030 as it existed prior to August 28, 2013, rape in the first degree under section 566.030, forcible sodomy under section 566.060 as it existed prior to August 28, 2013, sodomy in the first degree under section 566.060, first degree robbery under section 569.020 as it existed prior to January 1, 2017, or robbery in the first degree under section 570.023, distribution of drugs under section 195.211 as it existed prior to January 1, 2017, or the manufacturing of a controlled substance under section 579.055, **a dangerous felony as defined in section 556.061,** or has committed two or more prior unrelated offenses which would be felonies if committed by an adult, the court shall order a hearing, and may in its discretion, dismiss the petition and transfer the child to a court of general jurisdiction for prosecution under the general law.

2. Upon apprehension and arrest, jurisdiction over the criminal offense allegedly committed by any person between eighteen and twenty-one years of age over whom the juvenile court has retained continuing jurisdiction shall automatically terminate and that offense shall be dealt with in the court of general jurisdiction as provided in section 211.041.

3. Knowing and willful age misrepresentation by a juvenile subject shall not affect any action or proceeding which occurs based upon the misrepresentation. Any evidence obtained during the period of time in which a child misrepresents his or her age may be used against the child and will be subject only to rules of evidence applicable in adult proceedings.

4. Written notification of a transfer hearing shall be given to the juvenile and his or her custodian in the same manner as provided in sections 211.101 and 211.111. Notice of the

Notice shall contain a statement that the purpose of the hearing is to determine whether the child is a proper subject to be dealt with under the provisions of this chapter, and that if the court finds that the child is not a proper subject to be dealt with under the provisions of this chapter, the petition will be dismissed to allow for prosecution of the child under the general law.

5. The juvenile officer may consult with the office of prosecuting attorney concerning any offense for which the child could be certified as an adult under this section. The prosecuting or circuit attorney shall have access to police reports, reports of the juvenile or deputy juvenile officer, statements of witnesses and all other records or reports relating to the offense alleged to have been committed by the child. The prosecuting or circuit attorney shall have access to the disposition records of the child when the child has been adjudicated pursuant to subdivision (3) of subsection 1 of section 211.031. The prosecuting attorney shall not divulge any information regarding the child and the offense until the juvenile court at a judicial hearing has determined that the child is not a proper subject to be dealt with under the provisions of this chapter.

6. A written report shall be prepared in accordance with this chapter developing fully all available information relevant to the criteria which shall be considered by the court in determining whether the child is a proper subject to be dealt with under the provisions of this chapter and whether there are reasonable prospects of rehabilitation within the juvenile justice system. These criteria shall include but not be limited to:

(1) The seriousness of the offense alleged and whether the protection of the community requires transfer to the court of general jurisdiction;

(2) Whether the offense alleged involved viciousness, force and violence;

(3) Whether the offense alleged was against persons or property with greater weight being given to the offense against persons, especially if personal injury resulted;

(4) Findings showing the reasons underlying the court's decision to transfer jurisdiction.

8. A copy of the petition and order of the dismissal shall be sent to the prosecuting attorney.

9. When a petition has been dismissed thereby permitting a child to be prosecuted under the general law and the prosecution of the child results in a conviction, the jurisdiction of the juvenile court over that child is forever terminated, except as provided in subsection 10 of this section, for an act that would be a violation of a state law or municipal ordinance.

10. If a petition has been dismissed thereby permitting a child to be prosecuted under the general law and the child is found not guilty by a court of general jurisdiction, the juvenile court shall have jurisdiction over any later offense committed by that child which would be considered a misdemeanor or felony if committed by an adult, subject to the certification provisions of this section.

307.018. 1. Notwithstanding any other provision of law, no court shall issue a warrant of arrest for a person's failure to respond, pay the fine assessed, or appear in court with respect to a traffic citation issued for an infraction under the provisions of this chapter. In lieu of such warrant of arrest, the court shall issue a notice of failure to respond, pay the fine assessed, or appear, and the court shall schedule a second court date for the person to respond, pay the fine assessed, or appear. A copy of the court's notice with the new court date shall be sent to the driver of the vehicle. 3. At any point after the default judgment has been entered, the driver may appear in court and show proof that he or she corrected the equipment violation for which the fine and costs were assessed. If the driver shows such proof, the court may waive the fines and costs that are due.

488.435. 1. Sheriffs shall receive a charge, as provided in section 57.280, for service of any summons, writ or other order of court, in connection with any civil case, and making on the same either a return indicating service, a non est return or a nulla bona return, the sum of twenty dollars for each item to be served, as provided in section 57.280, except that a sheriff shall receive a charge for service of any subpoena, and making a return on the same, the sum of ten dollars, as provided in section 57.280; however, no such charge shall be collected in any proceeding when court costs are to be paid by the state, county or municipality. In addition to such charge, the sheriff shall be entitled, as provided in section 57.280, to receive for each mile actually traveled in serving any summons, writ, subpoena or other order of court, the rate prescribed by the Internal Revenue Service for all allowable expenses for motor vehicle use expressed as an amount per mile, provided that such mileage shall not be charged for more than one subpoena or summons or other writ served in the same cause on the same trip. All of such charges shall be received by the sheriff who is requested to perform the service. Except as otherwise provided by law, all charges made pursuant to

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

section 57.280 shall be collected by the court clerk as court costs and are payable prior to the time the service is rendered; provided that if the amount of such charge cannot be readily determined, then the sheriff shall receive a deposit based upon the likely amount of such charge, and the balance of such charge shall be payable immediately upon ascertainment of the proper amount of such charge. A sheriff may refuse to perform any service in any action or proceeding, other than when court costs are waived as provided by law, until the charge provided by this section is paid. Failure to receive the charge shall not affect the validity of the service.

2. The sheriff shall, as provided in section 57.280, receive for receiving and paying moneys on execution or other process, where lands or goods have been levied and advertised and sold, five percent on five hundred dollars and four percent on all sums above five hundred dollars, and half of these sums, when the money is paid to the sheriff without a levy, or where the lands or goods levied on shall not be sold and the money is paid to the sheriff or person entitled thereto, his or her agent or attorney. The party at whose application any writ, execution, subpoena or other process has issued from the court shall pay the sheriff's costs, as provided in section 57.280, for the removal, transportation, storage, safekeeping and support of any property to be seized pursuant to legal process before such seizure. The sheriff shall be allowed for each mile, as provided in section 57.280, going and returning from the courthouse of the county in which he or she resides to the place where the court is held, the rate prescribed by the Internal Revenue Service for all allowable expenses for motor vehicle use expressed as an amount per mile. The provisions of this subsection shall not apply to garnishment proceeds.

3. As provided in subsection 4 of section 57.280, the sheriff shall receive ten dollars for service of any summons, writ, subpoena, or other order of the court included under subsection 1 of section 57.280, in addition to the charge for such service that each sheriff receives under subsection 1 of section 57.280. The money received by the sheriff under subsection 4 of section 57.280 shall be paid into the county treasury and the county treasurer shall make such money payable to the state treasurer. The state treasurer shall deposit such moneys in the deputy sheriff salary supplementation fund created under section 57.278.

4. As provided in subsection 5 of section 57.280, the court clerk shall collect ten dollars as a court cost for service of any summons, writ, subpoena, or other order of the court included under subsection 1 of this section if any person other than a sheriff is specially appointed to serve in a county that receives funds under section 57.278. The moneys received by the clerk under this subsection shall be paid into the county treasury and the county treasurer shall make such moneys payable to the state treasurer. The state treasurer shall deposit such moneys in the deputy sheriff salary supplementation fund created under section 57.278.

491.075. 1. A statement made by a child under the age of **[**~~fourteen~~**]** **eighteen**, or a vulnerable person, relating to an offense under chapter 565, 566, 568 or 573, performed by another, not otherwise admissible by statute or court rule, is admissible in evidence in criminal proceedings in the courts of this state as substantive evidence to prove the truth of the matter asserted if:

(1) The court finds, in a hearing conducted outside the presence of the jury that the time, content and circumstances of the statement provide sufficient indicia of reliability; and

(2) (a) The child or vulnerable person testifies at the proceedings; or

(b) The child or vulnerable person is unavailable as a witness; or

(c) The child or vulnerable person is otherwise physically available as a witness but the court finds that the significant emotional or psychological trauma which would result from testifying in the personal presence of the defendant makes the child or vulnerable person unavailable as a witness at the time of the criminal proceeding.

2. Notwithstanding subsection 1 of this section or any provision of law or rule of evidence requiring corroboration of statements, admissions or confessions of the defendant, and notwithstanding any prohibition of hearsay evidence, a statement by a child when under the age of **[**~~fourteen~~**]** **eighteen**, or a vulnerable person, who is alleged to be victim of an offense under chapter 565, 566, 568 or 573 is sufficient corroboration of a statement, admission or confession regardless of whether or not the child or vulnerable person is available to testify regarding the offense.

3. A statement may not be admitted under this section unless the prosecuting attorney makes known to the accused or the accused's counsel his or her intention to offer the statement and the particulars of the statement sufficiently in advance of the proceedings to provide the accused or the accused's counsel with a fair opportunity to prepare to meet the statement.

4. Nothing in this section shall be construed to limit the admissibility of statements, admissions or confessions otherwise admissible by law.

5. For the purposes of this section, "vulnerable person" shall mean a person who, as a result of an inadequately developed or impaired intelligence or a psychiatric disorder that materially affects ability to function, lacks the mental capacity to consent, or whose developmental level does not exceed that of an ordinary child of **[**~~fourteen~~**]** **seventeen** years of age.

492.304. 1. In addition to the admissibility of a statement under the provisions of section 492.303, the visual and aural recording of a verbal or nonverbal statement of a child when under the age of **[**~~fourteen~~**]** **eighteen** **[**~~who is alleged to be a victim of~~**]** **or a vulnerable person, relating to** an offense under the provisions of chapter 565, 566 **[**~~or~~**]** **,** 568**, or 573 if performed by another,** is admissible into evidence if:

(1) No attorney for either party was present when the statement was made; except that, for any statement taken at a state-funded child assessment center as provided for in subsection 2 of section 210.001, an attorney representing the state of Missouri in a criminal investigation may, as a member of a multidisciplinary investigation team, observe the taking of such statement, but such attorney shall not be present in the room where the interview is being conducted;

(2) The recording is both visual and aural and is recorded on film or videotape or by other electronic means;

(3) The recording equipment was capable of making an accurate recording, the operator of the equipment was competent, and the recording is accurate and has not been altered;

(4) The statement was not made in response to questioning calculated to lead the child **or vulnerable person** to make a particular statement or to act in a particular way;

(5) Every voice on the recording is identified;

(6) The person conducting the interview of the child **or vulnerable person** in the recording is present at the proceeding and available to testify or be cross-examined by either party; and

(7) The defendant or the attorney for the defendant is afforded an opportunity to view the recording before it is offered into evidence.

2. If the child **or vulnerable person** does not testify at the proceeding, the visual and aural recording of a verbal or nonverbal statement of the child **or vulnerable person** shall not be admissible under this section unless the recording qualifies for admission under section 491.075.

3. If the visual and aural recording of a verbal or nonverbal statement of a child **or vulnerable person** is admissible under this section and the child **or vulnerable person** testifies at the proceeding, it shall be admissible in addition to the testimony of the child **or vulnerable person** at the proceeding whether or not it repeats or duplicates the child's **or vulnerable person's** testimony.

4. As used in this section, a nonverbal statement shall be defined as any demonstration of the child **or vulnerable person** by his or her actions, facial expressions, demonstrations with a doll or other visual aid whether or not this demonstration is accompanied by words.

5. For the purposes of this section, "vulnerable person" shall mean a person who, as a result of an inadequately developed or impaired intelligence or a psychiatric disorder that materially affects the ability to function, lacks the mental capacity to consent, or whose developmental level does not exceed that of an ordinary child of seventeen years of age.

494.430. 1. Upon timely application to the court, the following persons shall be excused from service as a petit or grand juror:

(1) Any person who has served on a state or federal petit or grand jury within the preceding two years;

(2) Any nursing mother, upon her request, and with a completed written statement from her physician to the court certifying she is a nursing mother;

(3) Any person whose absence from his or her regular place of employment would, in the judgment of the court, tend materially and adversely to affect the public safety, health, welfare or interest;

(4) Any person upon whom service as a juror would in the judgment of the court impose an undue or extreme physical or financial hardship;

(5) Any person licensed as a health care provider as such term is defined in section 538.205, but only if such person provides a written statement to the court certifying that he or she is actually providing health care services to patients, and that the person's service as a juror would be detrimental to the health of the person's patients;

(6) Any employee of a religious institution whose religious obligations or constraints prohibit their serving on a jury. The certification of the employment and obligation or constraint may be provided by the employee's religious supervisor;

(7) **When requested,** any person who is **[**~~seventy-five~~**] seventy** years of age or older.

2. A judge of the court for which the individual was called to jury service shall make undue or extreme physical or financial hardship determinations. The authority to make these determinations is delegable only to court officials or personnel who are authorized by the laws of this state to function as members of the judiciary.

3. A person asking to be excused based on a finding of undue or extreme physical or financial hardship must take all actions necessary to have obtained a ruling on that request by no later than the date on which the individual is scheduled to appear for jury duty.

4. Unless it is apparent to the court that the physical hardship would significantly impair the person's ability to serve as a juror, for purposes of sections 494.400 to 494.460 undue or extreme physical or financial hardship is limited to circumstances in which an individual would:

(1) Be required to abandon a person under his or her personal care or supervision due to the impossibility of obtaining an appropriate substitute caregiver during the period of participation in the jury pool or on the jury; or

(2) Incur costs that would have a substantial adverse impact on the payment of the individual's necessary daily living expenses or on those for whom he or she provides the principal means of support; or

(3) Suffer physical hardship that would result in illness or disease.

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

5. Undue or extreme physical or financial hardship does not exist solely based on the fact that a prospective juror will be required to be absent from his or her place of employment.

6. A person asking a judge to grant an excuse based on undue or extreme physical or financial hardship shall provide the judge with documentation as required by the judge, such as, but not limited to, federal and state income tax returns, medical statements from licensed physicians, proof of dependency or guardianship, and similar documents, which the judge finds to clearly support the request to be excused. Failure to provide satisfactory documentation shall result in a denial of the request to be excused. Such documents shall be filed under seal.

7. After two years, a person excused from jury service shall become eligible once again for qualification as a juror unless the person was excused from service permanently. A person is excused from jury service permanently only when the deciding judge determines that the underlying grounds for being excused are of a permanent nature.

547.500. 1. The Missouri office of prosecution services may establish a conviction review unit to investigate claims of actual innocence of any defendant, including those who plead guilty.

2. The Missouri office of prosecution services shall have the power to promulgate rules and regulations to receive and investigate claims of actual innocence.

3. The Missouri office of prosecution services shall create an application process that at a minimum shall include that:

(1) Any application for review of a claim of actual innocence shall not have any excessive fees and fees shall be waived in cases of indigence;

(2) No application shall be accepted if there is any pending motion, writ, appeal, or other matter pending regarding the defendant's conviction. Any application filed shall be considered a pleading under the Missouri rules of civil procedure, and all attorneys shall comply with supreme court rule 55.03 when signing the application. The application shall be sworn and signed under penalty of perjury by the applicant. Any witness statements attached shall be sworn and signed under penalty of perjury; and

(3) Any review and investigation shall be based on newly discovered and verifiable evidence of actual innocence not presented at a trial. Such newly discovered and verifiable evidence shall establish by clear and convincing evidence the actual innocence of the defendant.

4. The conviction review unit shall consist of two attorneys, hired by the executive director of the Missouri office of prosecution services, who have extensive experience prosecuting and defending criminal matters, an investigator, a paralegal, and such administrative staff as is needed to efficiently and effectively process all applications and claims. The executive director of the Missouri office of prosecution

services shall coordinate the activities and budget of the conviction review unit and act as an ex officio member of the unit.

5. Once the review is complete, the conviction review unit shall present its findings and recommendations to:

(1) The office of the prosecuting attorney or circuit attorney who prosecuted the defendant's case, the attorney general's office if it prosecuted the case, or the special prosecutor who prosecuted the case; or

(2) If the review was requested by a prosecuting attorney's office, the circuit attorney's office, the attorney general, or a special prosecutor, the findings and recommendations shall be presented to the office that requested the review.

6. The circuit attorney, prosecuting attorney of any county, special prosecutor, attorney general's office if it prosecuted the case, Missouri office of prosecution services, or other prosecutor who prosecuted the case is not required to accept or follow the findings and recommendations of the conviction review unit.

7. (1) The application, investigation, reports, interviews, findings, and recommendations, and any documents, written, electronic, or otherwise, received or generated by the conviction review unit are closed records.

(2) The conviction review unit's findings and recommendations submitted to the prosecuting attorney, circuit attorney, the attorney general's office if it prosecuted the case, or the special prosecutor who prosecuted the case shall become open records after the receiving entity of the submission makes a decision not to pursue a motion under section 547.031 or, if such a motion is filed, after the finality of all proceedings under section 547.031, including appeals authorized therein.

550.125. 1. There is hereby created in the state treasury the "Change of Venue for Capital Cases Fund", which shall consist of moneys appropriated to the fund by the general assembly. The office of state courts administrator shall administer and disburse moneys in the fund in accordance with subsection 2 of this section. The fund shall be a dedicated fund and, upon appropriation, moneys in the fund shall be used solely for the administration of this section. Notwithstanding the provisions of section 33.080, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

2. In a capital case in which a change of venue is taken from one county to any other county, at the conclusion of such case the county from which the case was transferred may apply to the office of state courts administrator for the county to which the case was transferred to be reimbursed from the change of venue for capital cases

fund any costs associated with the sequestering of jurors. The costs of reimbursement shall not exceed the then-approved state rates for travel reimbursement for lodging and meals.

3. Except as provided under subsection 4 of this section, the office of state courts administrator shall develop an application process and other procedures to determine if a county is eligible for reimbursement under this section. If a county is eligible for reimbursement, the office of state courts administrator shall disburse such moneys to the county as provided under subsection 4 of this section. In the event the amount disbursed is less than the county's actual costs associated with sequestering jurors, the original county shall reimburse the county to which the case was transferred for the difference. If the office of state courts administrator determines a county is not eligible for reimbursement under this section, the county in which the capital case originated shall be responsible for reimbursement.

4. Applications for reimbursement shall be submitted by May first of the current fiscal year, and disbursements shall be made by June thirtieth of the current fiscal year. Applications submitted after May first of the current fiscal year shall be reimbursed in the following fiscal year. If the total dollar amount of the claims in a given year exceeds the amount of moneys in the fund in the same year, the claims shall be reimbursed on a pro rata basis.

5. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2023, shall be invalid and void.

556.021. 1. An infraction does not constitute a criminal offense and conviction of an infraction shall not give rise to any disability or legal disadvantage based on conviction of a criminal offense.

2. Except as otherwise provided by law, the procedure for infractions shall be the same as for a misdemeanor.

3. If a person fails to appear in court either solely for an infraction or for an infraction which is committed in the same course of conduct as a criminal offense for which the person is charged, or if a person fails to respond to notice of an infraction from the central violations bureau established in section 476.385, the court may issue a default judgment for court costs and fines for the infraction which shall be enforced in the same manner as other default

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

judgments, including enforcement under sections 488.5028 and 488.5030, unless the court determines that good cause or excusable neglect exists for the person's failure to appear for the infraction. The notice of entry of default judgment and the amount of fines and costs imposed shall be sent to the person by first class mail. The default judgment may be set aside for good cause if the person files a motion to set aside the judgment within six months of the date the notice of entry of default judgment is mailed.

