**VERIFIED
COMPLAINT**

**(Challenge to Legal Sufficiency of
Circulator Registrations and Petition
Signatures Pursuant to A.R.S. §§ 19-
118(F), 19-122(C))**

Plaintiffs Jennifer Clark, Shannon Joanne Graeff, Julie Batt, and Greg Blackie bring
this action pursuant to A.R.S. §§ 19-118(F) and 19-122(C), and hereby allege as follows:

SUMMARY OF THE CASE

1
2 1. This action challenges the eligibility and registrations of certain circulators of
3 the statewide initiative petition bearing the serial number I-09-2026 (the “Initiative
4 Petition”). The Initiative Petition seeks to qualify for placement on the statewide ballot in
5 the November 3, 2026 general election an initiative measure that would largely dismantle
6 Arizona’s groundbreaking Empowerment Scholarship Account program, which offers
7 parents choice and independence to secure the best educational experience for their child’s
8 unique needs (the “Act”).

9 2. Signatures collected by certain circulators of the Initiative Petition who were
10 required to have been, but were not, properly registered with the Secretary of State are void
11 as a matter of law. Specifically, these individuals either:

- 12 a. Failed to register with the Secretary of State prior to collecting signatures in
13 support of the Initiative Petition, and hence did not strictly comply with
14 A.R.S. § 19-118(A);
- 15 b. Misrepresented or otherwise failed to provide on their registration
16 submissions to the Secretary of State one or more required items of contact
17 information, and hence did not strictly comply with A.R.S. § 19-118(B)(1);
18 or
- 19 c. Failed to provide on their registration submissions to the Secretary of State
20 the full and complete statutorily required address for service of process, and
21 hence did not strictly comply with A.R.S. § 19-118(B)(4).

22 3. In addition, certain registered circulators have, upon information and belief,
23 been either (a) convicted of a criminal offense involving fraud, forgery, or identity theft, (b)
24 convicted of a non-fraud-based felony offense and have not been restored to all civil rights
25 under the laws of the convicting jurisdiction, or (c) adjudicated an incapacitated person.
26 These individuals accordingly were not eligible to circulate the Initiative Petition, and the
27 signatures they collected are invalid as a matter of law. *See* A.R.S. §§ 19-114(A), 16-
28 101(A), 19-118(D).

4. Finally, certain registered circulators failed to write their full and correct assigned circulator identification number on the front and back of one or more of the petition sheets they purportedly circulated, rendering those sheets and the accompanying signatures not strictly compliant with A.R.S. §§ 19-121(A)(2) and 19-121.01(A)(1)(c).

5. A spreadsheet itemizing Plaintiffs' objections to the specific sheets and signatures corresponding to these circulators is attached hereto as Exhibit A.

6. Petition signatures obtained by individuals who failed to strictly comply with one or more provisions of applicable law are legally insufficient.

7. A dispositive number of additional petition sheets and signatures likewise are invalid because they lack complete and accurate items of information or content required by law, or otherwise do not strictly comply with all applicable constitutional and statutory provisions.¹

8. Injunctive remedies are necessary to prevent irreparable injury to the Plaintiffs and to ensure that the Defendant fully and effectively discharges the duties imposed upon him by state law.

JURISDICTION

9. This Court has jurisdiction over this action pursuant to Article 6, § 14 of the Arizona Constitution, and A.R.S. §§ 12-1801, 19-118(F), and 19-122(C).

10. Venue for this action lies in Maricopa County pursuant to A.R.S. § 12-401(7) and (16) because the Defendant resides and/or holds office in that county; and pursuant to A.R.S. § 19-118(F) because circulators of the Initiative Petition are registered in that county; and pursuant to A.R.S. § 19-122(D).

¹ Pursuant to A.R.S. § 19-118(F), Plaintiffs intend to amend this Complaint to challenge additional petition sheets and signatures either before or immediately after the Secretary of State has completed the review required by A.R.S. § 19-121.01.

