Dear Ms. Sitren,

Your request was forwarded to us by the City Clerk's Office. The City Attorney's Office is relying upon Carlson v. Pima County, 141 Ariz. 487 (Ariz. 1984). West Valley View is inapplicable. An on-going request would impose undue burden and the request is not for "narrow and clear categories of public records."

Thanks for your email. Please send me citations to the specific law(s) upon which you rely to deny the request at this time. We would like to evaluate the legal justification for possible challenge of the denial under A.R.S. s. 39-121.02. Also, please refer to the case of W. Valley View, Inc. v. Maricopa County Sheriff's Office, 216 Ariz. 225, 165 P.3d 303 (App. 2007), where the Arizona Court of Appeals ruled that ongoing requests for narrow and clear categories of public records are permissible under Arizona Public Records Laws. I look forward to your response. Thank you.

Good Afternoon,

In response to your public records request and your verbal request for a written response, per the Glendale City Attorney's Office "any responsive documents would be considered confidential in light of the pending bankruptcy and current negotiations. In addition, the City of Glendale does not have a mechanism in place to track on-going requests. The requestor is welcome to resubmit the request at a future date."

Respectfully,

Darcie McCracken
Deputy City Clerk
City of Glendale, Arizona