4. Notwithstanding subsection 3 of this section or any provisions of law to the contrary, a court may issue a warrant for failure to appear for any violation **[**~~which~~**] that** is classified **or charged** as an infraction**; except that, a court shall not issue a warrant for failure to appear for any violation that is classified or charged as an infraction under chapter 307**.

5. Judgment against the defendant for an infraction shall be in the amount of the fine authorized by law and the court costs for the offense.

557.520. 1. For purposes of this section, the following terms shall mean:

(1) "Failed start", any attempt to start the vehicle with a breath alcohol concentration exceeding twenty-five-thousandths of one percent by weight of alcohol in such person's breath, unless a subsequent retest performed within ten minutes registers a breath alcohol concentration not exceeding twenty-five-thousandths of one percent by weight of alcohol in such person's breath;

(2) "Running retest", failure to take a breath test performed by the driver upon a certified ignition interlock device at random intervals after the initial engine startup breath test and while the vehicle's motor is running or failure to take a breath retest with a breath alcohol concentration not exceeding twenty-five-thousandths of one percent by weight of alcohol in such person's breath;

(3) "Vehicle", any mechanical device on wheels, designed primarily for use, or used, on highways.

2. In any criminal case involving an intoxicated-related traffic offense, the prosecuting or circuit attorney may divert the criminal case, with the consent of the defendant, to a driving while intoxicated (DWI) diversion program by filing a motion with the court requesting the court to stay the criminal proceeding, if the defendant meets the following criteria for eligibility into the driving while intoxicated diversion program:

(1) The defendant has not previously pled guilty to or been convicted of an intoxicated-related traffic offense in violation of section 577.010, 577.012, 577.013, 577.014, 577.015, or 577.016;

(2) The defendant is not currently enrolled in, and has not in the previous ten years completed, a diversion program pursuant to this section;

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

(3) The defendant does not hold a commercial driver's license;

(4) The offense did not occur while operating a commercial vehicle; and

(5) The offense did not result in the injury or death of another person.

3. Upon a motion filed by a prosecuting or circuit attorney, the court may continue a diverted case involving an intoxicated-related traffic offense for a period not to exceed twenty-four months and order the defendant to comply with terms, conditions, or requirements that the prosecuting or circuit attorney deems appropriate based on the specific situation of the defendant.

4. The DWI diversion plan shall be for a specified period and be in writing. The prosecuting or circuit attorney has the sole authority to develop diversionary program requirements, but shall require installation of an ignition interlock device for a period of not less than one year, require the defendant to participate in a victim impact panel sponsored by a nonprofit organization, and other terms deemed necessary by the court.

5. If the court continues the criminal case to divert the defendant to a DWI diversion program, the department of revenue shall continue any proceeding to suspend or revoke a license pursuant to chapter 302 for a period not to exceed twenty-four months. After the defendant successfully completes the requirements of the DWI diversion program, the department shall dismiss any proceeding against the defendant.

6. The court shall notify the defendant that he or she is required to install a functioning, certified ignition interlock device on any vehicle that the person operates and the person is prohibited from operating a motor vehicle unless that vehicle is equipped with a functioning, certified ignition interlock device pursuant to this section. These requirements shall be in addition to any other provisions of this chapter or chapter 302 requiring installation and maintenance of an ignition interlock device. Any person required to use an ignition interlock device shall comply with such requirement subject to the penalties provided by section 577.599.

7. The department of revenue shall inform the defendant of the requirements of this section, including the term for which the person is required to have a certified ignition interlock device installed and shall notify the person that installation of a functioning, certified ignition interlock device on a vehicle does not allow the person to drive without a valid driver's license. The department shall record the mandatory use of the device for the term required and the time when the device is required to be installed pursuant to the court order. A person who is notified by the department shall do all of the following:

(1) Arrange for each vehicle operated by the person to be equipped with a functioning, certified ignition interlock device by a certified ignition interlock device provider as determined by the department of transportation; and

(2) Arrange for each vehicle with a functioning, certified ignition interlock device to be serviced by the installer at least once every thirty days for the installer to recalibrate and monitor the operation of the device.

8. The certified ignition interlock device provider shall notify the department:

(1) If the device is removed or indicates that the person has attempted to remove, bypass by a running retest, or tamper with the device;

(2) If the person fails three or more times to comply with any requirement for the maintenance or calibration of the ignition interlock device; or

(3) If the device registers a failed start.

If a person has any failed start that occurs within the last ninety days of the required period of installation of the ignition interlock device, the term shall be extended for a period of ninety days.

9. After the completion of the DWI diversion program and if the defendant has complied with all the imposed terms and conditions, the court shall dismiss the criminal case against the defendant, record the dismissal, and transmit the record to the central repository upon dismissal. Any court automation system, including any pilot project, that provides public access to electronic record on the internet shall redact any personal identifying information of the defendant, including name, address, and year of birth. Such information shall be provided in a confidential filing sheet contemporaneously filed with the court or entered by the court, which shall not be subject to public inspection or availability.

10. In the event of noncompliance by the defendant with the terms and conditions of the DWI diversion program, the prosecuting or circuit attorney may file a motion to terminate the defendant from the diversion program and may recommend the prosecution of the underlying case. Upon the filing of such motion, after notice to the defendant, the court shall hold a hearing to determine by preponderance of the evidence whether the defendant has failed to comply with the terms and conditions of the diversion program. If the court finds that the defendant has not complied with the terms and conditions of the diversion program, the court may end the diversion program and set the case on the next available criminal docket.

11. Any defendant who is found guilty of any intoxicated-related traffic offense and who has previously utilized the DWI diversion program pursuant to this section shall be considered a prior offender as defined in section 577.001, provided that the prior offense occurred within five years of the intoxicated-related offense for which the person is charged, as provided in subsection 20 of section 577.001.

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

12. For the limited purpose of determining whether a defendant is a chronic, habitual, persistent, or prior offender under section 577.001, a criminal case diverted to a DWI diversion program shall be counted as one intoxication-related traffic offense.

558.031. 1. A sentence of imprisonment shall commence when a person convicted of an offense in this state is received into the custody of the department of corrections or other place of confinement where the offender is sentenced.

2. Such person shall receive credit toward the service of a sentence of imprisonment for all time in prison, jail or custody after **[**~~conviction~~**] the offense occurred** and before the commencement of the sentence, when the time in custody was related to that offense**[**~~, and~~**]. This credit shall be based upon the certification of the sheriff as provided in subdivision (3) of subsection 2 of section 217.305 and may be supplemented by a certificate of a sheriff or other custodial officer from another jurisdiction having held the person on the charge of the offense for which the sentence of imprisonment is ordered.** The circuit court may, when pronouncing sentence, award **additional** credit for time spent in prison, jail, or custody after the offense occurred and before **[**~~conviction~~**] the commencement of the sentence** toward the service of the sentence of imprisonment **for those offenses for which the person was incarcerated but for whom no detainer or warrant was served**, except:

(1) Such credit shall only be applied once when sentences are consecutive;

(2) Such credit shall only be applied if the person convicted was in custody in the state of Missouri, unless such custody was compelled exclusively by the state of Missouri's action; and

(3) As provided in section 559.100.

3. The officer required by law to deliver a person convicted of an offense in this state to the department of corrections shall endorse upon the papers required by section 217.305 both the dates the offender was in custody and the period of time to be credited toward the service of the sentence of imprisonment, except as endorsed by such officer.

4. If a person convicted of an offense escapes from custody, such escape shall interrupt the sentence. The interruption shall continue until such person is returned to the correctional center where the sentence was being served, or in the case of a person committed to the custody of the department of corrections, to any correctional center operated by the department of corrections. An escape shall also interrupt the jail time credit to be applied to a sentence which had not commenced when the escape occurred.

5. If a sentence of imprisonment is vacated and a new sentence imposed upon the offender for that offense, all time served under the vacated sentence shall be credited against the new sentence, unless the time has already been credited to another sentence as provided in subsection 1 of this section.

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

6. If a person released from imprisonment on parole or serving a conditional release term violates any of the conditions of his or her parole or release, he or she may be treated as a parole violator. If the parole board revokes the parole or conditional release, the paroled person shall serve the remainder of the prison term and conditional release term, as an additional prison term, and the conditionally released person shall serve the remainder of the conditional release term as a prison term, unless released on parole.

7. Subsection 2 of this section shall be applicable to offenses occurring on or after August 28, **[**~~2021~~**]** **2023**.

8. The total amount of credit given shall not exceed the number of days between the date of offense and commencement of sentence.

565.003. 1. **(1)** The culpable mental state necessary for a homicide offense may be found to exist if the only difference between what actually occurred and what was the object of the offender's state of mind is that a different person or persons were killed.

(2) It shall not be a defense to a homicide charge that the identity of the person the offender intended to kill cannot be established. If the state proves beyond a reasonable doubt that the offender had the requisite mental state toward a specific person or a general class of persons who are not identified or who are not identifiable, such intent shall be transferred to a person who is killed by the offender while such mental state existed.

2. The length of time which transpires between conduct which results in a death and is the basis of a homicide offense and the event of such death is no defense to any charge of homicide.

566.151. 1. A person twenty-one years of age or older commits the offense of enticement of a child if he or she persuades, solicits, coaxes, entices, or lures whether by words, actions or through communication via the internet or any electronic communication, any person who is less than **[**~~fifteen~~**]** **seventeen** years of age for the purpose of engaging in sexual conduct.

2. It is not a defense to a prosecution for a violation of this section that the other person was a peace officer masquerading as a minor.

3. Enticement of a child or an attempt to commit enticement of a child is a felony for which the authorized term of imprisonment shall be not less than five years and not more than thirty years. No person convicted under this section shall be eligible for parole, probation, conditional release, or suspended imposition or execution of sentence for a period of five calendar years.

567.030. 1. A person commits the offense of patronizing prostitution if he or she:

(1) Pursuant to a prior understanding, gives something of value to another person as compensation for having engaged in sexual conduct with any person; or

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

(2) Gives or agrees to give something of value to another person with the understanding that such person or another person will engage in sexual conduct with any person; or

(3) Solicits or requests another person to engage in sexual conduct with any person in return for something of value.

2. It shall not be a defense that the person believed that the individual he or she patronized for prostitution was eighteen years of age or older.

8. In addition to the moneys collected pursuant to subsection 1 of this section, the court shall enter a judgment in favor of the state of Missouri, payable to the crime victims' compensation fund, of sixty-eight dollars upon a plea of guilty or a finding of guilt for a class A or B felony; forty-six dollars upon a plea of guilty or finding of guilt for a class C **[**~~or~~**],** D**, or E** felony; and ten dollars upon a plea of guilty or a finding of guilt for any misdemeanor under Missouri law except for those in chapter 252 relating to fish and game, chapter 302 relating to drivers' and commercial drivers' license, chapter 303 relating to motor vehicle financial responsibility, chapter 304 relating to traffic regulations, chapter 306 relating to watercraft regulation and licensing, and chapter 307 relating to vehicle equipment regulations. Any clerk of the court receiving moneys pursuant to such judgments shall collect and disburse such crime victims' compensation judgments in the manner provided by sections 488.010 to 488.020. Such funds shall be payable to the state treasury and deposited to the credit of the crime victims' compensation fund.

9. The clerk of the court processing such funds shall maintain records of all dispositions described in subsection 1 of this section and all dispositions where a judgment has been entered against a defendant in favor of the state of Missouri in accordance with this section; all payments made on judgments for alcohol-related traffic offenses; and any judgment or portion of a judgment entered but not collected. These records shall be subject to audit by the state auditor. The clerk of each court transmitting such funds shall report separately the amount of dollars collected on judgments entered for alcohol-related traffic offenses from other crime victims' compensation collections or services to victims collections.

10. The department of revenue shall maintain records of funds transmitted to the crime victims' compensation fund by each reporting court and collections pursuant to

Any unexpended balance remaining in the crime victims' compensation fund at the end of each biennium shall not be subject to the provision of section 33.080 requiring the transfer of such unexpended balance to the ordinary revenue fund of the state, but shall remain in the crime victims' compensation fund. In the event that there are insufficient funds in the crime victims' compensation fund to pay all claims in full, all claims shall be paid on a pro rata basis. If there are no funds in the crime victims' compensation fund, then no claim shall be paid until funds have again accumulated in the crime victims' compensation fund. When sufficient funds become available from the fund, awards which have not been paid shall be paid in chronological order with the oldest paid first. In the event an award was to be paid in installments and some remaining installments have not been paid due to a lack of funds, then when funds do become available that award shall be paid in full. All such awards on which installments remain due shall be paid in full in chronological order before any other postdated award shall be paid. Any award pursuant to this subsection is specifically not a claim against the state, if it cannot be paid due to a lack of funds in the crime victims' compensation fund.

13. When judgment is entered against a defendant as provided in this section and such sum, or any part thereof, remains unpaid, there shall be withheld from any disbursement, payment, benefit, compensation, salary, or other transfer of money from the state of Missouri to such defendant an amount equal to the unpaid amount of such judgment. Such amount shall be paid forthwith to the crime victims' compensation fund and satisfaction of such judgment shall be entered on the court record. Under no circumstances shall the general revenue fund be used to reimburse court costs or pay for such judgment. The director of the department of corrections shall have the authority to pay into the crime victims' compensation fund from an offender's compensation or account the amount owed by the offender to the crime victims' compensation fund, provided that the offender has failed to pay the amount owed to the fund prior to entering a correctional facility of the department of corrections.

14. All interest earned as a result of investing funds in the crime victims' compensation fund shall be paid into the crime victims' compensation fund and not into the general revenue of this state.

57.961. 1. On and after the effective date of the establishment of the system, as an incident to his **or her** employment or continued employment, each person employed as an elected or appointed sheriff of a county shall become a member of the system. Such membership shall continue as long as the person continues to be an employee, or receives or is eligible to receive benefits under the provisions of sections 57.949 to 57.997.

2. Notwithstanding any other provision of law to the contrary, each person who is a member of the system on or after January 1, 2024, shall be required to contribute five percent of the member's pay to the retirement system. Such contribution shall be made notwithstanding that the minimum salary or wages provided by law for any member shall thereby be changed. Each member shall be deemed to consent and agree to the deduction made and provided for herein. 3. The officer or officers responsible for making up the payrolls for each county shall cause the contribution provided for in this section to be deducted from the compensation of the member in the employ of the county, on each and every payroll, for each and every payroll to the date his or her membership terminates. payments shall be made in the manner and shall be accompanied by such supporting data as the board shall from time to time prescribe. When paid to the system, each of the contributions shall be credited to the member from whose compensation the contributions were deducted. The contributions so deducted shall be treated as employee contributions for purposes of determining the member's pay that is includable in the member's gross income for federal income tax purposes.

4. Member contributions deducted and paid into the system by the county shall be paid from the same source of funds used for the payment of pay to a member. A deduction shall be made from each member's pay equal to the amount of the member's contributions picked up by the employer. This deduction, however, shall not reduce the member's pay for purposes of computing benefits under the retirement system under this chapter.

5. The contributions, although designated as employee contributions, shall be paid by the county in lieu of the contributions by the member. The member shall not have the option of choosing to receive the contributed amounts directly instead of having them paid by the county to the retirement system.

6. A former member who is not vested may request a refund of his or her contributions. Such refund shall be paid by the system after ninety days from the date of termination of employment or the request, whichever is later, and shall include all contributions made to any retirement plan administered by the system.

2. The board, at its last meeting of each calendar year, shall determine the monthly amount for medical insurance premiums to be paid to each retired member during the next following calendar year. The monthly amount shall not exceed four hundred fifty dollars. The monthly payments are at the discretion of the board on the advice of the actuary. The anticipated sum of all such payments during the year plus the annual normal cost plus the annual amount

best interest of the child, the children's division shall document in writing the reason for denial and shall have just cause to deny the emergency placement. The children's division shall continue the search for other relatives until the division locates the relatives of the child for placement or the court excuses further search. Prior to placement of the child in any emergency placement, the division shall assure that the child's physical needs are met.

2. For purposes of this section, the following terms shall mean:

(1) "Diligent search", an exhaustive effort to identify and locate the grandparents or relatives whose identity or location is unknown. **"Diligent search" shall include, but is not limited to:**

(a) Interviews with the child's parent during the course of an investigation, while child protective services are provided, and while such child is in care;

(b) Interviews with the child;

(c) Interviews with identified grandparents or relatives throughout the case;

(d) Interviews with any other person who is likely to have information about the identity or location of the person being sought;

(e) Comprehensive searches of databases available to the children's division;

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

(2) "Emergency placement", those limited instances when the children's division is placing for an initial placement a child in the home of private individuals, including neighbors, friends, or relatives, as a result of a sudden unavailability of the child's primary caretaker.

3. A diligent search shall be made to locate, contact, and notify the grandparent or grandparents of the child within three hours from the time the emergency placement is deemed necessary for the child. During such three-hour time period, the child may be placed in an emergency placement. If a grandparent or grandparents of the child cannot be located within the three-hour period, the child may be temporarily placed in emergency placement; except that, after the emergency placement is deemed necessary, the children's division shall continue a diligent search to contact, locate, and place the child with a grandparent or grandparents, or other relatives, with first consideration given to a grandparent for placement, subject to subsection 3 of section 210.565 regarding preference of placement.

4. A diligent search shall be made to locate, contact, and notify the relative or relatives of the child within thirty days from the time the emergency placement is deemed necessary for the child. The children's division shall continue the search for the relative or relatives until the division locates the relative or relatives of the child for placement, **for six months following the child's out-of-home placement**, or the court excuses further search, **whichever occurs first. The department shall resume search efforts if ordered by the court, a change in the child's placement occurs, or a party shows that continuing the search is in the best interests of the child.** The children's division, or an entity under contract with the division, shall use all

sources of information, including any known parent or relative, to attempt to locate an appropriate relative as placement.

5. [Search progress under subsection 3 or 4 of this section shall be reported at each court hearing until the grandparents or relatives are either located or the court excuses further search.] **The children's division shall file with the court information regarding attempts made under this section within thirty days from the date the child was removed from his or her home, or as otherwise required by the court, and at each periodic review hearing. Such information shall include:**

(1) A detailed narrative explaining the division's efforts to find and consider each potential placement and the specific outcome;

(2) The names of and relevant information about grandparents and relatives of the child;

(3) Steps taken by the division to locate and contact grandparents and relatives of the child;

(4) Responses received from grandparents and relatives of the child;

(5) Dates of each attempted or completed contact with a grandparent or relative of the child;

(6) Reasons why a grandparent or relative of the child was not considered for emergency or permanent placement of the child; and

(7) All efforts for placement of the child through an interstate compact agreement under section 210.620, including:

(a) The names of grandparents or relatives of the child who were considered for an interstate placement;

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

(b) Any pending placement of the child through an interstate compact agreement; and

(c) All potential out-of-state placements outside of an interstate compact agreement and the reasons such placements have not been initiated.