PARTIES

11. Plaintiff Jennifer Clark is a citizen of the United States, and a resident and qualified elector of the State of Arizona and of Maricopa County. Ms. Clark is the parent of a child who is enrolled in the Empowerment Scholarship Account program.

12. Plaintiff Shannon Joanne Graeff is a citizen of the United States, and a resident and qualified elector of the State of Arizona and of Maricopa County.

13. Plaintiff Julie Batt is a citizen of the United States, and a resident and qualified elector of the State of Arizona and of Maricopa County. Ms. Batt is the parent of a child who is enrolled in the Empowerment Scholarship Account program.

14. Plaintiff Greg Blackie is a citizen of the United States, and a resident and qualified elector of the State of Arizona and of Pinal County.

15. Defendant Adrian Fontes is the Secretary of State of Arizona and is named in this action in his official capacity only. The Secretary of State is the public officer responsible for processing and maintaining circulator registrations, disqualifying petition sheets and signatures that are not strictly compliant with certain applicable laws, and certifying the ultimate legal sufficiency or insufficiency of statewide initiative and referendum petitions. *See* A.R.S. §§ 19-118, -121.01(A), -121.04.

16. Real Party in Interest Protect Education, Accountability Now (the “Committee”) is an Arizona political committee that was organized to support the qualification of the Act for the November 3, 2026 general election ballot.

GENERAL ALLEGATIONS

17. On or around March 11, 2026 the Committee filed with the Secretary of State an Application for Serial Number to commence a petition drive to qualify the Act for the November 3, 2026 statewide election ballot. The Secretary of State issued the serial number I-09-2026 to the Committee on the same date.

18. On or around July 2, 2026 the Committee filed with the Secretary of State the Initiative Petition, which contains 415,438 signatures.

19. After completing the review of the Initiative Petition required by A.R.S. § 19-121.01 and invalidating petition sheets and signatures containing certain facial defects, the Secretary will issue a preliminary receipt indicating the number of signatures eligible for verification by the county recorders. The Secretary will then generate a random sample consisting of 5% of those signatures for further review by the respective county recorders, pursuant to A.R.S. § 19-121.02. The Secretary will thereupon discount the signatures deemed eligible for verification (as adjusted to subtract signatures disqualified by the county recorders) by the invalidity rate computed by the county recorders to project the total number of valid signatures contained in the Initiative Petition. *See id.* § 19-121.04.

20. The Initiative Petition must contain no fewer than 255,949 valid signatures of qualified electors to qualify the Act for placement on the statewide election ballot. *See* Ariz. Const. art. IV, pt. 1, § 1(2), (7).

21. Upon information and belief, the Initiative Petition contains fewer than 255,949 valid signatures of qualified electors.

22. The Legislature has directed that “[c]onstitutional and statutory requirements for statewide initiative measures must be strictly construed and persons using the initiative process must strictly comply with those constitutional and statutory requirements.” A.R.S. § 19-102.01(A).

23. Section 19-122(C) of the Arizona Revised Statutes provides that “[a]ny person may contest the validity of an initiative or referendum” and “may seek to enjoin the secretary of state or other officer from certifying or printing the official ballot for the election that will include the proposed initiative or referendum measure.”

24. Section 19-118(F) of the Arizona Revised Statutes provides that “[a]ny person may challenge the lawful registration of circulators” in this Court.

25. Arizona law mandates that “[f]or statewide initiative and referendum measures only, all circulators who are not residents of this state and all paid circulators must register as circulators with the secretary of state before circulating petitions pursuant to this title.” A.R.S. § 19-118(A). The Secretary of State is responsible for promulgating a

1 registration form and procedures for completing and submitting registrations. *See id.*; Ariz.
2 Sec’y of State, 2025 ELECTIONS PROCEDURES MANUAL [hereafter, “EPM”] at pp. 133–35.