If an out-of-state placement option exists and the division has failed to file a request with the receiving state under the requirements of an interstate compact agreement under section 210.620, the court shall enter a finding that the division has not made a due diligence search and shall order the division to file a request with the receiving state under the terms of the interstate compact.

6. All grandparents or relatives to the child identified in a diligent search required by this section, subject to exceptions due to family or domestic violence or other safety concerns, shall be provided with notice, via certified mail as appropriate, that includes, but is not limited to:

(1) A specification that an alleged dependent child has been or is being removed from his or her parental custody;

(2) An explanation of the options a grandparent or relative has to participate in the care and placement of the alleged dependent child and any options that may be lost by failing to respond to the notice;

(3) A description of the process for becoming a licensed foster family home and the additional services and supports available for children placed in approved foster homes;

(4) A description of any financial assistance for which a grandparent or relative may be eligible; and

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

(5) An explanation that any response received after thirty days or willful failure to respond upon receiving a notice may result in the grandparent or relative of the child not being considered for placement.

7. If a grandparent or relative entitled to notice under this section fails to respond to the division, responds and declines to be considered as placement for the child, or is otherwise presently prevented from being considered as placement for the child and later petitions the court for a change in placement, such person shall provide evidence that such change is in the child's best interests.

8. Nothing in this section shall be construed or interpreted to interfere with or supersede laws related to parental rights or judicial authority.

210.565. 1. Whenever a child is placed in a foster home and the court has determined pursuant to subsection 4 of this section that foster home placement with relatives is not contrary to the best interest of the child, the children's division shall give foster home placement to relatives of the child. Notwithstanding any rule of the division to the contrary **and under section 210.305,** the children's division shall complete a diligent search to locate and notify the grandparents, adult siblings, parents of siblings of the child, and all other relatives and determine whether they wish to be considered for placement of the child. Grandparents who request consideration shall be given preference and first consideration for foster home placement of the child. If more than one grandparent requests consideration, the family support team shall make recommendations to the juvenile or family court about which grandparent should be considered for placement.

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

2. As used in this section, the following terms shall mean:

(1) "Adult sibling", any brother or sister of whole or half-blood who is at least eighteen years of age;

(2) "Relative", a grandparent or any other person related to another by blood or affinity or a person who is not so related to the child but has a close relationship with the child or the child's family. **A foster parent or kinship caregiver with whom a child has resided for nine months or more is a person who has a close relationship with the child.** The status of a grandparent shall not be affected by the death or the dissolution of the marriage of a son or daughter;

(3) "Sibling", one of two or more individuals who have one or both parents in common through blood, marriage, or adoption, including siblings as defined by the child's tribal code or custom.

3. The following shall be the order or preference for placement of a child under this section:

(1) Grandparents;

(2) Adult siblings or parents of siblings;

(3) Relatives **[**related by blood or affinity within the third degree**]**; **and**

(4) **[**Other relatives; and

(5)**]** Any foster parent who is currently licensed and capable of accepting placement of the child.

4. The preference for placement and first consideration for grandparents or preference for placement with other relatives created by this section shall only apply where the court finds that placement with such grandparents or other relatives is not contrary to the best interest of the child considering all circumstances. If the

court finds that it is contrary to the best interest of a child to be placed with grandparents or other relatives, the court shall make specific findings on the record detailing the reasons why the best interests of the child necessitate placement of the child with persons other than grandparents or other relatives. **Absent evidence to the contrary, the court may presume that continuation of the child's placement with his or her current caregivers is in the child's best interests.**

5. Recognizing the critical nature of sibling bonds for children, the children's division shall make reasonable efforts to place siblings in the same foster care, kinship, guardianship, or adoptive placement, unless doing so would be contrary to the safety or well-being of any of the siblings. If siblings are not placed together, the children's division shall make reasonable efforts to provide frequent visitation or other ongoing interaction between the siblings, unless this interaction would be contrary to a sibling's safety or well-being.

6. The age of the child's grandparent or other relative shall not be the only factor that the children's division takes into consideration when it makes placement decisions and recommendations to the court about placing the child with such grandparent or other relative.

7. For any Native American child placed in protective custody, the children's division shall comply with the placement requirements set forth in 25 U.S.C. Section 1915.

8. A grandparent or other relative may, on a case-by-case basis, have standards for licensure not related to safety waived for specific children in care that would otherwise impede licensing of the grandparent's or relative's home. In addition, any person receiving a

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

preference may be licensed in an expedited manner if a child is placed under such person's care.

9. The guardian ad litem shall ascertain the child's wishes and feelings about his or her placement by conducting an interview or interviews with the child, if appropriate based on the child's age and maturity level, which shall be considered as a factor in placement decisions and recommendations, but shall not supersede the preference for relative placement created by this section or be contrary to the child's best interests.

210.795. 1. (1) A child in the care and custody of the children's division whose physical whereabouts are unknown to the division, the child's physical custodian, or contracted service providers shall be considered missing and the case manager or placement provider shall immediately inform a law enforcement agency having jurisdiction and the National Center for Missing and Exploited Children within two hours of discovery that the child is missing.

(2) The case manager shall document the report number and any relevant information in the child's record.

(3) Within twenty-four hours of a report being made under this subsection, the department shall inform and obtain information about the child's disappearance from the child's parents, known relatives, out-of-home caregivers, attorney, guardian or guardian ad litem, court appointed special advocate, juvenile officer, or Indian tribe, as applicable, or from any other person known to the department who may have relevant information regarding the child's disappearance.

(4) The case manager shall:

(a) Within one week and monthly thereafter, maintain contact with the child's family members, friends, school

(b) Document ongoing efforts to locate the child; and

(c) Continue contacting law enforcement about the missing child and shall make quarterly reports to the court about the status of the child and efforts to locate the child.

The department shall contact law enforcement every seven days and document the information provided and any information received.

(5) The division shall not petition the court for a release of jurisdiction for the child or stop searching for the child while the child is missing until the child reaches the age of twenty-one.

2. The division shall maintain protocols, including appropriate trainings, for conducting ongoing searches for children missing from care. Such protocols shall include preventative measures to identify and mitigate risk to children who are at increased risk for running away or disappearing or of being victims of trafficking as defined under section 566.200.

3. The division shall ensure that each child in the care and custody of the division has an updated photograph in the child's record.

4. When a child is located, the department shall:

(1) Inform all law enforcement agencies and organizations involved in the child's case; and

(2) Have in-person contact with the child within twenty-four hours after the child is located to assess the child's health, experiences while absent, the appropriateness of the child returning to the child's

current placement, and the factors that contributed to the child's absence.

5. Any employee or contractor with the children's division, child welfare agencies, other state agencies, or schools shall, upon becoming aware that an emancipated minor as defined in section 302.178, a homeless youth as defined in section 167.020, or an unaccompanied minor as defined in section 210.121 is missing, inform the appropriate law enforcement agency and the National Center for Missing and Exploited Children within twenty-four hours.

6. Within twenty-four hours of a missing child being found, the division shall assess whether the child was a victim of trafficking and determine any factors that caused the child to go missing.

7. The general assembly may require an annual independent audit of the department's compliance with this section.

285.040. 1. As used in this section, "public safety employee" shall mean a person trained or authorized by law or rule to render emergency medical assistance or treatment, including, but not limited to, firefighters, **[**ambulance attendants and attendant drivers,**]** emergency medical technicians, **[**emergency medical technician paramedics,**]** dispatchers, registered nurses, physicians, and sheriffs and deputy sheriffs.

2. No public safety employee **or any other employee** of a city not within a county **[**who is hired prior to September 1, 2023,**]** shall be subject to a residency requirement of retaining a primary residence in a city not within a county but may be required to maintain a primary residence located within a one-hour response time.

287.067. 1. In this chapter the term "occupational disease" is hereby defined to mean, unless a different meaning is clearly indicated by the context, an identifiable disease arising with or without human fault out of and in the course of the employment. Ordinary diseases of life to which the general public is exposed outside of the employment shall not be compensable, except where the diseases follow as an incident of an occupational disease as defined in this section. The disease need not to have been foreseen or expected but after its contraction it must appear to have had its origin in a risk connected with the employment and to have flowed from that source as a rational consequence.

2. An injury or death by occupational disease is compensable only if the occupational exposure was the prevailing factor in causing both the resulting medical condition and disability. The "prevailing factor" is defined to be the primary factor, in relation to any other factor, causing both the resulting medical condition and disability. Ordinary, gradual deterioration, or progressive degeneration of the body caused by aging or by the normal activities of day-to-day living shall not be compensable.

3. An injury due to repetitive motion is recognized as an occupational disease for purposes of this chapter. An

occupational disease due to repetitive motion is compensable only if the occupational exposure was the prevailing factor in causing both the resulting medical condition and disability. The "prevailing factor" is defined to be the primary factor, in relation to any other factor, causing both the resulting medical condition and disability. Ordinary, gradual deterioration, or progressive degeneration of the body caused by aging or by the normal activities of day-to-day living shall not be compensable.

4. "Loss of hearing due to industrial noise" is recognized as an occupational disease for purposes of this chapter and is hereby defined to be a loss of hearing in one or both ears due to prolonged exposure to harmful noise in employment. "Harmful noise" means sound capable of producing occupational deafness.

5. "Radiation disability" is recognized as an occupational disease for purposes of this chapter and is hereby defined to be that disability due to radioactive properties or substances or to Roentgen rays (X-rays) or exposure to ionizing radiation caused by any process involving the use of or direct contact with radium or radioactive properties or substances or the use of or direct exposure to Roentgen rays (X-rays) or ionizing radiation.

6. Disease of the lungs or respiratory tract, hypotension, hypertension, or disease of the heart or cardiovascular system, including carcinoma, may be recognized as occupational diseases for the purposes of this chapter and are defined to be disability due to exposure to smoke, gases, carcinogens, inadequate oxygen, of paid firefighters of a paid fire department or paid police officers of a paid police department certified under chapter 590 if a direct causal relationship is established, or

psychological stress of firefighters of a paid fire department or paid peace officers of a police department who are certified under chapter 590 if a direct causal relationship is established.

7. Any employee who is exposed to and contracts any contagious or communicable disease arising out of and in the course of his or her employment shall be eligible for benefits under this chapter as an occupational disease.

8. With regard to occupational disease due to repetitive motion, if the exposure to the repetitive motion which is found to be the cause of the injury is for a period of less than three months and the evidence demonstrates that the exposure to the repetitive motion with the immediate prior employer was the prevailing factor in causing the injury, the prior employer shall be liable for such occupational disease.

9. (1) (a) Posttraumatic stress disorder (PTSD), as described in the Diagnostic and Statistical Manual of Mental Health Disorders, Fifth Edition, published by the American Psychiatric Association, (DSM-5) is recognized as a compensable occupational disease for purposes of this chapter when diagnosed in a first responder, as that term is defined under section 67.145.

(b) Benefits payable to a first responder under this section shall not require a physical injury to the first responder, and are not subject to any preexisting PTSD.

(c) Benefits payable to a first responder under this section are compensable only if demonstrated by clear and convincing evidence that PTSD has resulted from the course and scope of employment, and the first responder is examined and diagnosed with PTSD by an authorized treating physician,

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

due to the first responder experiencing one of the following qualifying events:

a. Seeing for oneself a deceased minor;

b. Witnessing directly the death of a minor;

c. Witnessing directly the injury to a minor who subsequently died prior to or upon arrival at a hospital emergency department, participating in the physical treatment of, or manually transporting, an injured minor who subsequently died prior to or upon arrival at a hospital emergency department;

d. Seeing for oneself a person who has suffered serious physical injury of a nature that shocks the conscience;

e. Witnessing directly a death, including suicide, due to serious physical injury; or homicide, including murder, mass killings, manslaughter, self-defense, misadventure, and negligence;

h. Involvement in an event that caused or may have caused serious injury or harm to the first responder or had the potential to cause the death of the first responder, whether accidental or by an intentional act of another individual.

(2) The time for notice of injury or death in cases of compensable PTSD under this section is measured from

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

exposure to one of the qualifying stressors listed in the DSM-5 criteria, or the diagnosis of the disorder, whichever is later. Any claim for compensation for such injury shall be properly noticed within fifty-two weeks after the qualifying exposure, or the diagnosis of the disorder, whichever is later.

Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2020, shall be invalid and void.

197.135. 1. Beginning January 1, 2023, **or no later than six months after the establishment of the statewide telehealth network under section 192.2520, whichever is later,** any hospital licensed under this chapter shall perform a forensic examination using an evidentiary collection kit upon the request and consent of the victim of a sexual offense, or the victim's guardian, when the victim is at least fourteen years of age. In the case of minor consent, the provisions of subsection 2 of section 595.220 shall apply. Victims under fourteen years of age shall be referred, **and victims fourteen years of age or older but less than eighteen years of age may be referred,** to a SAFE CARE provider, as such term is defined in section 334.950, for medical or forensic evaluation and case review. Nothing in this section shall be interpreted to preclude a hospital from performing a forensic examination for a victim under fourteen years of age upon the request and consent of the victim or victim's guardian, subject to the provisions of section 595.220 and the rules promulgated by the department of public safety.

2. **(1)** An appropriate medical provider, as such term is defined in section 595.220, shall perform the forensic examination of a victim of a sexual offense. The hospital shall ensure that any provider performing the examination has received training conducting such examinations that is, at a minimum, equivalent to the training offered by the statewide telehealth network under subsection 4 of section 192.2520. **Nothing in this section shall require providers to utilize the training offered by the statewide telehealth network, as long as the training utilized is, at a minimum, equivalent to the training offered by the statewide telehealth network.**

(2) If the provider is not a sexual assault nurse examiner (SANE), or another similarly trained physician or nurse, then the hospital shall utilize telehealth services during the examination, such as those provided by the statewide telehealth network, to provide guidance and support through a SANE, or other similarly trained physician or nurse, who may observe the live forensic examination and who shall communicate with and support the onsite provider with the examination, forensic evidence collection, and proper transmission and storage of the examination evidence.

3. The department of health and senior services may issue a waiver of the telehealth requirements of subsection 2 of this section if the hospital demonstrates to the department, in writing, a technological hardship in accessing telehealth services or a lack of access to adequate broadband services sufficient to access telehealth services. Such waivers shall be granted sparingly and for no more than a year in length at a time, with the opportunity for renewal at the department's discretion.

4. The department shall waive the requirements of this section if the statewide telehealth network established under section 192.2520 ceases operation, the director of the department of health and senior services has provided written notice to hospitals licensed under this chapter that the network has ceased operation, and the hospital cannot, in good faith, comply with the requirements of this section without assistance or resources of the statewide telehealth network. Such waiver shall remain in effect until such time as the statewide telehealth network resumes operation or until the hospital is able to demonstrate compliance with the provisions of this section without the assistance or resources of the statewide telehealth network.

5. The provisions of section 595.220 shall apply to the reimbursement of the reasonable costs of the examinations and the provision of the evidentiary collection kits.

6. No individual hospital shall be required to comply with the provisions of this section and section 192.2520 unless and until the department provides such hospital with access to the statewide telehealth network for the purposes of mentoring and training services required under section 192.2520 without charge to the hospital.

211.012. For purposes of this chapter, section 221.044, and the original jurisdiction of the juvenile court, a person shall not be considered a child if, at the time the alleged offense or violation was committed, the person was considered an adult according to then-existing law.

211.072. 1. A juvenile under eighteen years of age who has been certified to stand trial as an adult for offenses pursuant to section 211.071, if currently placed in

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

a secure juvenile detention facility, shall remain in a secure juvenile detention facility pending finalization of the judgment and completion of appeal, if any, of the judgment dismissing the juvenile petition to allow for prosecution under the general law unless otherwise ordered by the juvenile court. Upon the judgment dismissing the petition to allow prosecution under the general laws becoming final and adult charges being filed, if the juvenile is currently in a secure juvenile detention facility, the juvenile shall remain in such facility unless the juvenile posts bond or the juvenile is transferred to an adult jail. If the juvenile officer does not believe juvenile detention would be the appropriate placement or would continue to serve as the appropriate placement, the juvenile officer may file a motion in the adult criminal case requesting that the juvenile be transferred from a secure juvenile detention facility to an adult jail. The court shall hear evidence relating to the appropriateness of the juvenile remaining in a secure juvenile detention facility or being transferred to an adult jail. At such hearing, the following shall have the right to be present and have the opportunity to present evidence and recommendations at such hearing: the juvenile; the juvenile's parents; the juvenile's counsel; the prosecuting attorney; the juvenile officer or his or her designee for the circuit in which the juvenile was certified; the juvenile officer or his or her designee for the circuit in which the pre-trial certified juvenile is proposed to be held, if different from the circuit in which the juvenile was certified; counsel for the juvenile officer; and representatives of the county proposed to have custody of the pre-trial certified juvenile.

2. Following the hearing, the court shall order that the juvenile continue to be held in a secure juvenile detention facility subject to all Missouri juvenile detention standards, or the court shall order that the pre-trial certified juvenile be held in an adult jail but only after the court has made findings that it would be in the best interest of justice to move the pre-trial certified juvenile to an adult jail. The court shall weigh the following factors when deciding whether to detain a certified juvenile in an adult facility:

(1) The certified juvenile's age;

(2) The certified juvenile's physical and mental maturity;

(3) The certified juvenile's present mental state, including whether he or she presents an imminent risk of self-harm;

(4) The nature and circumstances of the charges;

(5) The certified juvenile's history of delinquency;

(6) The relative ability of the available adult and juvenile facilities to both meet the needs of the certified juvenile and to protect the public and other youth in their custody;

(7) The opinion of the juvenile officer in the circuit of the proposed placement as to the ability of that juvenile detention facility to provide for appropriate care, custody, and control of the pre-trial certified juvenile; and

(8) Any other relevant factor.

3. In the event the court finds that it is in the best interest of justice to require the certified juvenile to be held in an adult jail, the court shall hold a hearing once every thirty days to determine whether the placement of the

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

certified juvenile in an adult jail is still in the best interests of justice.

4. A certified juvenile cannot be held in an adult jail for more than one hundred eighty days unless the court finds, for good cause, that an extension is necessary or the juvenile, through counsel, waives the one hundred eighty day maximum period. If no extension is granted under this subsection, the certified juvenile shall be transferred from the adult jail to a secure juvenile detention facility.

5. Effective December 31, 2021, all previously pre-trial certified juveniles under eighteen years of age who had been certified prior to August 28, 2021, shall be transferred from adult jail to a secure juvenile detention facility, unless a hearing is held and the court finds, based upon the factors in subsection 2 of this section, that it would be in the best interest of justice to keep the juvenile in the adult jail.

6. All pre-trial certified juveniles under eighteen years of age who are held in adult jails pursuant to the best interest of justice exception shall continue to be subject to the protections of the Prison Rape Elimination Act (PREA) and shall be physically separated from adult inmates.

7. If the certified juvenile remains in juvenile detention, the juvenile officer may file a motion to reconsider placement. The court shall consider the factors set out in subsection 2 of this section and the individuals set forth in subsection 1 of this section shall have a right to be present and present evidence. The court may amend its earlier order in light of the evidence and arguments presented at the hearing if the court finds that it would

not be in the best interest of justice for the juvenile to remain in a secure juvenile detention facility.

8. Issues related to the setting of, and posting of, bond along with any bond forfeiture proceedings shall be held in the pre-trial certified juvenile's adult criminal case.

9. Upon attaining eighteen years of age or upon conviction on the adult charges, the juvenile shall be transferred from juvenile detention to the appropriate adult facility.

10. Any responsibility for transportation of and contracted service for the certified juvenile who remains in a secure juvenile detention facility shall be handled in the same manner as in all other adult criminal cases where the defendant is in custody.

11. The per diem provisions as set forth in section 211.156 shall apply to certified juveniles who are being held in a secure juvenile detention facility.

211.181. 1. When a child is found by the court to come within the applicable provisions of subdivision (1) of subsection 1 of section 211.031, the court shall so decree and make a finding of fact upon which it exercises its jurisdiction over the child, and the court may, by order duly entered, proceed as follows:

(1) Place the child under supervision in his or her own home or in the custody of a relative or other suitable person after the court or a public agency or institution designated by the court conducts an investigation of the home, relative or person and finds such home, relative or person to be suitable and upon such conditions as the court may require;

(2) Commit the child to the custody of:

(5) The court may order, pursuant to subsection 2 of section 211.081, that the child receive the necessary services in the least restrictive appropriate environment including home and community-based services, treatment and support, based on a coordinated, individualized treatment plan. The individualized treatment plan shall be approved by the court and developed by the applicable state agencies responsible for providing or paying for any and all appropriate and necessary services, subject to

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

appropriation, and shall include which agencies are going to pay for and provide such services. Such plan must be submitted to the court within thirty days and the child's family shall actively participate in designing the service plan for the child;

(6) The department of social services, in conjunction with the department of mental health, shall apply to the United States Department of Health and Human Services for such federal waivers as required to provide services for such children, including the acquisition of community-based services waivers.

2. When a child is found by the court to come within the provisions of subdivision (2) of subsection 1 of section 211.031, the court shall so decree and upon making a finding of fact upon which it exercises its jurisdiction over the child, the court may, by order duly entered, proceed as follows:

(d) The juvenile officer;

(3) Place the child in a family home;

(4) Cause the child to be examined and treated by a physician, psychiatrist or psychologist and when the health or condition of the child requires it, cause the child to be placed in a public or private hospital, clinic or institution for treatment and care; except that, nothing contained herein authorizes any form of compulsory medical, surgical, or psychiatric treatment of a child whose parents or guardian in good faith are providing other remedial treatment recognized or permitted under the laws of this state;

(5) Assess an amount of up to ten dollars to be paid by the child to the clerk of the court.

Execution of any order entered by the court pursuant to this subsection, including a commitment to any state agency, may be suspended and the child placed on probation subject to such conditions as the court deems reasonable. (2) Commit the child to the custody of:

(4) Place the child in a family home;

(5) Cause the child to be examined and treated by a physician, psychiatrist or psychologist and when the health or condition of the child requires it, cause the child to be placed in a public or private hospital, clinic or institution for treatment and care; except that, nothing contained herein authorizes any form of compulsory medical, surgical, or psychiatric treatment of a child whose parents or guardian in good faith are providing other remedial treatment recognized or permitted under the laws of this state;

In determining the amount or extent of the damage, the court may order the juvenile officer to prepare a report and may receive other evidence necessary for such determination. The child and his or her attorney shall have access to any reports which may be prepared, and shall have the right to present evidence at any hearing held to ascertain the amount of damages. Any restitution or reparation ordered shall be reasonable in view of the child's ability to make payment or to perform the reparation. The court may require the clerk of the circuit court to act as receiving and disbursing agent for any payment ordered;

(8) Order the child to a term of community service under the supervision of the court or of an organization selected by the court. Every person, organization, and agency, and each employee thereof, charged with the supervision of a child under this subdivision, or who benefits from any services performed as a result of an order issued under this subdivision, shall be immune from any suit by the child ordered to perform services under this subdivision, or any person deriving a cause of action from such child, if such cause of action arises from the supervision of the child's performance of services under this subdivision and if such cause of action does not arise from an intentional tort. A child ordered to perform services under this subdivision shall not be deemed an employee within the meaning of the provisions of chapter 287, nor shall the services of such child be deemed employment within the meaning of the provisions of chapter 288. Execution of any order entered by the court, including a commitment to any state agency, may be suspended and the child placed on probation subject to such conditions as the court deems reasonable. After a hearing, probation may be revoked and the suspended order executed;

4. Beginning January 1, 1996, the court may set forth in the order of commitment the minimum period during which

the child shall remain in the custody of the division of youth services. No court order shall require a child to remain in the custody of the division of youth services for a period which exceeds the child's [eighteenth] **nineteenth** birth date except upon petition filed by the division of youth services pursuant to subsection 1 of section 219.021. In any order of commitment of a child to the custody of the division of youth services, the division shall determine the appropriate program or placement pursuant to subsection 3 of section 219.021. Beginning January 1, 1996, the department shall not discharge a child from the custody of the division of youth services before the child completes the length of stay determined by the court in the commitment order unless the committing court orders otherwise. The director of the division of youth services may at any time petition the court for a review of a child's length of stay commitment order, and the court may, upon a showing of good cause, order the early discharge of the child from the custody of the division of youth services. The division may discharge the child from the division of youth services without a further court order after the child completes the length of stay determined by the court or may retain the child for any period after the completion of the length of stay in accordance with the law.

2. The court shall appoint counsel for a child prior to the filing of a petition if a request is made therefor to the court and the court finds that the child is the subject of a juvenile court proceeding and that the child making the request is indigent.

3. **(1)** When a petition has been filed under subdivision (2) or (3) of subsection 1 of section 211.031, the court **[**shall**]** **may** appoint counsel for the child except if private counsel has entered his or her appearance on behalf of the child or if counsel has been waived in accordance with law; **except that, counsel shall not be waived for any proceeding specified under subsection 10 of this section unless the child has had the opportunity to meaningfully consult with counsel and the court has conducted a hearing on the record.**

(2) If a child waives his or her right to counsel, such waiver shall be made in open court and be recorded and in writing and shall be made knowingly, intelligently, and voluntarily. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2001, shall be invalid and void.

217.199. 1. As used in this section, the following terms mean:

(1) "Appropriate quantity", an amount per day capable of satisfying the individual need of the offender if used for the feminine hygiene product's intended purpose;

(2) "Feminine hygiene products", tampons and sanitary napkins.

2. The director shall ensure that an appropriate quantity of feminine hygiene products are available at no cost to female offenders while confined in any correctional center of the department. The director shall ensure that the feminine hygiene products conform with applicable industry standards.

3. The general assembly may appropriate funds to assist the director in satisfying the requirements of this section.

217.250. Whenever any offender is afflicted with a disease which is terminal, or is advanced in age to the extent that the offender is in need of long-term nursing home care, or when confinement will necessarily greatly endanger or shorten the offender's life, the correctional center's physician shall certify such facts to the chief medical administrator, stating the nature of the disease. The chief medical administrator with the approval of the director will then forward the certificate to the **[**board of probation and**]** parole **board** who in their discretion may grant a medical parole or at their discretion may recommend to the governor the granting or denial of a commutation.

217.270. All correctional employees shall:

(1) Grant to members of the state **[**board of probation and**]** parole **board** or its properly accredited representatives access at all reasonable times to any offender;

(2) Furnish to the board the reports that the board requires concerning the conduct and character of any offender in their custody; and

(3) Furnish any other facts deemed pertinent by the board in the determination of whether an offender shall be paroled.

217.362. 1. The department of corrections shall design and implement an intensive long-term program for the treatment of chronic nonviolent offenders with serious substance abuse addictions who have not pleaded guilty to or been convicted of a dangerous felony as defined in section 556.061.

2. Prior to sentencing, any judge considering an offender for this program shall notify the department. The potential candidate for the program shall be screened by the department to determine eligibility. The department shall, by regulation, establish eligibility criteria and inform the court of such criteria. The department shall notify the court as to the offender's eligibility and the availability of space in the program. Notwithstanding any other provision of law to the contrary, except as provided for in section 558.019, if an offender is eligible and there is adequate space, the court may sentence a person to the program which shall consist of institutional drug or alcohol treatment for a period of at least twelve and no more than twenty-four months, as well as a term of incarceration. The department shall determine the nature, intensity, duration, and completion criteria of the education, treatment, and aftercare portions of any program services provided. Execution of the offender's term of incarceration shall be suspended pending completion of said program. Allocation of space in the program may be distributed by the department in

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

proportion to drug arrest patterns in the state. If the court is advised that an offender is not eligible or that there is no space available, the court shall consider other authorized dispositions.

3. Upon successful completion of the program, the **[**board**]** **division** of probation and parole shall advise the sentencing court of an offender's probationary release date thirty days prior to release. If the court determines that probation is not appropriate the court may order the execution of the offender's sentence.

4. If it is determined by the department that the offender has not successfully completed the program, or that the offender is not cooperatively participating in the program, the offender shall be removed from the program and the court shall be advised. Failure of an offender to complete the program shall cause the offender to serve the sentence prescribed by the court and void the right to be considered for probation on this sentence.

5. An offender's first incarceration in a department of corrections program pursuant to this section prior to release on probation shall not be considered a previous prison commitment for the purpose of determining a minimum prison term pursuant to the provisions of section 558.019.

217.364. 1. The department of corrections shall establish by regulation the "Offenders Under Treatment Program". The program shall include institutional placement of certain offenders, as outlined in subsection 3 of this section, under the supervision and control of the department of corrections. The department shall establish rules determining how, when and where an offender shall be admitted into or removed from the program.

2. As used in this section, the term "offenders under treatment program" means a one-hundred-eighty-day institutional correctional program for the monitoring, control and treatment of certain substance abuse offenders and certain nonviolent offenders followed by placement on parole with continued supervision.

3. The following offenders may participate in the program as determined by the department:

(1) Any nonviolent offender who has not previously been remanded to the department and who has been found guilty of violating the provisions of chapter 195 or 579 or whose substance abuse was a precipitating or contributing factor in the commission of his **or her** offense; or

(2) Any nonviolent offender who has pled guilty or been found guilty of a crime which did not involve the use of a weapon, and who has not previously been remanded to the department.

4. This program shall be used as an intermediate sanction by the department. The program may include education, treatment and rehabilitation programs. If an offender successfully completes the institutional phase of the program, the department shall notify the **[**board of probation and**]** parole **board** within thirty days of completion. Upon notification from the department that the offender has successfully completed the program, the **[**board of probation and**]** parole **board** may at its discretion release the offender on parole as authorized in subsection 1 of section 217.690.

5. The availability of space in the institutional program shall be determined by the department of corrections.

6. If the offender fails to complete the program, the offender shall be taken out of the program and shall serve the remainder of his **or her** sentence with the department.

7. Time spent in the program shall count as time served on the sentence.

217.455. The request provided for in section 217.450 shall be delivered to the director, who shall forthwith:

(1) Certify the term of commitment under which the offender is being held, the time already served, the time remaining to be served on the sentence, the time of parole eligibility of the offender, and any decisions of the state **[**board of probation and**]** parole **board** relating to the offender; and

(2) Send by registered or certified mail, return receipt requested, one copy of the request and certificate to the court and one copy to the prosecuting attorney to whom it is addressed.

217.541. 1. The department shall by rule establish a program of house arrest. The director or his **or her** designee may extend the limits of confinement of offenders serving sentences for class D or E felonies who have one year or less remaining prior to release on parole, conditional release, or discharge to participate in the house arrest program.

2. The offender referred to the house arrest program shall remain in the custody of the department and shall be subject to rules and regulations of the department pertaining to offenders of the department until released on parole or conditional release by the state **[**board of probation and**]** parole **board**.

3. The department shall require the offender to participate in work or educational or vocational programs

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

and other activities that may be necessary to the supervision and treatment of the offender.

4. An offender released to house arrest shall be authorized to leave his **or her** place of residence only for the purpose and time necessary to participate in the program and activities authorized in subsection 3 of this section.

5. The **[**board**]** **division** of probation and parole shall supervise every offender released to the house arrest program and shall verify compliance with the requirements of this section and such other rules and regulations that the department shall promulgate and may do so by remote electronic surveillance. If any probation/parole officer has probable cause to believe that an offender under house arrest has violated a condition of the house arrest agreement, the probation/parole officer may issue a warrant for the arrest of the offender. The probation/parole officer may effect the arrest or may deputize any officer with the power of arrest to do so by giving the officer a copy of the warrant which shall outline the circumstances of the alleged violation. The warrant delivered with the offender by the arresting officer to the official in charge of any jail or other detention facility to which the offender is brought shall be sufficient legal authority for detaining the offender. An offender arrested under this section shall remain in custody or incarcerated without consideration of bail. The director or his **or her** designee, upon recommendation of the probation and parole officer, may direct the return of any offender from house arrest to a correctional facility of the department for reclassification.

6. Each offender who is released to house arrest shall pay a percentage of his **or her** wages, established by department rules, to a maximum of the per capita cost of the

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

house arrest program. The money received from the offender shall be deposited in the inmate fund and shall be expended to support the house arrest program.

217.650. As used in sections 217.650 to 217.810, unless the context clearly indicates otherwise, the following terms mean:

(1) **[**"Board", the state board of probation and parole;

(4) "Parole board", the state board of parole;

(5) "Prerelease program", a program relating to an offender's preparation for, or orientation to, supervision by the **[**board**]** **division of probation and parole** immediately prior to or immediately after assignment of the offender to the **[**board**]** **division of probation and parole** for supervision;

(6) "Pretrial program", a program relating to the investigation or supervision of persons referred or assigned to the **[**board**]** **division of probation and parole** prior to their conviction;

(7) "Probation", a procedure under which a defendant found guilty of a crime upon verdict or plea is released by

the court without imprisonment, subject to conditions imposed by the court and subject to the supervision of the **[**board**]** **division of probation and parole**;

(8) "Recognizance program", a program relating to the release of an individual from detention who is under arrest for an offense for which he **or she** may be released as provided in section 544.455.

217.655. 1. The parole board shall be responsible for determining whether a person confined in the department shall be paroled or released conditionally as provided by section 558.011. The **parole** board shall receive administrative support from the division of probation and parole. The division of probation and parole shall provide supervision to all persons referred by the circuit courts of the state as provided by sections 217.750 and 217.760. The **parole** board shall exercise independence in making decisions about individual cases, but operate cooperatively within the department and with other agencies, officials, courts, and stakeholders to achieve systemic improvement including the requirements of this section.

2. The **parole** board shall adopt parole guidelines to:

(1) Preserve finite prison capacity for the most serious and violent offenders;

(2) Release supervision-manageable cases consistent with section 217.690;

(3) Use finite resources guided by validated risk and needs assessments;

(4) Support a seamless reentry process;

3. The **parole** board shall collect, analyze, and apply data in carrying out its responsibilities to achieve its mission and end goals. The **parole** board shall establish agency performance and outcome measures that are directly responsive to statutory responsibilities and consistent with agency goals for release decisions, supervision, revocation, recidivism, and caseloads.

4. The **parole** board shall publish parole data, including grant rates, revocation and recidivism rates, length of time served, and successful supervision completions, and other performance metrics.

5. The **chairperson of the parole** board shall **employ such employees as necessary to carry out its responsibilities, serve as the appointing authority over such employees, and** provide for appropriate training to members and staff, including communication skills.

6. The division of probation and parole shall provide such programs as necessary to carry out its responsibilities consistent with its goals and statutory obligations.

217.690. 1. All releases or paroles shall issue upon order of the **parole** board, duly adopted.

2. Before ordering the parole of any offender, the **parole** board shall conduct a validated risk and needs assessment and evaluate the case under the rules governing parole that are promulgated by the **parole** board. The **parole** board shall then have the offender appear before a hearing panel and shall conduct a personal interview with him **or her**, unless waived by the offender, or if the guidelines indicate the offender may be paroled without need for an interview. The guidelines and rules shall not allow for the waiver of a hearing if a victim requests a hearing. The appearance or presence may occur by means of a

videoconference at the discretion of the **parole** board. A parole may be ordered for the best interest of society when there is a reasonable probability, based on the risk assessment and indicators of release readiness, that the person can be supervised under parole supervision and successfully reintegrated into the community, not as an award of clemency; it shall not be considered a reduction of sentence or a pardon. Every offender while on parole shall remain in the legal custody of the department but shall be subject to the orders of the **parole** board.

3. The division of probation and parole has discretionary authority to require the payment of a fee, not to exceed sixty dollars per month, from every offender placed under division supervision on probation, parole, or conditional release, to waive all or part of any fee, to sanction offenders for willful nonpayment of fees, and to contract with a private entity for fee collections services. All fees collected shall be deposited in the inmate fund established in section 217.430. Fees collected may be used to pay the costs of contracted collections services. The fees collected may otherwise be used to provide community corrections and intervention services for offenders. Such services include substance abuse assessment and treatment, mental health assessment and treatment, electronic monitoring services, residential facilities services, employment placement services, and other offender community corrections or intervention services designated by the division of probation and parole to assist offenders to successfully complete probation, parole, or conditional release. The **[**board**]** **division of probation and parole** shall adopt rules not inconsistent with law, in accordance with section 217.040, with respect to sanctioning offenders and

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

with respect to establishing, waiving, collecting, and using fees.

4. The **parole** board shall adopt rules not inconsistent with law, in accordance with section 217.040, with respect to the eligibility of offenders for parole, the conduct of parole hearings or conditions to be imposed upon paroled offenders. Whenever an order for parole is issued it shall recite the conditions of such parole.

5. When considering parole for an offender with consecutive sentences, the minimum term for eligibility for parole shall be calculated by adding the minimum terms for parole eligibility for each of the consecutive sentences, except the minimum term for parole eligibility shall not exceed the minimum term for parole eligibility for an ordinary life sentence.

6. Any offender under a sentence for first degree murder who has been denied release on parole after a parole hearing shall not be eligible for another parole hearing until at least three years from the month of the parole denial; however, this subsection shall not prevent a release pursuant to subsection 4 of section 558.011.

7. A victim who has requested an opportunity to be heard shall receive notice that the **parole** board is conducting an assessment of the offender's risk and readiness for release and that the victim's input will be particularly helpful when it pertains to safety concerns and specific protective measures that may be beneficial to the victim should the offender be granted release.

8. Parole hearings shall, at a minimum, contain the following procedures:

(1) The victim or person representing the victim who attends a hearing may be accompanied by one other person;

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

(2) The victim or person representing the victim who attends a hearing shall have the option of giving testimony in the presence of the inmate or to the hearing panel without the inmate being present;

(3) The victim or person representing the victim may call or write the parole board rather than attend the hearing;

(4) The victim or person representing the victim may have a personal meeting with a **parole** board member at the **parole** board's central office;

(5) The judge, prosecuting attorney or circuit attorney and a representative of the local law enforcement agency investigating the crime shall be allowed to attend the hearing or provide information to the hearing panel in regard to the parole consideration; and

(6) The **parole** board shall evaluate information listed in the juvenile sex offender registry pursuant to section 211.425, provided the offender is between the ages of seventeen and twenty-one, as it impacts the safety of the community.

9. The **parole** board shall notify any person of the results of a parole eligibility hearing if the person indicates to the **parole** board a desire to be notified.

10. The **parole** board may, at its discretion, require any offender seeking parole to meet certain conditions during the term of that parole so long as said conditions are not illegal or impossible for the offender to perform. These conditions may include an amount of restitution to the state for the cost of that offender's incarceration.