3 26. Upon the Secretary’s review and acceptance of a complete registration
4 submission, the circulator is issued a unique identification number, which the circulator
5 must affix to the front and back of each petition sheet s/he circulates. *See* A.R.S. §§ 19-
6 118(C), -121(A)(2), -121.01(A)(1)(c).

7 27. A circulator who has not strictly complied with all attributes of a complete,
8 accurate and timely registration, as prescribed by applicable law, is not fully or properly
9 registered.

10 28. The Secretary has a nondiscretionary legal duty to disqualify and exclude all
11 signatures collected by individuals who were required to have been, but who were not,
12 “properly registered” with the Secretary of State at the time the signature was affixed. *See*
13 A.R.S. §§ 19-121.01(A)(1)(h), -121.01(B).

14 29. Signatures that were either (a) collected by registered circulators who are
15 ineligible to circulate petitions because of a prior disqualifying criminal conviction or
16 adjudication of incapacity or (b) included on sheets on which the circulator failed to legibly
17 write their full and correct circulator identification number on each side of the petition sheet
18 likewise must be disqualified. *See* A.R.S. §§ 19-121.01(A)(1)(c), -121.01(B).

19 **Objection No. 1: Failure to Timely Register with the Secretary of State**

20 30. Ballot measure circulators who are required to register with the Secretary of
21 State must do so before collecting any signatures. *See* A.R.S. § 19-118(A).

22 31. Certain signatures on the Initiative Petition were obtained by individuals who
23 were paid or non-resident circulators of the Initiative Petition but who either:

24 (a) did not register with the Secretary of State as a circulator of the Initiative
25 Petition, or

26 (b) collected one or more signatures for the Initiative Petition prior to
27 submitting a full and complete registration to the Secretary of State. *See*
28 Ex. A.

32. These signatures are invalid and must be disqualified. *See* A.R.S. §§ 19-118(A), -121.01(A)(1)(h).

Objection No. 2: Circulator Registration Contains Inaccurate or False Information

33. A legally sufficient circulator registration must disclose, *inter alia*, the circulator’s (i) actual physical place of permanent residence, (ii) telephone number, and (iii) email address. *See* A.R.S. § 19-118(B)(1).

34. Circulator registrations include a sworn affidavit affirming that all “information provided is correct to the best of [the circulator’s] knowledge.” A.R.S. § 19-118(B)(5).

35. Certain signatures on the Initiative Petition were collected by individuals who provided on a registration form:

- (a) A purported permanent residential address that, upon information and belief, actually is the location of a hotel, motel, or similar temporary lodging, or otherwise is not the situs of a residential structure;
- (b) A purported residential address that is different from the “residence address” elsewhere claimed by the circulator (*e.g.*, on some or all of the petition sheets she or he ostensibly circulated) and thus, upon information and belief, is not the circulator’s actual permanent residence location;
- (c) A telephone number that is inoperative or not the circulator’s actual telephone number or, in the case of circulator Matthew Berkes, an email address that is inoperative or not the circulator’s actual email address; or
- (d) a false identity. When contacted, the purported circulator confirmed that she or he is the individual identified on the registration, but denied ever collecting signatures for the Initiative Petition, thus implying that the registration was falsified.

See Ex. A.

36. Because they did not provide complete and accurate required information on their registration forms, these circulators were not “properly registered” with the Secretary

of State. Accordingly, all signatures on the Initiative Petition that they collected are invalid and must be disqualified. *See* A.R.S. §§ 19-118(A)–(B), -121.01(A)(1)(h).

Objection No. 3: Circulator Registration Designates Insufficient Service of Process Address

37. Irrespective of where they physically reside, all paid and out-of-state circulators of statewide ballot measure petitions must provide on their registration “[t]he address of the committee in this state for which the circulator is gathering signatures and at which the circulator will accept service of process related to disputes concerning circulation of that circulator’s petitions.” A.R.S. § 19-118(B)(4).