11. Special parole conditions shall be responsive to the assessed risk and needs of the offender or the need for extraordinary supervision, such as electronic monitoring.

The **parole** board shall adopt rules to minimize the conditions placed on low-risk cases, to frontload conditions upon release, and to require the modification and reduction of conditions based on the person's continuing stability in the community. **Parole** board rules shall permit parole conditions to be modified by parole officers with review and approval by supervisors.

12. Nothing contained in this section shall be construed to require the release of an offender on parole nor to reduce the sentence of an offender heretofore committed.

13. Beginning January 1, 2001, the **parole** board shall not order a parole unless the offender has obtained a high school diploma or its equivalent, or unless the **parole** board is satisfied that the offender, while committed to the custody of the department, has made an honest good-faith effort to obtain a high school diploma or its equivalent; provided that the director may waive this requirement by certifying in writing to the **parole** board that the offender has actively participated in mandatory education programs or is academically unable to obtain a high school diploma or its equivalent.

14. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

authority and any rule proposed or adopted after August 28, 2005, shall be invalid and void.

217.692. 1. Notwithstanding any other provision of law to the contrary, any offender incarcerated in a correctional institution serving any sentence of life with no parole for fifty years or life without parole, whose plea of guilt was entered or whose trial commenced prior to December 31, 1990, and who:

(1) Pleaded guilty to or was found guilty of a homicide of a spouse or domestic partner;

(2) Has no prior violent felony convictions;

(3) No longer has a cognizable legal claim or legal recourse; and

(4) Has a history of being a victim of continual and substantial physical or sexual domestic violence that was not presented as an affirmative defense at trial or sentencing and such history can be corroborated with evidence of facts or circumstances which existed at the time of the alleged physical or sexual domestic violence of the offender, including but not limited to witness statements, hospital records, social services records, and law enforcement records;

shall be eligible for parole after having served fifteen years of such sentence when the **parole** board determines by using the guidelines established by this section that there is a strong and reasonable probability that the person will not thereafter violate the law.

2. The **[**board of probation and**]** parole **board** shall give a thorough review of the case history and prison record of any offender described in subsection 1 of this section. At the end of the **parole** board's review, the **parole** board

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

shall provide the offender with a copy of a statement of reasons for its parole decision.

3. Any offender released under the provisions of this section shall be under the supervision of the **[**parole board**]** **division of probation and parole** for an amount of time to be determined by the **parole** board.

4. The parole board shall consider, but not be limited to the following criteria when making its parole decision:

(1) Length of time served;

(2) Prison record and self-rehabilitation efforts;

(3) Whether the history of the case included corroborative material of physical, sexual, mental, or emotional abuse of the offender, including but not limited to witness statements, hospital records, social service records, and law enforcement records;

(4) If an offer of a plea bargain was made and if so, why the offender rejected or accepted the offer;

(5) Any victim information outlined in subsection 8 of section 217.690 and section 595.209;

(6) The offender's continued claim of innocence;

(7) The age and maturity of the offender at the time of the **parole** board's decision;

(8) The age and maturity of the offender at the time of the crime and any contributing influence affecting the offender's judgment;

(9) The presence of a workable parole plan; and

(10) Community and family support.

5. Nothing in this section shall limit the review of any offender's case who is eligible for parole prior to fifteen years, nor shall it limit in any way the parole board's power to grant parole prior to fifteen years.

6. Nothing in this section shall limit the review of any offender's case who has applied for executive clemency, nor shall it limit in any way the governor's power to grant clemency.

7. It shall be the responsibility of the offender to petition the **parole** board for a hearing under this section.

8. A person commits the crime of perjury if he or she, with the purpose to deceive, knowingly makes a false witness statement to the **parole** board. Perjury under this section shall be a class D felony.

9. In cases where witness statements alleging physical or sexual domestic violence are in conflict as to whether such violence occurred or was continual and substantial in nature, the history of such alleged violence shall be established by other corroborative evidence in addition to witness statements, as provided by subsection 1 of this section. A contradictory statement of the victim shall not be deemed a conflicting statement for purposes of this section.

217.695. 1. As used in this section, the following terms mean:

2. Each offender to be released from custody of the department who will be under the supervision of the **[**board**]** **division of probation and parole**, except an offender

transferred to another state pursuant to the interstate corrections compact, shall shortly before release be required to: complete a registration form indicating his **or her** intended address upon release, employer, parent's address, and such other information as may be required; submit to photographs; submit to fingerprints; or undergo other identification procedures including but not limited to hair samples or other identification indicia. All data and indicia of identification shall be compiled in duplicate, with one set to be retained by the department, and one set for the chief law enforcement official of the county of intended residence.

3. Any offender subject to the provisions of this section who changes his **or her** county of residence shall, in addition to notifying the **[**board**]** **division** of probation and parole, notify and register with the chief law enforcement official of the county of residence within seven days after he **or she** changes his **or her** residence to that county.

4. Failure by an offender to register with the chief law enforcement official upon a change in the county of his **or her** residence shall be cause for revocation of the parole of the person except for good cause shown.

5. The department, the **[**board**]** **division of probation and parole**, and the chief law enforcement official shall cause the information collected on the initial registration and any subsequent changes in residence or registration to be recorded with the highway patrol criminal information system.

6. The director of the department of public safety shall design and distribute the registration forms required by this section and shall provide any administrative

assistance needed to facilitate the provisions of this section.

217.710. 1. Probation and parole officers, supervisors and members of the **[**board of probation and**]** parole **board**, who are certified pursuant to the requirements of subsection 2 of this section shall have the authority to carry their firearms at all times. The department of corrections shall promulgate policies and operating regulations which govern the use of firearms by probation and parole officers, supervisors and members of the **parole** board when carrying out the provisions of sections 217.650 to 217.810. Mere possession of a firearm shall not constitute an employment activity for the purpose of calculating compensatory time or overtime.

2. 5. The department shall furnish such ammunition as is necessary for the performance of the officer's, supervisor's and member's duties.

6. Any rule or portion of a rule, as that term is defined in section 536.010, that is promulgated under the authority of this chapter, shall become effective only if the agency has fully complied with all of the requirements of chapter 536 including but not limited to, section 536.028, if applicable, after August 28, 1998. All rulemaking authority delegated prior to August 28, 1998, is of no force and effect and repealed as of August 28, 1998, however nothing in section 571.030 or this section shall be interpreted to repeal or affect the validity of any rule adopted and promulgated prior to August 28, 1998. If the provisions of section 536.028 apply, the provisions of this section are nonseverable and if any of the powers vested with the general assembly pursuant to section 536.028 to review, to delay the effective date, or to disapprove and annul a rule or portion of a rule are held unconstitutional or invalid, the purported grant of rulemaking authority and any rule so proposed and contained in the order of rulemaking shall be invalid and void, except that nothing in section 571.030 or this section shall affect the validity of any rule adopted and promulgated prior to August 28, 1998.

3. Supervision of an offender who was released after serving his or her full sentence will be considered as supervision on parole.

4. A mandatory condition of lifetime supervision of an offender under this section is that the offender be electronically monitored. Electronic monitoring shall be based on a global positioning system or other technology that identifies and records the offender's location at all times.

5. In appropriate cases as determined by a risk assessment, the **parole** board may terminate the supervision of an offender who is being supervised under this section when the offender is sixty-five years of age or older.

217.777. 1. The department shall administer a community corrections program to encourage the establishment of local sentencing alternatives for offenders to:

(1) Promote accountability of offenders to crime victims, local communities and the state by providing increased opportunities for offenders to make restitution to victims of crime through financial reimbursement or community service;

(2) Ensure that victims of crime are included in meaningful ways in Missouri's response to crime;

(3) Provide structured opportunities for local communities to determine effective local sentencing options to assure that individual community programs are specifically designed to meet local needs;

(4) Reduce the cost of punishment, supervision and treatment significantly below the annual per-offender cost of confinement within the traditional prison system;

(5) Utilize community supervision centers to effectively respond to violations and prevent revocations; [and]

(6) Improve public confidence in the criminal justice system by involving the public in the development of community-based sentencing options for eligible offenders; **and**

3. The department shall promulgate rules and regulations for operation of the program established pursuant to this section as provided for in section 217.040 and chapter 536.

4. Any proposed program or strategy created pursuant to this section shall be developed after identification of a need in the community for such programs, through consultation with representatives of the general public, judiciary, law enforcement and defense and prosecution bar.

5. In communities where local volunteer community boards are established at the request of the court, the following guidelines apply:

(1) The department shall provide a program of training to eligible volunteers and develop specific conditions of a probation program and conditions of probation for offenders referred to it by the court. Such conditions, as established by the community boards and the department, may include compensation and restitution to the community and the victim by fines, fees, day fines, victim-offender mediation, participation in victim impact panels, community service, or a combination of the aforementioned conditions;

6. The department may staff programs created pursuant to this section with employees of the department or may contract with other public or private agencies for delivery of services as otherwise provided by law.

217.829. 1. The department shall develop a form which shall be used by the department to obtain information from all offenders regarding their assets.

2. The form shall be submitted to each offender as of the date the form is developed and to every offender who thereafter is sentenced to imprisonment under the jurisdiction of the department. The form may be resubmitted to an offender by the department for purposes of obtaining current information regarding assets of the offender.

3. Every offender shall complete the form or provide for completion of the form and the offender shall swear or affirm under oath that to the best of his or her knowledge the information provided is complete and accurate. Any person who shall knowingly provide false information on said form to state officials or employees shall be guilty of the crime of making a false affidavit as provided by section 575.050.

4. Failure by an offender to fully, adequately and correctly complete the form may be considered by the **[**board of probation and**]** parole **board** for purposes of a parole determination, and in determining an offender's parole release date or eligibility and shall constitute sufficient grounds for denial of parole.

5. Prior to release of any offender from imprisonment, and again prior to release from the jurisdiction of the department, the department shall request from the offender an assignment of ten percent of any wages, salary, benefits or payments from any source. Such an assignment shall be

valid for the longer period of five years from the date of its execution, or five years from the date that the offender is released from the jurisdiction of the department or any of its divisions or agencies. The assignment shall secure payment of the total cost of care of the offender executing the assignment. The restrictions on the maximum amount of earnings subject to garnishment contained in section 525.030 shall apply to earnings subject to assignments executed pursuant to this subsection.

217.845. Notwithstanding any provision of law to the contrary, any funds received by an offender from the federal Coronavirus Aid, Relief, and Economic Security Act (CARES Act), Pub. L. 116-136, or any subsequent federal stimulus funding relating to severe acute respiratory syndrome coronavirus 2 or a virus mutating therefrom, shall be used by the offender to make restitution payments ordered by a court resulting from a conviction of a violation of any local, state, or federal law.

221.065. 1. As used in this section, the following terms mean:

3. The general assembly shall appropriate funds to assist sheriffs and jailers in satisfying the requirements of this section.

221.105. 1. The governing body of any county and of any city not within a county shall fix the amount to be expended for the cost of incarceration of prisoners confined in jails or medium security institutions. The per diem cost of incarceration of these prisoners chargeable by the law to the state shall be determined, subject to the review and approval of the department of corrections.

2. When the final determination of any criminal prosecution shall be such as to render the state liable for costs under existing laws, it shall be the duty of the sheriff to certify to the clerk of the circuit court or court of common pleas in which the case was determined the total number of days any prisoner who was a party in such case remained in the county jail. It shall be the duty of the county commission to supply the cost per diem for county prisons to the clerk of the circuit court on the first day of each year, and thereafter whenever the amount may be changed. It shall then be the duty of the clerk of the court in which the case was determined to include in the bill of cost against the state all fees which are properly chargeable to the state. In any city not within a county it shall be the duty of the superintendent of any facility boarding prisoners to certify to the chief executive officer of such city not within a county the total number of days any prisoner who was a party in such case remained in such facility. It shall be the duty of the superintendents of such facilities to supply the cost per diem to the chief

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

executive officer on the first day of each year, and thereafter whenever the amount may be changed. It shall be the duty of the chief executive officer to bill the state all fees for boarding such prisoners which are properly chargeable to the state. The chief executive may by notification to the department of corrections delegate such responsibility to another duly sworn official of such city not within a county. The clerk of the court of any city not within a county shall not include such fees in the bill of costs chargeable to the state. The department of corrections shall revise its criminal cost manual in accordance with this provision.

3. Except as provided under subsection 6 of section 217.718, the actual costs chargeable to the state, including those incurred for a prisoner who is incarcerated in the county jail because the prisoner's parole or probation has been revoked or because the prisoner has, or allegedly has, violated any condition of the prisoner's parole or probation, and such parole or probation is a consequence of a violation of a state statute, or the prisoner is a fugitive from the Missouri department of corrections or otherwise held at the request of the Missouri department of corrections regardless of whether or not a warrant has been issued shall be the actual cost of incarceration not to exceed:

(1) Until July 1, 1996, seventeen dollars per day per prisoner;

appropriations[, but not less than the amount appropriated in the previous fiscal year].

4. The presiding judge of a judicial circuit may propose expenses to be reimbursable by the state on behalf of one or more of the counties in that circuit. Proposed reimbursable expenses may include pretrial assessment and supervision strategies for defendants who are ultimately eligible for state incarceration. A county may not receive more than its share of the amount appropriated in the previous fiscal year, inclusive of expenses proposed by the presiding judge. Any county shall convey such proposal to the department, and any such proposal presented by a presiding judge shall include the documented agreement with the proposal by the county governing body, prosecuting attorney, at least one associate circuit judge, and the officer of the county responsible for custody or incarceration of prisoners of the county represented in the proposal. Any county that declines to convey a proposal to the department, pursuant to the provisions of this subsection, shall receive its per diem cost of incarceration for all prisoners chargeable to the state in accordance with the provisions of subsections 1, 2, and 3 of this section.

4. An "emergency vehicle" is a vehicle of any of the following types:

5. (1) The driver of any vehicle referred to in subsection 4 of this section shall not sound the siren thereon or have the front red lights or blue lights on except when such vehicle is responding to an emergency call or when in pursuit of an actual or suspected law violator, or when responding to, but not upon returning from, a fire.

(2) The driver of an emergency vehicle may:

such light an affidavit stating that the light will be used exclusively for emergency vehicle purposes.

7. Violation of this section shall be deemed a class A misdemeanor.

304.050. 1. **(1)** The driver of a vehicle upon a highway upon meeting or overtaking from either direction any school bus which has stopped on the highway for the purpose of receiving or discharging any school children and whose driver has in the manner prescribed by law given the signal to stop, shall stop the vehicle before reaching such school bus and shall not proceed until such school bus resumes motion, or until signaled by its driver to proceed.

(2) School buses under the provisions of subsections 1, 2, 5, 6, 7, 8, and 9 of this section shall include Head Start buses that have been certified by the Missouri highway patrol as meeting the provisions of section 307.375, are operated by a holder of a valid school bus endorsed commercial driver's license, and who meet the equivalent medical requirements prescribed in section 162.064, and which are transporting Head Start students to and from Head Start.

2. Every bus used for the transportation of school children shall bear upon the front and rear thereon a plainly visible sign containing the words "school bus" in letters not less than eight inches in height. Each bus shall have lettered on the rear in plain and distinct type the following: "State Law: Stop while bus is loading and unloading". Each school bus subject to the provisions of sections 304.050 to 304.070 shall be equipped with a mechanical and electrical signaling device approved by the state board of education, which will display a signal

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

plainly visible from the front and rear and indicating intention to stop.

3. Every school bus operated to transport students in the public school system which has a gross vehicle weight rating of more than ten thousand pounds, which has the engine mounted entirely in front of the windshield and the entrance door behind the front wheels, and which is used for the transportation of school children shall be equipped no later than August 1, 1998, with a crossing control arm. The crossing control arm, when activated, shall extend a minimum of five feet six inches from the face of the front bumper. The crossing control arm shall be attached on the right side of the front bumper and shall be activated by the same controls which activate the mechanical and electrical signaling devices described in subsection 2 of this section. This subsection may be cited as "Jessica's Law" in commemoration of Jessica Leicht and all other Missouri schoolchildren who have been injured or killed during the operation of a school bus.

4. Except as otherwise provided in this section, the driver of a school bus in the process of loading or unloading students upon a street or highway shall activate the mechanical and electrical signaling devices, in the manner prescribed by the state board of education, to communicate to drivers of other vehicles that students are loading or unloading. A public school district shall have the authority pursuant to this section to adopt a policy which provides that the driver of a school bus in the process of loading or unloading students upon a divided highway of four or more lanes may pull off of the main roadway and load or unload students without activating the mechanical and electrical signaling devices in a manner

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

which gives the signal for other drivers to stop and may use the amber signaling devices to alert motorists that the school bus is slowing to a stop; provided that the passengers are not required to cross any traffic lanes and also provided that the emergency flashing signal lights are activated in a manner which indicates that drivers should proceed with caution, and in such case, the driver of a vehicle may proceed past the school bus with due caution.

5. No driver of a school bus shall take on or discharge passengers at any location upon a highway consisting of four or more lanes of traffic, whether or not divided by a median or barrier, in such manner as to require the passengers to cross more than two lanes of traffic; nor shall any passengers be taken on or discharged while the vehicle is upon the road or highway proper unless the vehicle so stopped is plainly visible for at least five hundred feet in each direction to drivers of other vehicles in the case of a highway with no shoulder and a speed limit greater than sixty miles per hour and at least three hundred feet in each direction to drivers of other vehicles upon other highways, and on all highways, only for such time as is actually necessary to take on and discharge passengers.

[5.**]** **6.** The driver of a vehicle upon a highway with separate roadways need not stop upon meeting or overtaking a school bus which is on a different roadway, or which is proceeding in the opposite direction on a highway containing four or more lanes of traffic, or which is stopped in a loading zone constituting a part of, or adjacent to, a limited or controlled access highway at a point where pedestrians are not permitted to cross the roadway.

[6.**]** **7.** The driver of any school bus driving upon the highways of this state after loading or unloading school

children, shall remain stopped if the bus is followed by three or more vehicles, until such vehicles have been permitted to pass the school bus, if the conditions prevailing make it safe to do so.

[7.**]** **8.** If any vehicle is witnessed by a peace officer or the driver of a school bus to have violated the provisions of this section and the identity of the operator is not otherwise apparent, it shall be a rebuttable presumption that the person in whose name such vehicle is registered committed the violation. In the event that charges are filed against multiple owners of a motor vehicle, only one of the owners may be convicted and court costs may be assessed against only one of the owners. If the vehicle which is involved in the violation is registered in the name of a rental or leasing company and the vehicle is rented or leased to another person at the time of the violation, the rental or leasing company may rebut the presumption by providing the peace officer or prosecuting authority with a copy of the rental or lease agreement in effect at the time of the violation. No prosecuting authority may bring any legal proceedings against a rental or leasing company under this section unless prior written notice of the violation has been given to that rental or leasing company by registered mail at the address appearing on the registration and the rental or leasing company has failed to provide the rental or lease agreement copy within fifteen days of receipt of such notice.

[8.**]** **9.** Notwithstanding the provisions in section 301.130, every school bus shall be required to have two license plates.

307.175. 1. Motor vehicles and equipment which are operated by any member of an organized fire department,

2. (1) Notwithstanding subsection 1 of this section, the following vehicles may use or display fixed, flashing, or rotating red or red and blue lights:

(a) Emergency vehicles, as defined in section 304.022, when responding to an emergency;

(b) Vehicles operated as described in subsection 1 of this section;

workplace accident, or any location at which the services of such professionals have been requested by a law enforcement officer.

(2) The following vehicles and equipment may use or display fixed, flashing, or rotating amber or amber and white lights:

(a) Vehicles and equipment owned or leased by the state highways and transportation commission and operated by an authorized employee of the department of transportation;

(b) Vehicles and equipment owned or leased by a contractor or subcontractor performing work for the department of transportation, except that the amber or amber and white lights shall be displayed on vehicles described in this paragraph only when such vehicles or equipment are located in a work zone as defined in section 304.580, highway workers as defined in section 304.580 are present, and such work zone is designated by a sign or signs;

As used in this paragraph, the term "utility worker" means any employee while in performance of his or her job duties, including any person employed under contract of a utility that provides gas, heat, electricity, water, steam, telecommunications or cable services, or sewer services, whether privately, municipally, or cooperatively owned.

3. Permits for the operation of such vehicles equipped with sirens or blue lights shall be in writing and shall be

issued and may be revoked by the chief of an organized fire department, organized ambulance association, rescue squad, or the state highways and transportation commission and no person shall use or display a siren or blue lights on a motor vehicle, fire, ambulance, or rescue equipment without a valid permit authorizing the use. A permit to use a siren or lights as heretofore set out does not relieve the operator of the vehicle so equipped with complying with all other traffic laws and regulations. Violation of this section constitutes a class A misdemeanor.

452.410. 1. Except as provided in subsection 2 of this section, the court shall not modify a prior custody decree unless it has jurisdiction under the provisions of section **[**452.450**]** **452.745** and it finds, upon the basis of facts that have arisen since the prior decree or that were unknown to the court at the time of the prior decree, that a change has occurred in the circumstances of the child or his custodian and that the modification is necessary to serve the best interests of the child. Notwithstanding any other provision of this section or sections 452.375 and 452.400, any custody order entered by any court in this state or any other state **[**prior to August 13, 1984,**]** may, subject to jurisdictional requirements, be modified to allow for joint custody **or visitation only** in accordance with section 452.375, **452.400, 452.402, or 452.403** **[**without any further showing**]**.

2. If either parent files a motion to modify an award of joint legal custody or joint physical custody, each party shall be entitled to a change of judge as provided by supreme court rule.

(11) **"Pet", a living creature maintained by a household member for companionship and not for commercial purposes;**

(12) "Petitioner", a family or household member who has been a victim of domestic violence, or any person who has been the victim of stalking or sexual assault, or a person filing on behalf of a child pursuant to section 455.503 who has filed a verified petition pursuant to the provisions of section 455.020 or section 455.505;

[(12)**]** **(13)** "Respondent", the family or household member alleged to have committed an act of domestic violence, or person alleged to have committed an act of stalking or sexual assault, against whom a verified petition has been filed or a person served on behalf of a child pursuant to section 455.503;

[(14)**]** **(15)** "Stalking", is when any person purposely engages in an unwanted course of conduct that causes alarm to another person, or a person who resides together in the same household with the person seeking the order of protection when it is reasonable in that person's situation to have been alarmed by the conduct. As used in this subdivision:

(a) "Alarm" **[**means**]**, to cause fear of danger of physical harm; and

(b) "Course of conduct" **[**means a pattern of conduct composed of**]**, two or more acts **[**over a period of time,

however short,] that [serves] **serve** no legitimate purpose[. Such conduct may include, but is not limited to, following the other person or unwanted communication or unwanted contact] **including, but not limited to, acts in which the stalker directly, indirectly, or through a third party follows, monitors, observes, surveils, threatens, or communicates to a person by any action, method, or device.**

455.032. In addition to any other jurisdictional grounds provided by law, a court shall have jurisdiction to enter an order of protection restraining or enjoining the respondent from committing or threatening to commit domestic violence, stalking, sexual assault, molesting or disturbing the peace of petitioner, **or abusing a pet**, pursuant to sections 455.010 to 455.085, if the petitioner is present, whether permanently or on a temporary basis within the state of Missouri and if the respondent's actions constituting domestic violence have occurred, have been attempted or have been or are threatened within the state of Missouri. For purposes of this section, if the petitioner has been the subject of domestic violence within or outside of the state of Missouri, such evidence shall be admissible to demonstrate the need for protection in Missouri.

455.040. 1. **(1)** Not later than fifteen days after the filing of a petition that meets the requirements of section 455.020, a hearing shall be held unless the court deems, for good cause shown, that a continuance should be granted. At the hearing, if the petitioner has proved the allegation of domestic violence, stalking, or sexual assault by a preponderance of the evidence, and the respondent cannot show that his or her actions alleged to constitute abuse were otherwise justified under the law, the court shall issue a full order of protection for a period of time

the court deems appropriate, **and unless after an evidentiary hearing the court makes specific written findings that the respondent poses a serious danger to the physical or mental health of the petitioner or of a minor household member of the petitioner,** [except that] the protective order shall be valid for at least one hundred eighty days and not more than one year. **If, after an evidentiary hearing, the court makes specific written findings that the respondent poses a serious danger to the physical or mental health of the petitioner or of a minor household member of the petitioner, the protective order shall be valid for at least two years and not more than ten years.**

(2) Upon motion by the petitioner, and after a hearing by the court, the full order of protection may be renewed **annually and** for a period of time the court deems appropriate, **and unless the court at an evidentiary hearing made specific written findings that the respondent poses a serious danger to the physical or mental health of the petitioner or of a minor household member of the petitioner,** [except that] the **renewed** protective order **may be renewed periodically and** shall be valid for at least one hundred eighty days and not more than one year from the expiration date of the [originally] **previously** issued full order of protection. **If the court has made specific written findings that the respondent poses a serious danger to the physical or mental health of the petitioner or of a minor household member of the petitioner, the renewed protective order may be renewed periodically and shall be valid for at least two years and up to the life of the respondent.**

(3) The court may, upon finding that it is in the best interest of the parties, include a provision that any full order of protection [for one year] shall **be** automatically

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

[renew] **renewed for any term of renewal of a full order of protection as set forth in this section** unless the respondent requests a hearing by thirty days prior to the expiration of the order. If for good cause a hearing cannot be held on the motion to renew or the objection to an automatic renewal of the full order of protection prior to the expiration date of the originally issued full order of protection, an ex parte order of protection may be issued until a hearing is held on the motion. When an automatic renewal is not authorized, upon motion by the petitioner, and after a hearing by the court, the second full order of protection may be renewed for an additional period of time the court deems appropriate, except that the protective order shall be valid for [at least one hundred eighty days and not more than one year] **any term of renewal of a full order as set forth in this section.** For purposes of this subsection, a finding by the court of a subsequent act of domestic violence, stalking, or sexual assault is not required for a renewal order of protection.

(4) In determining under this section whether a respondent poses a serious danger to the physical or mental health of a petitioner or of a minor household member of the petitioner, the court shall consider all relevant evidence including, but not limited to:

(a) The weight of the evidence;

(b) The respondent's history of inflicting or causing physical harm, bodily injury, or assault;

(c) The respondent's history of stalking or causing fear of physical harm, bodily injury, or assault on the petitioner or a minor household member of the petitioner;

(d) The respondent's criminal record;

(e) Whether any prior full orders of adult or child protection have been issued against the respondent;

(f) Whether the respondent has been found guilty of any dangerous felony under Missouri law; and

(g) Whether the respondent violated any term or terms of probation or parole or violated any term of a prior full or temporary order of protection and which violated terms were intended to protect the petitioner or a minor household member of the petitioner.

(5) If a court finds that a respondent poses a serious risk to the physical or mental health of the petitioner or of a minor household member of the petitioner, the court shall not modify such order until a period of at least two years from the date the original full order was issued and only after the court makes specific written findings after a hearing held that the respondent has shown proof of treatment and rehabilitation and that the respondent no longer poses a serious danger to the petitioner or to a minor household member of the petitioner.

2. The court shall cause a copy of the petition and notice of the date set for the hearing on such petition and any ex parte order of protection to be served upon the respondent as provided by law or by any sheriff or police officer at least three days prior to such hearing. The court shall cause a copy of any full order of protection to be served upon or mailed by certified mail to the respondent at the respondent's last known address. Notice of an ex parte or full order of protection shall be served at the earliest time, and service of such notice shall take priority over service in other actions, except those of a similar emergency nature. Failure to serve or mail a copy of the full order of protection to the respondent shall not

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

affect the validity or enforceability of a full order of protection.

3. A copy of any order of protection granted pursuant to sections 455.010 to 455.085 shall be issued to the petitioner and to the local law enforcement agency in the jurisdiction where the petitioner resides. [The clerk shall also issue a copy of any order of protection to the local law enforcement agency responsible for maintaining the Missouri uniform law enforcement system or any other comparable law enforcement system the same day the order is granted. The law enforcement agency responsible for maintaining MULES shall, for purposes of verification, within twenty-four hours from the time the order is granted,] **The court shall provide all necessary information, including the respondent's relationship to the petitioner, for entry of the order of protection into the Missouri Uniform Law Enforcement System (MULES) and the National Crime Information Center (NCIC). Upon receiving the order under this subsection, the sheriff shall make the entry into MULES within twenty-four hours. MULES shall forward the order information to NCIC, which will in turn make the order viewable within the National Instant Criminal Background Check System (NICS). The sheriff shall** enter information contained in the order, including, but not limited to, any orders regarding child custody or visitation and all specifics as to times and dates of custody or visitation that are provided in the order. A notice of expiration or of termination of any order of protection or any change in child custody or visitation within that order shall be issued to the local law enforcement agency [and to the law enforcement agency responsible for maintaining] **for entry into** MULES or any other comparable law enforcement system.

[The law enforcement agency responsible for maintaining the applicable law enforcement system shall enter such information in the system within twenty-four hours of receipt of information evidencing such expiration or termination.] The information contained in an order of protection may be entered [in the Missouri uniform law enforcement system] **into MULES** or **any other** comparable law enforcement system using a direct automated data transfer from the court automated system to the law enforcement system.

4. The court shall cause a copy of any objection filed by the respondent and notice of the date set for the hearing on such objection to an automatic renewal of a full order of protection for a period of one year to be personally served upon the petitioner by personal process server as provided by law or by a sheriff or police officer at least three days prior to such hearing. Such service of process shall be served at the earliest time and shall take priority over service in other actions except those of a similar emergency nature.

455.045. Any ex parte order of protection granted pursuant to sections 455.010 to 455.085 shall be to protect the petitioner from domestic violence, stalking, or sexual assault and may include:

(1) Restraining the respondent from committing or threatening to commit domestic violence, molesting, stalking, sexual assault, or disturbing the peace of the petitioner;

(2) Restraining the respondent from entering the premises of the dwelling unit of petitioner when the dwelling unit is:

(a) Jointly owned, leased or rented or jointly occupied by both parties; or

(b) Owned, leased, rented or occupied by petitioner individually; or

(c) Jointly owned, leased or rented by petitioner and a person other than respondent; provided, however, no spouse shall be denied relief pursuant to this section by reason of the absence of a property interest in the dwelling unit; or

(3) Restraining the respondent from communicating with the petitioner in any manner or through any medium;

(1) Temporarily enjoining the respondent from committing or threatening to commit domestic violence, molesting, stalking, sexual assault, or disturbing the peace of the petitioner, **including violence against a pet**;

(2) Temporarily enjoining the respondent from entering the premises of the dwelling unit of the petitioner when the dwelling unit is:

(b) Owned, leased, rented or occupied by petitioner individually; or

(d) Jointly occupied by the petitioner and a person other than respondent; provided that the respondent has no property interest in the dwelling unit; or

(3) Temporarily enjoining the respondent from communicating with the petitioner in any manner or through any medium.

2. Mutual orders of protection are prohibited unless both parties have properly filed written petitions and proper service has been made in accordance with sections 455.010 to 455.085.

3. When the court has, after a hearing for any full order of protection, issued an order of protection, it may, in addition:

(1) Award custody of any minor child born to or adopted by the parties when the court has jurisdiction over such child and no prior order regarding custody is pending or has been made, and the best interests of the child require such order be issued;

(2) Establish a visitation schedule that is in the best interests of the child;

4. A verified petition seeking orders for maintenance, support, custody, visitation, payment of rent, payment of monetary compensation, possession of personal property, prohibiting the transfer, encumbrance, or disposal of property, or payment for services of a shelter for victims of domestic violence, shall contain allegations relating to those orders and shall pray for the orders desired.

5. In making an award of custody, the court shall consider all relevant factors including the presumption that the best interests of the child will be served by placing the child in the custody and care of the nonabusive parent, unless there is evidence that both parents have engaged in abusive behavior, in which case the court shall not consider this presumption but may appoint a guardian ad litem or a court-appointed special advocate to represent the children in accordance with chapter 452 and shall consider all other factors in accordance with chapter 452.

6. The court shall grant to the noncustodial parent rights to visitation with any minor child born to or adopted by the parties, unless the court finds, after hearing, that visitation would endanger the child's physical health, impair the child's emotional development or would otherwise conflict with the best interests of the child, or that no visitation can be arranged which would sufficiently protect the custodial parent from further domestic violence. The court may appoint a guardian ad litem or court-appointed special advocate to represent the minor child in accordance with chapter 452 whenever the custodial parent alleges that visitation with the noncustodial parent will damage the minor child.

7. The court shall make an order requiring the noncustodial party to pay an amount reasonable and necessary

for the support of any child to whom the party owes a duty of support when no prior order of support is outstanding and after all relevant factors have been considered, in accordance with Missouri supreme court rule 88.01 and chapter 452.

8. The court may grant a maintenance order to a party for a period of time, not to exceed one hundred eighty days. Any maintenance ordered by the court shall be in accordance with chapter 452.

9. (1) The court may, in order to ensure that a petitioner can maintain an existing wireless telephone number or numbers, issue an order, after notice and an opportunity to be heard, directing a wireless service provider to transfer the billing responsibility for and rights to the wireless telephone number or numbers to the petitioner, if the petitioner is not the wireless service accountholder.

(2) (a) The order transferring billing responsibility for and rights to the wireless telephone number or numbers to the petitioner shall list the name and billing telephone number of the accountholder, the name and contact information of the person to whom the telephone number or numbers will be transferred, and each telephone number to be transferred to that person. The court shall ensure that the contact information of the petitioner is not provided to the accountholder in proceedings held under this chapter.

(b) Upon issuance, a copy of the full order of protection shall be transmitted, either electronically or by certified mail, to the wireless service provider's registered agent listed with the secretary of state, or electronically to the email address provided by the wireless service provider. Such transmittal shall constitute

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

adequate notice for the wireless service provider acting under this section and section 455.523.

(c) If the wireless service provider cannot operationally or technically effectuate the order due to certain circumstances, the wireless service provider shall notify the petitioner within three business days. Such circumstances shall include, but not be limited to, the following:

a. The accountholder has already terminated the account;

b. The differences in network technology prevent the functionality of a device on the network; or

c. There are geographic or other limitations on network or service availability.

(3) (a) Upon transfer of billing responsibility for and rights to a wireless telephone number or numbers to the petitioner under this subsection by a wireless service provider, the petitioner shall assume all financial responsibility for the transferred wireless telephone number or numbers, monthly service costs, and costs for any mobile device associated with the wireless telephone number or numbers.

(b) This section shall not preclude a wireless service provider from applying any routine and customary requirements for account establishment to the petitioner as part of this transfer of billing responsibility for a wireless telephone number or numbers and any devices attached to that number or numbers including, but not limited to, identification, financial information, and customer preferences.

(4) This section shall not affect the ability of the court to apportion the assets and debts of the parties as

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

provided for in law, or the ability to determine the temporary use, possession, and control of personal property.

(5) No cause of action shall lie against any wireless service provider, its officers, employees, or agents, for actions taken in accordance with the terms of a court order issued under this section.

(6) As used in this section and section 455.523, a "wireless service provider" means a provider of commercial mobile service under Section 332(d) of the Federal Telecommunications Act of 1996 (47 U.S.C. Section 151, et seq.).

455.513. 1. The court may immediately issue an ex parte order of protection upon the filing of a verified petition under sections 455.500 to 455.538, for good cause shown in the petition, and upon finding that:

(1) No prior order regarding custody involving the respondent and the child is pending or has been made; or

(2) The respondent is less than seventeen years of age.

An immediate and present danger of domestic violence, **including danger to the child's pet**, stalking, or sexual assault to a child shall constitute good cause for purposes of this section. An ex parte order of protection entered by the court shall be in effect until the time of the hearing. The court shall deny the ex parte order and dismiss the petition if the petitioner is not authorized to seek relief pursuant to section 455.505.

2. Upon the entry of the ex parte order of protection, the court shall enter its order appointing a guardian ad litem or court-appointed special advocate to represent the child victim.

3. If the allegations in the petition would give rise to jurisdiction under section 211.031, the court may direct the children's division to conduct an investigation and to provide appropriate services. The division shall submit a written investigative report to the court and to the juvenile officer within thirty days of being ordered to do so. The report shall be made available to the parties and the guardian ad litem or court-appointed special advocate.

4. If the allegations in the petition would give rise to jurisdiction under section 211.031 because the respondent is less than seventeen years of age, the court may issue an ex parte order and shall transfer the case to juvenile court for a hearing on a full order of protection. Service of process shall be made pursuant to section 455.035.

455.520. 1. Any ex parte order of protection granted under sections 455.500 to 455.538 shall be to protect the victim from domestic violence, **including danger to the child's pet**, stalking, or sexual assault and may include such terms as the court reasonably deems necessary to ensure the victim's safety, including but not limited to:

(1) Restraining the respondent from committing or threatening to commit domestic violence, stalking, sexual assault, molesting, or disturbing the peace of the victim;

(2) Restraining the respondent from entering the family home of the victim except as specifically authorized by the court;

(3) Restraining the respondent from communicating with the victim in any manner or through any medium, except as specifically authorized by the court;

(4) A temporary order of custody of minor children;

(5) A temporary order of possession of pets where appropriate.

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

2. No ex parte order of protection excluding the respondent from the family home shall be issued unless the court finds that:

(1) The order is in the best interests of the child or children remaining in the home;

(2) The verified allegations of domestic violence present a substantial risk to the child or children unless the respondent is excluded; and

(3) A remaining adult family or household member is able to care adequately for the child or children in the absence of the excluded party.

455.523. 1. Any full order of protection granted under sections 455.500 to 455.538 shall be to protect the victim from domestic violence, **including danger to the child's pet**, stalking, and sexual assault may include such terms as the court reasonably deems necessary to ensure the petitioner's safety, including but not limited to:

(1) Temporarily enjoining the respondent from committing domestic violence or sexual assault, threatening to commit domestic violence or sexual assault, stalking, molesting, or disturbing the peace of the victim;

(2) Temporarily enjoining the respondent from entering the family home of the victim, except as specifically authorized by the court;

(3) Temporarily enjoining the respondent from communicating with the victim in any manner or through any medium, except as specifically authorized by the court.