38. Upon information and belief, at all times relevant, the Committee’s address has been 6625 South Rural Road, Suite 111, Tempe, Arizona 85283.

39. Certain circulators of the Initiative Petition disclosed on their registration submissions to the Secretary of State a service of process address that is either:

(a) Partial or incomplete; or

(b) Not the Committee’s address. *See* Ex. A.

40. Because they did not provide on their registrations a complete and statutorily required service of process address, these circulators did not strictly comply with A.R.S. § 19-118(B)(4) and hence were not “properly registered” with the Secretary of State. Accordingly, all signatures on the Initiative Petition that they collected are invalid and must be disqualified. *See* A.R.S. §§ 19-118(B)(4), -121.01(A)(1)(h); *Mussi v. Hobbs*, 255 Ariz. 395, 398–99 ¶ 16 (2023).

Objection No. 4: Ineligible to Circulate Statewide Initiative Petitions

41. To lawfully solicit and obtain signatures on a statewide initiative petition, an individual need not reside in Arizona, but she or he otherwise must be “qualified to register to vote” in this State. A.R.S. § 19-114(A); *see also id.* § 19-112(D).

42. Individuals who have been convicted of a felony offense and not restored to all civil rights under the laws of the convicting jurisdiction, or who have been adjudicated

incapacitated, are not eligible to register to vote. A.R.S. § 16-101(A)(5)–(6); *Parker v. City of Tucson*, 233 Ariz. 422 (App. 2013).

43. In addition, Arizona law prohibits individuals who have been convicted of any “criminal offense involving fraud, forgery, or identity theft” from registering as a circulator, irrespective of whether their civil rights have been reinstated. A.R.S. § 19-118(D)(3).

44. Certain circulators of the Initiative Petition were not legally eligible to collect signatures because they were either:

- (a) convicted of a felony offense and not restored to all civil rights under the laws of the convicting state,
- (b) convicted of a “criminal offense involving fraud, forgery, or identity theft,” or
- (c) adjudicated an incapacitated person.

See Ex. A.

45. Upon information and belief, the following circulators have been convicted of one or more felony offenses and, as of the time they were soliciting signatures for the Initiative Petition, had not been restored to all civil rights under the laws of the convicting state:

- (a) Upon information and belief, Dwight Perkins, Jr. was convicted of (i) aggravated assault, a Class 6 felony offense, in Maricopa County Arizona; and (ii) manufacture or delivery of 1–15 grams of cocaine or a cocaine analogue, a felony offense, in Cook County, Illinois;
- (b) Upon information and belief, Aaron Soto was convicted the United States District Court for the District of Arizona of transportation of illegal aliens for profit, a felony offense under federal law;
- (c) Upon information and belief, Freddie Wilkerson, Jr. was convicted in Maricopa County, Arizona of conspiracy to commit sale or transportation of marijuana, a Class 2 felony offense;

- (d) Upon information and belief, Alvin Harrison, Jr. was convicted in Clark County, Nevada of involuntary manslaughter, a felony offense;
- (e) Upon information and belief, Mark A. Trusiak, Sr. was convicted in Maricopa County, Arizona of a Class 6 felony relating to drug paraphernalia;
- (f) Upon information and belief, Jose Roberto Toscano was convicted in the United States District Court for the District of Arizona of transportation of illegal aliens for profit, a felony offense under federal law;
- (g) Upon information and belief, Jesse Redhorse, Jr. was convicted in the United States District Court for the District of Arizona of sexual abuse of a minor, a Class C felony offense under federal law; and
- (h) Upon information and belief, Adam Luis Milligan was convicted in Yuma County, Arizona of felony offenses including assault, kidnapping, and misconduct involving weapons.