2. When the court has, after hearing for any full order of protection, issued an order of protection, it may, in addition:

(1) Award custody of any minor child born to or adopted by the parties when the court has jurisdiction over

such child and no prior order regarding custody is pending or has been made, and the best interests of the child require such order be issued;

(2) Award visitation;

(3) Award child support in accordance with supreme court rule 88.01 and chapter 452;

(4) Award maintenance to petitioner when petitioner and respondent are lawfully married in accordance with chapter 452;

(5) Order respondent to make or to continue to make rent or mortgage payments on a residence occupied by the victim if the respondent is found to have a duty to support the victim or other dependent household members;

(6) Order the respondent to participate in a court-approved counseling program designed to help stop violent behavior or to treat substance abuse;

(7) Order the respondent to pay, to the extent that he or she is able, the costs of his or her treatment, together with the treatment costs incurred by the victim;

(8) Order the respondent to pay a reasonable fee for housing and other services that have been provided or that are being provided to the victim by a shelter for victims of domestic violence;

(9) Order a wireless service provider, in accordance with the process, provisions, and requirements set out in subdivisions (1) to (6) of subsection 9 of section 455.050, to transfer the billing responsibility for and rights to the wireless telephone number or numbers of any minor children in the petitioner's care to the petitioner, if the petitioner is not the wireless service accountholder;

(10) Award possession and care of any pet, along with any moneys necessary to cover medical costs that may have resulted from abuse of the pet.

475.120. 1. The guardian of the person of a minor shall be entitled to the custody and control of the ward and shall provide for the ward's education, support, and maintenance.

2. A guardian or limited guardian of an incapacitated person shall act in the best interest of the ward. A limited guardian of an incapacitated person shall have the powers and duties enumerated by the court in the adjudication order or any later modifying order.

3. **Except as otherwise limited by the court, a guardian shall make decisions regarding the adult ward's support, care, education, health, and welfare. A guardian shall exercise authority only as necessitated by the adult ward's limitations and, to the extent possible, shall encourage the adult ward to participate in decisions, act on the adult ward's own behalf, and develop or regain the capacity to manage the adult ward's personal affairs.** The general powers and duties of a guardian of an incapacitated person **[**shall be to take charge of the person of the ward and to provide for the ward's care, treatment, habilitation, education, support and maintenance; and the powers and duties**]** shall include, but not be limited to, the following:

(1) Assure that the ward resides in the best and least restrictive setting reasonably available;

(2) Assure that the ward receives medical care and other services that are needed;

(3) Promote and protect the care, comfort, safety, health, and welfare of the ward;

(5) To exercise all powers and discharge all duties necessary or proper to implement the provisions of this section.

4. A guardian of an adult or minor ward is not obligated by virtue of such guardian's appointment to use the guardian's own financial resources for the support of the ward. If the ward's estate and available public benefits are inadequate for the proper care of the ward, the guardian or conservator may apply to the county commission pursuant to section 475.370.

5. No guardian of the person shall have authority to seek admission of the guardian's ward to a mental health or intellectual disability facility for more than thirty days for any purpose without court order except as otherwise provided by law.

6. Only the director or chief administrative officer of a social service agency serving as guardian of an incapacitated person, or such person's designee, is legally authorized to act on behalf of the ward.

7. A social service agency serving as guardian of an incapacitated person shall notify the court within fifteen days after any change in the identity of the professional individual who has primary responsibility for providing guardianship services to the incapacitated person.

8. Any social service agency serving as guardian may not provide other services to the ward.

9. In the absence of any written direction from the ward to the contrary, a guardian may execute a preneed contract for the ward's funeral services, including cremation, or an irrevocable life insurance policy to pay for the ward's funeral services, including cremation, and authorize the payment of such services from the ward's

resources. Nothing in this section shall interfere with the rights of next-of-kin to direct the disposition of the body of the ward upon death under section 194.119. If a preneed arrangement such as that authorized by this subsection is in place and no next-of-kin exercises the right of sepulcher within ten days of the death of the ward, the guardian may sign consents for the disposition of the body, including cremation, without any liability therefor. A guardian who exercises the authority granted in this subsection shall not be personally financially responsible for the payment of services.

[10. Except as otherwise limited by the court, a guardian shall make decisions regarding the adult ward's support, care, education, health, and welfare. A guardian shall exercise authority only as necessitated by the adult ward's limitations and, to the extent possible, shall encourage the adult ward to participate in decisions, act on the adult ward's own behalf, and develop or regain the capacity to manage the adult ward's personal affairs.]

479.162. Notwithstanding any provision of law, supreme court rule, or court operating rule, in a proceeding for a municipal ordinance violation or any other proceeding before a municipal court if the charge carries the possibility of fifteen days or more in jail or confinement, a defendant shall not be charged any fee for obtaining a police report, probable cause statement, or any video relevant to the traffic stop or arrest. Such police report, probable cause statement, or video shall be provided by the prosecutor upon written request by the defendant for discovery.

488.029. There shall be assessed and collected a surcharge of one hundred fifty dollars in all criminal cases for any violation of chapter **[**195**]** **579** in which a crime laboratory makes analysis of a controlled substance, but no such surcharge shall be assessed when the costs are waived or are to be paid by the state or when a criminal proceeding or the defendant has been dismissed by the court. The moneys collected by clerks of the courts pursuant to the provisions of this section shall be collected and disbursed as provided by sections 488.010 to 488.020. All such moneys shall be payable to the director of revenue, who shall deposit all amounts collected pursuant to this section to the credit of the state forensic laboratory account to be administered by the department of public safety pursuant to section 650.105.

491.016. 1. A statement made by a witness that is not otherwise admissible is admissible in evidence in a criminal proceeding as substantive evidence to prove the truth of the matter asserted if, after a hearing, the court finds, by a preponderance of the evidence, that:

(1) The defendant engaged in or acquiesced to wrongdoing with the purpose of causing the unavailability of the witness;

(2) The wrongdoing in which the defendant engaged or acquiesced has caused or substantially contributed to cause the unavailability of the witness;

(3) The state exercised due diligence to secure by subpoena or other means the attendance of the witness at the proceeding, or the witness is unavailable because the

defendant caused or acquiesced in the death of the witness; and

(4) The witness fails to appear at the proceeding.

2. In a jury trial, the hearing and finding to determine the admissibility of the statement shall be held and found outside the presence of the jury and before the case is submitted to the jury.

545.940. 1. If the court determines that the person is entitled to all or any part of such records, the court may order production and disclosure as the court deems appropriate.

547.031. 1. A prosecuting or circuit attorney, in the jurisdiction in which a person was convicted of an offense, may file a motion to vacate or set aside the judgment at any time if he or she has information that the convicted person may be innocent or may have been erroneously convicted. Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

one year in the county jail or other authorized penal institution, and the place of confinement shall be fixed by the court. If the court imposes a sentence of imprisonment for a term longer than one year upon a person convicted of a class D or E felony, it shall commit the person to the custody of the department of corrections.

3. (1) When a regular sentence of imprisonment for a felony is imposed, the court shall commit the person to the custody of the department of corrections for the term imposed under section 557.036, or until released under procedures established elsewhere by law.

(2) A sentence of imprisonment for a misdemeanor shall be for a definite term and the court shall commit the person to the county jail or other authorized penal institution for the term of his or her sentence or until released under procedure established elsewhere by law.

4. (1) Except as otherwise provided, a sentence of imprisonment for a term of years for felonies other than dangerous felonies as defined in section 556.061, and other than sentences of imprisonment which involve the individual's fourth or subsequent remand to the department of corrections shall consist of a prison term and a conditional release term. The conditional release term of any term imposed under section 557.036 shall be:

(a) One-third for terms of nine years or less;

(b) Three years for terms between nine and fifteen years;

(c) Five years for terms more than fifteen years; and the prison term shall be the remainder of such term. The prison term may be extended by the **[**board of probation and**]** parole **board** pursuant to subsection 5 of this section.

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

(2) "Conditional release" means the conditional discharge of an offender by the **[**board of probation and**]** parole **board**, subject to conditions of release that the **parole** board deems reasonable to assist the offender to lead a law-abiding life, and subject to the supervision under the **[**state board**]** **division** of probation and parole. The conditions of release shall include avoidance by the offender of any other offense, federal or state, and other conditions that the **parole** board in its discretion deems reasonably necessary to assist the releasee in avoiding further violation of the law.

5. The date of conditional release from the prison term may be extended up to a maximum of the entire sentence of imprisonment by the **[**board of probation and**]** parole **board**. The director of any division of the department of corrections except the **[**board**]** **division** of probation and parole may file with the **[**board of probation and**]** parole **board** a petition to extend the conditional release date when an offender fails to follow the rules and regulations of the division or commits an act in violation of such rules. Within ten working days of receipt of the petition to extend the conditional release date, the **[**board of probation and**]** parole **board** shall convene a hearing on the petition. The offender shall be present and may call witnesses in his or her behalf and cross-examine witnesses appearing against the offender. The hearing shall be conducted as provided in section 217.670. If the violation occurs in close proximity to the conditional release date, the conditional release may be held for a maximum of fifteen working days to permit necessary time for the division director to file a petition for an extension with the **parole** board and for the **parole** board to conduct a hearing, provided some affirmative

manifestation of an intent to extend the conditional release has occurred prior to the conditional release date. If at the end of a fifteen-working-day period a **parole** board decision has not been reached, the offender shall be released conditionally. The decision of the **parole** board shall be final.

558.026. 1. Multiple sentences of imprisonment shall run concurrently unless the court specifies that they shall run consecutively; except in the case of multiple sentences of imprisonment imposed for any offense committed during or at the same time as, or multiple offenses of, the following felonies:

(1) Rape in the first degree, forcible rape, or rape;

(2) Statutory rape in the first degree;

(3) Sodomy in the first degree, forcible sodomy, or sodomy;

(4) Statutory sodomy in the first degree; or

(5) An attempt to commit any of the felonies listed in this subsection. In such case, the sentence of imprisonment imposed for any felony listed in this subsection or an attempt to commit any of the aforesaid shall run consecutively to the other sentences. The sentences imposed for any other offense may run concurrently.

2. If a person who is on probation, parole or conditional release is sentenced to a term of imprisonment for an offense committed after the granting of probation or parole or after the start of his **or her** conditional release term, the court shall direct the manner in which the sentence or sentences imposed by the court shall run with respect to any resulting probation, parole or conditional release revocation term or terms. If the subsequent sentence to imprisonment is in another jurisdiction, the

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

court shall specify how any resulting probation, parole or conditional release revocation term or terms shall run with respect to the foreign sentence of imprisonment.

3. A court may cause any sentence it imposes to run concurrently with a sentence an individual is serving or is to serve in another state or in a federal correctional center. If the Missouri sentence is served in another state or in a federal correctional center, subsection 4 of section 558.011 and section 217.690 shall apply as if the individual were serving his **or her** sentence within the department of corrections of the state of Missouri, except that a personal hearing before the **[**board of probation and**]** parole **board** shall not be required for parole consideration.

558.031. 1. A sentence of imprisonment shall commence when a person convicted of an offense in this state is received into the custody of the department of corrections or other place of confinement where the offender is sentenced.

2. Such person shall receive credit toward the service of a sentence of imprisonment for all time in prison, jail or custody after **[**the offense occurred**]** **conviction** and before the commencement of the sentence, when the time in custody was related to that offense, **and the circuit court may, when pronouncing sentence, award credit for time spent in prison, jail, or custody after the offense occurred and before conviction toward the service of the sentence of imprisonment**, except:

(1) Such credit shall only be applied once when sentences are consecutive;

(2) Such credit shall only be applied if the person convicted was in custody in the state of Missouri, unless

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

such custody was compelled exclusively by the state of Missouri's action; and

(3) As provided in section 559.100.

[2.**]** **3.** The officer required by law to deliver a person convicted of an offense in this state to the department of corrections shall endorse upon the papers required by section 217.305 both the dates the offender was in custody and the period of time to be credited toward the service of the sentence of imprisonment, except as endorsed by such officer.

[3.**]** **4.** If a person convicted of an offense escapes from custody, such escape shall interrupt the sentence. The interruption shall continue until such person is returned to the correctional center where the sentence was being served, or in the case of a person committed to the custody of the department of corrections, to any correctional center operated by the department of corrections. An escape shall also interrupt the jail time credit to be applied to a sentence which had not commenced when the escape occurred.

[4.**]** **5.** If a sentence of imprisonment is vacated and a new sentence imposed upon the offender for that offense, all time served under the vacated sentence shall be credited against the new sentence, unless the time has already been credited to another sentence as provided in subsection 1 of this section.

[5.**]** **6.** If a person released from imprisonment on parole or serving a conditional release term violates any of the conditions of his or her parole or release, he or she may be treated as a parole violator. If the **[**board of probation and**]** parole **board** revokes the parole or conditional release, the paroled person shall serve the remainder of the prison term and conditional release term,

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

as an additional prison term, and the conditionally released person shall serve the remainder of the conditional release term as a prison term, unless released on parole.

7. Subsection 2 of this section shall be applicable to offenses occurring on or after August 28, 2021.

558.046. The sentencing court may, upon petition, reduce any term of sentence or probation pronounced by the court or a term of conditional release or parole pronounced by the **[**state board of probation and**]** parole **board** if the court determines that:

(1) The convicted person was:

(a) Convicted of an offense that did not involve violence or the threat of violence; and

(b) Convicted of an offense that involved alcohol or illegal drugs; and

(2) Since the commission of such offense, the convicted person has successfully completed a detoxification and rehabilitation program; and

(3) The convicted person is not:

(a) A prior offender, a persistent offender, a dangerous offender or a persistent misdemeanor offender as defined by section 558.016; or

(b) A persistent sexual offender as defined in section 566.125; or

(c) A prior offender, a persistent offender or a class X offender as defined in section 558.019.

559.026. Except in infraction cases, when probation is granted, the court, in addition to conditions imposed pursuant to section 559.021, may require as a condition of probation that the offender submit to a period of detention up to forty-eight hours after the determination by a probation or parole officer that the offender violated a

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

condition of continued probation or parole in an appropriate institution at whatever time or intervals within the period of probation, consecutive or nonconsecutive, the court shall designate, or the **[**board**]** **division** of probation and parole shall direct. Any person placed on probation in a county of the first class or second class or in any city with a population of five hundred thousand or more and detained as herein provided shall be subject to all provisions of section 221.170, even though he **or she** was not convicted and sentenced to a jail or workhouse.

(1) In misdemeanor cases, the period of detention under this section shall not exceed the shorter of thirty days or the maximum term of imprisonment authorized for the misdemeanor by chapter 558.

(2) In felony cases, the period of detention under this section shall not exceed one hundred twenty days.

(3) If probation is revoked and a term of imprisonment is served by reason thereof, the time spent in a jail, half-way house, honor center, workhouse or other institution as a detention condition of probation shall be credited against the prison or jail term served for the offense in connection with which the detention condition was imposed.

559.105. 1. Any person who has been found guilty of or has pled guilty to an offense may be ordered by the court to make restitution to the victim for the victim's losses due to such offense. Restitution pursuant to this section shall include, but not be limited to a victim's reasonable expenses to participate in the prosecution of the crime.

2. No person ordered by the court to pay restitution pursuant to this section shall be released from probation until such restitution is complete. If full restitution is not made within the original term of probation, the court

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

shall order the maximum term of probation allowed for such offense.

3. Any person eligible to be released on parole shall be required, as a condition of parole, to make restitution pursuant to this section. The **[**board of probation and**]** parole **board** shall not release any person from any term of parole for such offense until the person has completed such restitution, or until the maximum term of parole for such offense has been served.

4. The court may set an amount of restitution to be paid by the defendant. Said amount may be taken from the inmate's account at the department of corrections while the defendant is incarcerated. Upon conditional release or parole, if any amount of such court-ordered restitution is unpaid, the payment of the unpaid balance may be collected as a condition of conditional release or parole by the prosecuting attorney or circuit attorney under section 559.100. The prosecuting attorney or circuit attorney may refer any failure to make such restitution as a condition of conditional release or parole to the parole board for enforcement.

559.106. 1. Notwithstanding any statutory provision to the contrary, when a court grants probation to an offender who has been found guilty of an offense in:

(1) Section 566.030, 566.032, 566.060, 566.062, 566.067, 566.083, 566.100, 566.151, **[**566.212, 566.213**]** **566.210, 566.211,** 568.020, **[**568.080, or 568.090**]** **573.200, or 573.205,** based on an act committed on or after August 28, 2006; or

(2) Section 566.068, 566.069, 566.210, 566.211, 573.200, or 573.205 based on an act committed on or after January 1, 2017, against a victim who was less than fourteen

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

years of age and the offender is a prior sex offender as defined in subsection 2 of this section;

the court shall order that the offender be supervised by the [board] **division** of probation and parole for the duration of his or her natural life.

2. For the purpose of this section, a prior sex offender is a person who has previously been found guilty of an offense contained in chapter 566, or violating section 568.020, when the person had sexual intercourse or deviate sexual intercourse with the victim, or of violating subdivision (2) of subsection 1 of section 568.045.

3. When probation for the duration of the offender's natural life has been ordered, a mandatory condition of such probation is that the offender be electronically monitored. Electronic monitoring shall be based on a global positioning system or other technology that identifies and records the offender's location at all times.

4. In appropriate cases as determined by a risk assessment, the court may terminate the probation of an offender who is being supervised under this section when the offender is sixty-five years of age or older.

559.115. 1. Neither probation nor parole shall be granted by the circuit court between the time the transcript on appeal from the offender's conviction has been filed in appellate court and the disposition of the appeal by such court.

2. Unless otherwise prohibited by subsection 8 of this section, a circuit court only upon its own motion and not that of the state or the offender shall have the power to grant probation to an offender anytime up to one hundred twenty days after such offender has been delivered to the

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

department of corrections but not thereafter. The court may request information and a recommendation from the department concerning the offender and such offender's behavior during the period of incarceration. Except as provided in this section, the court may place the offender on probation in a program created pursuant to section 217.777, or may place the offender on probation with any other conditions authorized by law.

3. The court may recommend placement of an offender in a department of corrections one hundred twenty-day program under this subsection or order such placement under subsection 4 of section 559.036. Upon the recommendation or order of the court, the department of corrections shall assess each offender to determine the appropriate one hundred twenty-day program in which to place the offender, which may include placement in the shock incarceration program or institutional treatment program. When the court recommends and receives placement of an offender in a department of corrections one hundred twenty-day program, the offender shall be released on probation if the department of corrections determines that the offender has successfully completed the program except as follows. Upon successful completion of a program under this subsection, the **[**board**]** **division** of probation and parole shall advise the sentencing court of an offender's probationary release date thirty days prior to release. The court shall follow the recommendation of the department unless the court determines that probation is not appropriate. If the court determines that probation is not appropriate, the court may order the execution of the offender's sentence only after conducting a hearing on the matter within ninety to one hundred twenty days from the date the offender was delivered

to the department of corrections. If the department determines the offender has not successfully completed a one hundred twenty-day program under this subsection, the offender shall be removed from the program and the court shall be advised of the removal. The department shall report on the offender's participation in the program and may provide recommendations for terms and conditions of an offender's probation. The court shall then have the power to grant probation or order the execution of the offender's sentence.

4. If the court is advised that an offender is not eligible for placement in a one hundred twenty-day program under subsection 3 of this section, the court shall consider other authorized dispositions. If the department of corrections one hundred twenty-day program under subsection 3 of this section is full, the court may place the offender in a private program approved by the department of corrections or the court, the expenses of such program to be paid by the offender, or in an available program offered by another organization. If the offender is convicted of a class C, class D, or class E nonviolent felony, the court may order probation while awaiting appointment to treatment.

5. Except when the offender has been found to be a predatory sexual offender pursuant to section 566.125, the court shall request the department of corrections to conduct a sexual offender assessment if the defendant has been found guilty of sexual abuse when classified as a class B felony. Upon completion of the assessment, the department shall provide to the court a report on the offender and may provide recommendations for terms and conditions of an offender's probation. The assessment shall not be considered a one hundred twenty-day program as provided

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

under subsection 3 of this section. The process for granting probation to an offender who has completed the assessment shall be as provided under subsections 2 and 6 of this section.

6. Unless the offender is being granted probation pursuant to successful completion of a one hundred twenty-day program the circuit court shall notify the state in writing when the court intends to grant probation to the offender pursuant to the provisions of this section. The state may, in writing, request a hearing within ten days of receipt of the court's notification that the court intends to grant probation. Upon the state's request for a hearing, the court shall grant a hearing as soon as reasonably possible. If the state does not respond to the court's notice in writing within ten days, the court may proceed upon its own motion to grant probation.

7. An offender's first incarceration under this section prior to release on probation shall not be considered a previous prison commitment for the purpose of determining a minimum prison term under the provisions of section 558.019.

8. Notwithstanding any other provision of law, probation may not be granted pursuant to this section to offenders who have been convicted of murder in the second degree pursuant to section 565.021; forcible rape pursuant to section 566.030 as it existed prior to August 28, 2013; rape in the first degree under section 566.030; forcible sodomy pursuant to section 566.060 as it existed prior to August 28, 2013; sodomy in the first degree under section 566.060; statutory rape in the first degree pursuant to section 566.032; statutory sodomy in the first degree pursuant to section 566.062; child molestation in the first

degree pursuant to section 566.067 when classified as a class A felony; abuse of a child pursuant to section 568.060 when classified as a class A felony; or an offender who has been found to be a predatory sexual offender pursuant to section 566.125; or any offense in which there exists a statutory prohibition against either probation or parole.

559.120. The circuit court may place a defendant on probation and require his or her participation in a program established pursuant to section 217.777 if, having regard to the nature and circumstances of the offense and to the history and character of the defendant, the court is of the opinion that:

(1) Traditional institutional confinement of the defendant is not necessary for the protection of the public, given adequate supervision; and

(2) The defendant is in need of guidance, training, or other assistance, which, in his or her case, can be effectively administered through participation in a community-based treatment program.

If the court holds such opinions and further finds that the defendant is the primary caregiver of one or more dependent children, the court shall consider requiring the defendant to participate in a community-based treatment program.

559.125. 1. The clerk of the court shall keep in a permanent file all applications for probation or parole by the court, and shall keep in such manner as may be prescribed by the court complete and full records of all presentence investigations requested, probations or paroles granted, revoked or terminated and all discharges from probations or paroles. All court orders relating to any presentence investigation requested and probation or parole

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

granted under the provisions of this chapter and sections 558.011 and 558.026 shall be kept in a like manner, and, if the defendant subject to any such order is subject to an investigation or is under the supervision of the **[**state board**]** **division** of probation and parole, a copy of the order shall be sent to the **[**board**]** **division of probation and parole**. In any county where a parole board ceases to exist, the clerk of the court shall preserve the records of that **parole** board.

2. Information and data obtained by a probation or parole officer shall be privileged information and shall not be receivable in any court. Such information shall not be disclosed directly or indirectly to anyone other than the members of a parole board and the judge entitled to receive reports, except the court, **the division of probation and parole**, or the **parole** board may in its discretion permit the inspection of the report, or parts of such report, by the defendant, or offender or his or her attorney, or other person having a proper interest therein.

3. The provisions of subsection 2 of this section notwithstanding, the presentence investigation report shall be made available to the state and all information and data obtained in connection with preparation of the presentence investigation report may be made available to the state at the discretion of the court upon a showing that the receipt of the information and data is in the best interest of the state.

559.600. 1. In cases where the **[**board of probation and parole**]** **division of probation and parole** is not required under section 217.750 to provide probation supervision and rehabilitation services for misdemeanor offenders, the circuit and associate circuit judges in a circuit may

At any hearing, the court may accept evidence and hear testimony on, and may consider, the following criteria for each of the offenses, violations, or infractions listed in the petition for expungement:

Electronically Filed - COLE CIRCUIT - March 11, 2026 - 02:11 PM

(1) At the time the petition is filed, it has been at least **[**seven**]** **three** years if the offense is a felony, or at least **[**three years**]** **one year** if the offense is a misdemeanor, municipal offense, or infraction, from the date the petitioner completed any authorized disposition imposed under section 557.011 for each offense, violation, or infraction listed in the petition;

(2) **At the time the petition is filed**, the person has not been found guilty of any other misdemeanor or felony, not including violations of the traffic regulations provided under chapters **301**, **302**, **303**, 304, and 307, during the time period specified for the underlying offense, violation, or infraction in subdivision (1) of this subsection;

(3) The person has satisfied all obligations relating to any such disposition, including the payment of any fines or restitution;

(6) The expungement is consistent with the public welfare and the interests of justice warrant the expungement.

A pleading by the petitioner that such petitioner meets the requirements of subdivisions (5) and (6) of this subsection shall create a rebuttable presumption that the expungement is warranted so long as the criteria contained in subdivisions (1) to (4) of this subsection are otherwise satisfied. The burden shall shift to the prosecuting attorney, circuit attorney, or municipal prosecuting attorney to rebut the presumption. A victim of an offense, violation, or infraction listed in the petition shall have

an opportunity to be heard at any hearing held under this section, and the court may make a determination based solely on such victim's testimony.

6. A petition to expunge records related to an arrest for an eligible offense, violation, or infraction may be made in accordance with the provisions of this section to a court of competent jurisdiction in the county where the petitioner was arrested no earlier than three years from the date of arrest; provided that, during such time, the petitioner has not been charged and the petitioner has not been found guilty of any misdemeanor or felony offense.

7. If the court determines that such person meets all the criteria set forth in subsection 5 of this section for each of the offenses, violations, or infractions listed in the petition for expungement, the court shall enter an order of expungement. In all cases under this section, the court shall issue an order of expungement or dismissal within six months of the filing of the petition. 8. The order shall not limit any of the petitioner's rights that were restricted as a collateral consequence of such person's criminal record, and such rights shall be restored upon issuance of the order of expungement. **For purposes of 18 U.S.C. 921(a)33(B)(ii), an order or expungement granted pursuant to this section shall be considered a complete removal of all effects of the expunged conviction.** Except as otherwise provided under this section, the effect of such order shall be to restore such person to the status he or she occupied prior to such arrests, pleas, trials, or convictions as if such events had never taken place. No person as to whom such order has been entered shall be held thereafter under any provision of law to be guilty of perjury or otherwise giving a false statement by reason of his or her failure to recite or acknowledge such arrests, pleas, trials, convictions, or expungement in response to an inquiry made of him or her and no such inquiry shall be made for information relating to an expungement, except the petitioner shall disclose the expunged offense, violation, or infraction to any court when asked or upon being charged with any subsequent offense, violation, or infraction. The expunged offense, violation, or infraction may be considered a prior offense in determining a sentence to be imposed for any subsequent offense that the person is found guilty of committing.

9. Notwithstanding the provisions of subsection 8 of this section to the contrary, a person granted an expungement shall disclose any expunged offense, violation, or infraction when the disclosure of such information is necessary to complete any application for:

(1) A license, certificate, or permit issued by this state to practice such individual's profession;

(2) Any license issued under chapter 313 or permit issued under chapter 571;

(3) Paid or unpaid employment with an entity licensed under chapter 313, any state-operated lottery, or any emergency services provider, including any law enforcement agency;

(4) Employment with any federally insured bank or savings institution or credit union or an affiliate of such institution or credit union for the purposes of compliance with 12 U.S.C. Section 1829 and 12 U.S.C. Section 1785;

(5) Employment with any entity engaged in the business of insurance or any insurer for the purpose of complying with 18 U.S.C. Section 1033, 18 U.S.C. Section 1034, or other similar law which requires an employer engaged in the business of insurance to exclude applicants with certain criminal convictions from employment; or

(6) Employment with any employer that is required to exclude applicants with certain criminal convictions from employment due to federal or state law, including corresponding rules and regulations.

An employer shall notify an applicant of the requirements under subdivisions (4) to (6) of this subsection. Notwithstanding any provision of law to the contrary, an expunged offense, violation, or infraction shall not be grounds for automatic disqualification of an applicant, but may be a factor for denying employment, or a professional license, certificate, or permit; except that, an offense, violation, or infraction expunged under the provisions of this section may be grounds for automatic disqualification if the application is for employment under subdivisions (4) to (6) of this subsection.

10. A person who has been granted an expungement of records pertaining to a misdemeanor or felony offense, an ordinance violation, or an infraction may answer "no" to an employer's inquiry into whether the person has ever been convicted of a crime if, after the granting of the expungement, the person has no public record of a misdemeanor or felony offense, an ordinance violation, or an infraction. The person, however, shall answer such an inquiry affirmatively and disclose his or her criminal convictions, including any offense or violation expunged under this section or similar law, if the employer is required to exclude applicants with certain criminal convictions from employment due to federal or state law, including corresponding rules and regulations.

11. If the court determines that the petitioner has not met the criteria for any of the offenses, violations, or infractions listed in the petition for expungement or the petitioner has knowingly provided false information in the petition, the court shall enter an order dismissing the petition. Any person whose petition for expungement has been dismissed by the court for failure to meet the criteria set forth in subsection 5 of this section may not refile another petition until a year has passed since the date of filing for the previous petition.

12. A person may be granted more than one expungement under this section provided that during his or her lifetime, the total number of offenses, violations, or infractions for which orders of expungement are granted to the person shall not exceed the following limits:

(1) Not more than two misdemeanor offenses or ordinance violations that have an authorized term of imprisonment; and

(2) Not more than one felony offense.

A person may be granted expungement under this section for any number of infractions. Nothing in this section shall prevent the court from maintaining records to ensure that an individual has not exceeded the limitations of this subsection. Nothing in this section shall be construed to limit or impair in any way the subsequent use of any record expunged under this section of any arrests or findings of guilt by a law enforcement agency, criminal justice agency, prosecuting attorney, circuit attorney, or municipal prosecuting attorney, including its use as a prior offense, violation, or infraction.

13. The court shall make available a form for pro se petitioners seeking expungement, which shall include the following statement: "I declare under penalty of perjury that the statements made herein are true and correct to the best of my knowledge, information, and belief.".

14. Nothing in this section shall be construed to limit or restrict the availability of expungement to any person under any other law.

6. Implementation of sections 650.050 to 650.100 shall be subject to future appropriations to keep Missouri's DNA system compatible with the Federal Bureau of Investigation's DNA databank system.

7. All DNA records and biological materials retained in the DNA profiling system are considered closed records pursuant to chapter 610. All records containing any information held or maintained by any person or by any agency, department, or political subdivision of the state concerning an individual's DNA profile shall be strictly confidential and shall not be disclosed, except to:

(1) Peace officers, as defined in section 590.010, and other employees of law enforcement agencies who need to obtain such records to perform their public duties;

(2) The attorney general or any assistant attorneys general acting on his or her behalf, as defined in chapter 27;

(3) Prosecuting attorneys or circuit attorneys as defined in chapter 56, and their employees who need to obtain such records to perform their public duties;

(4) The individual whose DNA sample has been collected, or his or her attorney; or

(5) Associate circuit judges, circuit judges, judges of the courts of appeals, supreme court judges, and their employees who need to obtain such records to perform their public duties.

8. Any person who obtains records pursuant to the provisions of this section shall use such records only for investigative and prosecutorial purposes, including but not limited to use at any criminal trial, hearing, or proceeding; or for law enforcement identification purposes, including identification of human remains. Such records

shall be considered strictly confidential and shall only be released as authorized by this section.

9. (1) An individual may request expungement of his or her DNA sample and DNA profile through the court issuing the reversal or dismissal, or through the court granting an expungement of all official records under section 568.040. A certified copy of the court order establishing that such conviction has been reversed, guilty plea has been set aside, or expungement has been granted under section 568.040 shall be sent to the Missouri state highway patrol crime laboratory. Upon receipt of the court order, the laboratory will determine that the requesting individual has no other qualifying offense as a result of any separate plea or conviction and no other qualifying arrest prior to expungement.

(2) A person whose DNA record or DNA profile has been included in the state DNA database in accordance with this section and sections 650.050, 650.052, and 650.100 may request expungement on the grounds that the conviction has been reversed, the guilty plea on which the authority for including that person's DNA record or DNA profile was based has been set aside, or an expungement of all official records has been granted by the court under section 568.040.

(3) Upon receipt of a written request for expungement, a certified copy of the final court order reversing the conviction, setting aside the plea, or granting an expungement of all official records under section 568.040, and any other information necessary to ascertain the validity of the request, the Missouri state highway patrol crime laboratory shall expunge all DNA records and identifiable information in the state DNA database pertaining to the person and destroy the DNA sample of the

person, unless the Missouri state highway patrol determines that the person is otherwise obligated to submit a DNA sample. Within thirty days after the receipt of the court order, the Missouri state highway patrol shall notify the individual that it has expunged his or her DNA sample and DNA profile, or the basis for its determination that the person is otherwise obligated to submit a DNA sample.

(4) The Missouri state highway patrol is not required to destroy any item of physical evidence obtained from a DNA sample if evidence relating to another person would thereby be destroyed.

(5) Any identification, warrant, arrest, or evidentiary use of a DNA match derived from the database shall not be excluded or suppressed from evidence, nor shall any conviction be invalidated or reversed or plea set aside due to the failure to expunge or a delay in expunging DNA records.

10. When a DNA sample is taken from an individual pursuant to subdivision (2) of subsection 1 of this section and the prosecutor declines prosecution and notifies the arresting agency of that decision, the arresting agency shall notify the Missouri state highway patrol crime laboratory within ninety days of receiving such notification. Within thirty days of being notified by the arresting agency that the prosecutor has declined prosecution, the Missouri state highway patrol crime laboratory shall determine whether the individual has any other qualifying offenses or arrests that would require a DNA sample to be taken and retained. If the individual has no other qualifying offenses or arrests, the crime laboratory shall expunge all DNA records in the database taken at the arrest for which the prosecution was declined

pertaining to the person and destroy the DNA sample of such person.

11. When a DNA sample is taken of an arrestee for any offense listed under subsection 1 of this section and charges are filed:

(1) If the charges are later withdrawn, the prosecutor shall notify the state highway patrol crime laboratory that such charges have been withdrawn;

(2) If the case is dismissed, the court shall notify the state highway patrol crime laboratory of such dismissal;

(3) If the court finds at the preliminary hearing that there is no probable cause that the defendant committed the offense, the court shall notify the state highway patrol crime laboratory of such finding;

(4) If the defendant is found not guilty, the court shall notify the state highway patrol crime laboratory of such verdict.

If the state highway patrol crime laboratory receives notice under this subsection, such crime laboratory shall determine, within thirty days, whether the individual has any other qualifying offenses or arrests that would require a DNA sample to be taken. If the individual has no other qualifying arrests or offenses, the crime laboratory shall expunge all DNA records in the database pertaining to such person and destroy the person's DNA sample.

650.058. 1. Notwithstanding the sovereign immunity of the state, any individual who was found guilty of a felony in a Missouri court and was later determined to be actually innocent of such crime solely as a result of DNA profiling analysis may be paid restitution. The individual may receive an amount of one hundred dollars per day for each

day of postconviction incarceration for the crime for which the individual is determined to be actually innocent. The petition for the payment of said restitution shall be filed with the sentencing court. For the purposes of this section, the term "actually innocent" shall mean:

(1) The individual was convicted of a felony for which a final order of release was entered by the court;

(2) All appeals of the order of release have been exhausted;

(3) The individual was not serving any term of a sentence for any other crime concurrently with the sentence for which he or she is determined to be actually innocent, unless such individual was serving another concurrent sentence because his or her parole was revoked by a court or the **[**board of probation and**]** parole **board** in connection with the crime for which the person has been exonerated. Regardless of whether any other basis may exist for the revocation of the person's probation or parole at the time of conviction for the crime for which the person is later determined to be actually innocent, when the court's or the **[**board of probation and parole's**]** **parole board's** sole stated reason for the revocation in its order is the conviction for the crime for which the person is later determined to be actually innocent, such order shall, for purposes of this section only, be conclusive evidence that their probation or parole was revoked in connection with the crime for which the person has been exonerated; and

(4) Testing ordered under section 547.035, or testing by the order of any state or federal court, if such person was exonerated on or before August 28, 2004, or testing ordered under section 650.055, if such person was or is

exonerated after August 28, 2004, demonstrates a person's innocence of the crime for which the person is in custody.

Any individual who receives restitution under this section shall be prohibited from seeking any civil redress from the state, its departments and agencies, or any employee thereof, or any political subdivision or its employees. This section shall not be construed as a waiver of sovereign immunity for any purposes other than the restitution provided for herein. The department of corrections shall determine the aggregate amount of restitution owed during a fiscal year. If insufficient moneys are appropriated each fiscal year to pay restitution to such persons, the department shall pay each individual who has received an order awarding restitution a pro rata share of the amount appropriated. Provided sufficient moneys are appropriated to the department, the amounts owed to such individual shall be paid on June thirtieth of each subsequent fiscal year, until such time as the restitution to the individual has been paid in full. However, no individual awarded restitution under this subsection shall receive more than thirty-six thousand five hundred dollars during each fiscal year. No interest on unpaid restitution shall be awarded to the individual. No individual who has been determined by the court to be actually innocent shall be responsible for the costs of care under section 217.831.

2. If the results of the DNA testing confirm the person's guilt, then the person filing for DNA testing under section 547.035, shall:

(1) Be liable for any reasonable costs incurred when conducting the DNA test, including but not limited to the cost of the test. Such costs shall be determined by the

court and shall be included in the findings of fact and conclusions of law made by the court; and

(2) Be sanctioned under the provisions of section 217.262.

3. A petition for payment of restitution under this section may only be filed by the individual determined to be actually innocent or the individual's legal guardian. No claim or petition for restitution under this section may be filed by the individual's heirs or assigns. An individual's right to receive restitution under this section is not assignable or otherwise transferrable. The state's obligation to pay restitution under this section shall cease upon the individual's death. Any beneficiary designation that purports to bequeath, assign, or otherwise convey the right to receive such restitution shall be void and unenforceable.

4. An individual who is determined to be actually innocent of a crime under this chapter shall automatically be granted an order of expungement from the court in which he or she pled guilty or was sentenced to expunge from all official records all recordations of his or her arrest, plea, trial or conviction. Upon granting of the order of expungement, the records and files maintained in any administrative or court proceeding in an associate or circuit division of the court shall be confidential and only available to the parties or by order of the court for good cause shown. The effect of such order shall be to restore such person to the status he or she occupied prior to such arrest, plea or conviction and as if such event had never taken place. No person as to whom such order has been entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false

statement by reason of his or her failure to recite or acknowledge such arrest, plea, trial, conviction or expungement in response to any inquiry made of him or her for any purpose whatsoever and no such inquiry shall be made for information relating to an expungement under this section.