46. Upon information and belief, the following circulators have been convicted of criminal offenses involving fraud, forgery, or identity theft:

- (a) Upon information and belief, Vivian Valenzuela Lastra was convicted in Maricopa County, Arizona of possession of a forgery device;
- (b) Upon information and belief, Nicholas Green was convicted in the Huachuca City Municipal Court in Huachuca City, Arizona of offenses relating to the knowing display of a fictitious license plate and/or alteration or forgery of a permanently disability placard;
- (c) Upon information and belief, Aron Jade Arviso was convicted in the Tucson City Court in Tucson, Arizona of making a false report to law enforcement;
- (d) Upon information and belief, Cedrick Hamilton was convicted in Los Angeles County, California, of credit card forgery;
- (e) Upon information and belief, Kenneth Arnold Coleman was convicted in Pima County, Arizona of making a false report to law enforcement, as well as a felony offense of drug possession.

47. Upon information and belief, Olujimi Alamu was adjudicated an incapacitated person by the courts of the State of Arizona.

48. Because the foregoing individuals are ineligible to circulate statewide initiative petitions in Arizona, all signatures they collected are invalid and must be disqualified. A.R.S. §§ 16-101(A)(5)–(6), 19-118(D)(2)–(3).

Objection No. 5: Missing or Incorrect Circulator Registration Number

49. Upon the processing and acceptance of a circulator’s registration form by the Secretary of State, he is issued a unique identification number, which must be printed on the front and back sides of every petition sheet he circulates. *See* A.R.S. §§ 19-118(C), -121(A)(2), -121.01(A)(1)(c).

50. Certain circulators of the Initiative Petition failed to strictly comply with this requirement by either:

- (a) providing an identification number that is different from the identification number assigned to that circulator by the Secretary of State,
- (b) not writing his or her identification number on both the front and back of the petition sheet, or
- (c) writing an illegible identification number on the petition sheet. *See* Ex. A.

51. All signatures contained on such petition sheets are invalid and must be disqualified. *See* A.R.S. §§ 19-118(C), -121(A)(2), -121.01(A)(1)(c).

COUNT I

**Unregistered or Improperly Registered Circulators
(A.R.S. §§ 19-118, -121.01(A)(1)(h))**

52. Plaintiffs incorporate by reference the allegations contained in the foregoing paragraphs as if fully set forth herein.

53. All circulators of the Initiative Petition who either reside outside the State of Arizona or who were paid for their signature collection efforts must have been “properly

registered” with the Secretary of State before circulating the Initiative Petition. *See* A.R.S. §§ 19-118(A), -121.01(A)(1)(h).

54. A proper and complete registration must include, *inter alia*, (i) the circulator’s full and accurate permanent residential address, (ii) the circulator’s actual telephone number, (iii) the circulator’s actual email address, (iv) the Committee’s full and complete address as the designated address for service of process, and (v) a verification of all information in the registration for I-09-2026 that is executed by the circulator under penalty of perjury. *See* A.R.S. § 19-118(A), (B).

55. A circulator who has not strictly complied with all attributes of a complete, accurate and timely registration is not validly or properly registered.

56. The Secretary of State must disqualify all signatures by individuals who were required to register but were “not properly registered at the time the petitions were circulated.” A.R.S. § 19-121.01(A)(1)(h).

57. “Any person” has legal standing to challenge in this Court the registration of ballot measure petition circulators. *See* A.R.S. § 19-118(F).

58. The inclusion of legally deficient petition sheets and signatures in the Secretary of State’s certification will irreparably injure the Plaintiffs and all qualified electors of the State of Arizona.

59. The balance of equities and considerations of public policy support the entry of injunctive relief.

60. Accordingly, Plaintiffs are entitled to an injunction providing for the disqualification of all signatures collected by circulators who were required to be, but were not, “properly registered” with the Secretary of State at the time the signature was affixed.

COUNT II

Ineligible Circulators

(A.R.S. §§ 19-114(A), 19-118(D), 16-101(A))

61. Plaintiffs incorporate by reference the allegations contained in the foregoing paragraphs as if fully set forth herein.

62. Pursuant to A.R.S. § 19-122(C), “[a]ny person may contest the validity of an initiative or referendum . . . [and] may seek to enjoin the secretary of state or other officer from certifying or printing the official ballot for the election that will include the proposed initiative or referendum and to enjoin the certification or printing of the ballot.”

63. No person may lawfully register as a circulator of a statewide initiative petition if he or she has been (a) convicted of a felony offense and not restored to all civil rights under the laws of the convicting state, (b) convicted of any criminal offense involving fraud, forgery, or identity theft, or (c) adjudicated incapacitated. *See* A.R.S. §§ 19-114(A), 16-101(A)(5)–(6), 19-118(D)(2)–(3).

64. Certain circulators of the Initiative Petition have a disqualifying criminal conviction or judgment of incapacity. *See* Ex. A.

65. The inclusion of legally deficient petition sheets and signatures in the Secretary of State’s certification will irreparably injure the Plaintiffs and all qualified electors of the State of Arizona.

66. The balance of equities and considerations of public policy support the entry of injunctive relief.

67. Accordingly, Plaintiffs are entitled to an injunction providing for the disqualification of all signatures collected by circulators who, by virtue of a criminal conviction or adjudication of incapacity, were not legally eligible to solicit and obtain signatures for the Initiative Petition.

COUNT III

Disqualification of Legally Insufficient Sheets and Signatures (A.R.S. §§ 19-118, 19-121, 19-121.01, 19-122(C))

68. Plaintiffs incorporate by reference the allegations contained in the foregoing paragraphs as if fully set forth herein.

69. Pursuant to A.R.S. § 19-122(C), “[a]ny person may contest the validity of an initiative or referendum . . . [and] may seek to enjoin the secretary of state or other officer

from certifying or printing the official ballot for the election that will include the proposed initiative or referendum and to enjoin the certification or printing of the ballot.”

70. Pursuant to A.R.S. § 19-102.01(A), “[c]onstitutional and statutory requirements for statewide initiative measures must be strictly construed and persons using the initiative process must strictly comply with those constitutional and statutory requirements.”

71. The Initiative Petition contains numerous signatures that are not strictly compliant with governing laws on the grounds that the circulator of the sheet had registered with the Secretary of State but had not legibly provided his or her full and complete assigned circulator registration number on the front and back of the petition sheet. These signatures must be disqualified. *See* A.R.S. §§ 19-118(C), -121(A)(2), -121.01(A)(1)(c).

72. The inclusion of legally deficient petition sheets and signatures in the Secretary of State’s certification will irreparably injure the Plaintiffs and all qualified electors of the State of Arizona.

73. The balance of equities and considerations of public policy support the entry of injunctive relief.

74. Accordingly, the Plaintiffs are entitled to an injunction providing for the disqualification of all petition sheets and signatures that do not strictly comply with one or more applicable provisions of law.

DEMAND FOR RELIEF

WHEREFORE, the Plaintiffs demand relief in the following forms:

A. Injunctive or mandamus remedies requiring the Defendant to disqualify and exclude all signatures on the Initiative Petition that were collected by individuals who were required to be, but were not, properly registered with the Secretary of State at the time the signatures were affixed.

B. Injunctive or mandamus remedies requiring the Defendant to disqualify and exclude all signatures on the Initiative Petition that were

collected by individuals who were not legally eligible to circulate statewide initiative petitions in Arizona;

- C. Injunctive or mandamus remedies requiring the Defendant to disqualify and exclude all signatures on the Initiative Petition that are contained on sheets that purportedly were circulated by a registered circulator but do not contain the circulator's full and correct registration number on both sides of the sheet.
- D. An award of reasonable attorneys' fees and costs pursuant to A.R.S. § 19-118(F), the private attorney general doctrine, and other applicable law.
- E. Such other relief as the Court deems necessary, equitable, proper, or just.
